[Al-Qaeda is an obvious [CIA/Mossad/MI6](#) operation (all the 'Bin Laden tapes' come via [SITE](#), an obvious Mossad front), similar to [Gladio](#). He was known as 'Tim Osman' in his CIA/MI6 days. He died years ago (as said by ex Seal man [Bill Wood](#)), as shown by the fact they buried the body at sea and then [Assassinated](#) the Seal team in a helicopter.]

[\[vid\] The Great Osama Bin Laden Hoax. How the FBI made up a bogey man](#) Al Qaeda: An invention of the US Prosecutors and so called law enforcement collaborate (I.e. lie) to make cases. It's a disgraceful practice. It's also as common as grass. Osama bin Laden as mastermind of the global terror organization with sleeper cells all over the globe has to rank as one of the most spectacular prosecutorial hoaxes in human history. At a trillion dollars and counting (fake wars, Homeland Security etc) it's certainly one of the most expensive. Earth to news media victims: There is no organization, there are no "sleeper cells", the whole this was and is total bullshit.

[\[vid\] Osama bin Laden is Dead \(2007\)](#) This Pakistani political leader was murdered by intelligence agency supported terrorists after she admitted Bin Laden was dead. When Benazir Bhutto returned to Pakistan to take a stand for democratic government, 3 million Pakistanis greeted her at the airport. Now she is dead. (The date: 27 December 2007.) At the 6:15 mark in this video, Benazir Bhutto refers in a matter-of-fact manner to "the man who killed Osama bin Laden." If this was a misstatement, she did not correct herself, nor did the interviewer call attention to it. Before she was murdered, there was a previous attack on Bhutto's life. She told David Frost that she was not even allowed to file a police report let alone get a serious investigation of the attack. She stated that she specifically wanted the source of the financial support of the terrorists traced. Saeed Sheikh is the man Bhutto refers to in this interview as being the killer of Osama bin Laden. Saeed Sheikh is charged with killing Wall Street Journal reporter Daniel Pearl who tracked the relationship between Pakistani intelligence and terrorist groups. Saeed Sheikh is also suspected of having wired money to Mohamed Atta on behalf of Pakistani intelligence right before the 9/11 attacks.

Quotes

Anyone who doesn't pretend Al Qaeda exists is ostracized. Neither is there now nor has there ever been such an organization. The Department of Justice invented it and the CIA, Mossad and other organizations are responsible for the terrorist acts falsely attributed to it. "Al Qaeda" is Hebrew for "boogeyman" me thinks.

Those who say they are "terrorist spokesmen" are Israeli actors and all "Al Qaeda" material is pure theatre, every word a lie. Blaming phony "Al Qaeda" is a form of political correctness, one that causes wars and kills endless thousands. The Al Qaeda lie has made many a criminal and political hack an overnight billionaire while America is starving, schools are closing and veterans sleeping under bridges.

Osama bin Laden was never a terrorist, died in 2001, denied any complicity in 9/11 and was a CIA agent, both loved and respected by his American co-workers with whom I have spoken extensively. He never committed a single act, had no terror network and was the chosen trustee of all American Stinger missiles used against the Soviet Union. Technically, he is an American hero. Osama Bin Laden has been an American agent for the last 30 years and his CIA codename is Tim Osman. He was educated in Britain and is described by a former school buddy as 'Harry bin Laden'. ASIO officer: "I have seen Bin Laden in a safe house in London." James Bond III: "Bin Laden is in on the oil scam. [\[2009 Dec\] Welcome to Orwell's world 2010 by John Pilger](#) Obama's most audacious lie is that Afghanistan today is a "safe haven" for al-Qaeda's attacks on the West. His own national security adviser, General James Jones, said in October that there were "fewer than 100" al-Qaeda in Afghanistan. According to US intelligence, 90 per cent of the Taliban are hardly Taliban at all, but "a tribal localised insurgency [who] see themselves as opposing the US because it is an occupying power". The war is a fraud. Only the terminally gormless remain true to the Obama brand of "world peace".

Al Qaeda was created by the CIA in [Afghanistan](#), and it has been maintained by the CIA as a kind of military capability in the Arab and Islamic world. Look at the history of Al Qaeda, they have attacked countries like Bosnia, when the US was attacking Bosnia, [Al Qaeda attacked Bosnia](#). When the US was attacking Libya, Al Qaeda attacked Libya¹ and tried to kill Qaddafi, the dictator of Libya. The US in attempting to bust up the Russian Federation, Al Qaeda provides terrorists for [Chechnya](#), so, the target list for US imperialism and the target list for Al Qaeda are exactly the same. [\[2005\] Webster Griffin Tarpley on 'Synthetic Terror'](#)

"The Al-Qaeda terror organization has caused immense damage to Islam, to Moslems worldwide and to the interests of the peoples of all Arab and Muslim countries. The actions of Al-Qaeda have only served to promote the interests of the U.S. and Israel, which are clearly interested in "reshaping" the Middle East in such a way that they can more easily rape and plunder the region at will.

"In fact the CIA is using the terrorist actions of its proxy Al-Qaeda in order to give the U.S. an excuse to extend their power into and invade the Arab countries, first countries with rich plunder (oil) like Iraq, Iran, Saudi Arabia, and second any country which is a "threat" to Israel, or more exactly which Israel dislikes for whatever reason. The third objective for which the CIA is using its proxy Al-Qaeda is to engender fear and hate of Islam and Muslims worldwide. This corresponds to an old and tried ploy of colonizers: to slander and denigrate the target population so that it is acceptable and even called for to commit genocide against them. The peoples of Ireland, Africa and the Americas have all suffered this tragedy, and these regions have been colonized. The next obvious victims are Arabs and Muslims by extension because they live in geographic areas rich in oil be respected as full humans by the criminals in London, Washington and Tel Aviv." [\[2005\] Al Qaeda - The Database Wayne Madsen Report](#) Shortly before his untimely death, former British Foreign Secretary Robin Cook told the House of Commons that "Al Qaeda" is not really a terrorist group but a database of international mujaheddin and arms smugglers used by the CIA and Saudis to funnel guerrillas, arms, and money into Soviet-occupied Afghanistan...."The truth is, there is no Islamic army or terrorist group called Al Qaida. And any informed intelligence officer knows this. But there is a propaganda campaign to make the public believe in the presence of an identified entity representing the 'devil' only in order to drive the 'TV watcher' to accept a unified international leadership for a war against terrorism. The country behind this propaganda is the US and the lobbyists for the US war on terrorism are only interested in making money."

Many researchers claim the name al-Qaeda was made up in middle '90s by a variety of American functionaries (one of them being none other than Richard Clarke) as an all-purpose villain the U.S. could blame as a convenient reason for its military adventurism. And a group of Israeli provocateurs was recently discovered trying to create their own faux version of al-Qaeda. How many more hints do you need? The absence of any relevant arrests or discovery of any clues to the hierarchy of this supposedly worldwide terror group should tell you a lot. Al-Qaeda doesn't exist except for when they want it to, to blame for any sort of strategic terror they have created themselves for some political reason, like influencing the elections in Spain. Hah, that one really backfired. [John Kaminski](#)

"Al Qaeda is nothing more than an extension of the operatus linked to U.S. intelligence that was allowed, by script, to remove itself as a rogue break away entity of the U.S. government; allowed to de-compartmentalize from oversight, and was run instead by Gary Best rogue black ops specialists for scripted activity outside of the U.S. government, with its funding being orchestrated through the Pakistani secret police, an entity of the U.S. government itself."-----Tom Heneghan, American Patriot, Federal Whistleblower

"Can remote viewing locate Osama bin Laden? Yes. A former trainer of the U. S. Army's remote viewing Psi Spies unit was in New York on the morning of 9/11. Needless to say, he was quite upset with what had happened. He told me personally that he contacted people deep within the government and told them, 'You give me the word and I will locate Osama bin Laden.' And he was told, 'No, no, no, don't do that. We don't want that.'" - [Jim Marrs](#), Author, Psi Spies © 2007.

During the Cold War, Washington officials of course couldn't say that they were intervening to block social change, so they called it fighting communism, fighting a communist conspiracy, and of course fighting for freedom and democracy. Just like now the White House can't say that it invaded Iraq to expand the empire, or for the oil, or for the corporations, or for Israel, so it says it's fighting terrorism.

The word "communist" was used exceptionally loosely during the Cold War, just as the word "terrorist" is used these days; or "al-Qaeda"-almost every individual or group that Washington wants to stigmatize is charged with being a member of al-Qaeda, as if there's a precise and meaningful distinction between people retaliating against American imperialism while being a member of al-Qaeda and people retaliating against American imperialism while not being a member of al-Qaeda; as if al-Qaeda gives out membership cards to fit into your wallet, as if there are chapters of al-Qaeda that put out a weekly newsletter, and hold a potluck on the first Monday of each month.

U.S. policies keep creating new anti-American terrorists, whom Washington calls al-Qaeda, which justifies continuing the same policies to fight the new al-Qaeda terrorists.----[William Blum](#)

Bush and Bin Laden fit the profile of mind-controlled slaves. They are following their programming. Notice that Bush is known as a Christian, an important point to antagonize the religious sensitivities of fanatic Moslems. Notice that the U.S. was well known to be encouraging Afghanis to join the Northern Alliance before 9-11, so that a different government could be installed. Note also that the CIA was the financial power during the 1990's behind various groups trying to overthrow Saddam Hussein. However,

through CIA betrayals Saddam Hussein is still in power. (For instance, on Mar. 3 '95, a INC-led military offensive against Hussein, encouraged by the CIA, lost its American support the very day of the offensive.) Hussein & bin Laden, Mussolini & Hitler. The effect of American Middle East meddling & backstabbing of potential friends has been to alienate most Moslems towards us, thus laying the stage for Iraq and then others to join the Taliban. There are numerous other details that lead Moslems to consider this war to be one of western imperialism to destroy Islam.

Meanwhile, Bin Laden comes from a rich Saudi family that is connected to the kind of mind-control done by groups such as the CIA to individuals. It is a script with puppets designed to play upon the way Americans & Moslems think & react. These Illuminati scripts have to have actors that are either totally controlled or very predictable. Many, if not almost all people, are quite predictable once you know how they think. Once the Illuminati has a clear profile on how someone acts and reacts, it is fairly easy to manipulate a predictable person. The Bush family, as you know, has plenty of experience with controlled conflicts, beginning with Prescott Bush's support for Hitler. The Elder Bush has been a paid consultant to the Bin Laden Group, helping them with his CIA links. Bush helped create Osama bin Laden as an American CIA bought and paid for alleged "terrorist", originally dubbed a "freedom fighter" to wear out the Soviets in their prolonged war, 1979-1989, in Afghanistan. The monopoly press falsely states that Osama is on the outs with his family, yet his family reportedly funnels tens of millions of dollars to Osama through banks such as Algemene Bank Nederland, now called ABN-AMRO, in part through their American flagship, Chicago-based La Salle National Bank. [We have identified La Salle as also having secret accounts for bribing state and federal judges.] To evade having their own secrets coming out linked to Osama, the Younger Bush White House flatly refuses to freeze Osama's numerous accounts, wire-transfers, and such through ABN-AMRO. The New York Times of Sept. 22, states that the only one Israeli died in the WTC 9-11 tragedy. He was visiting the WTC on business. Considering 199 are listed dead from Columbia and 428 from the Philippines, and some Jews have reported that they were tipped off prior to the attack, it looks to me like this was a Mossad operation on behalf of the Illuminati perhaps using Moslems. The Mossad, by the way, takes orders daily from MI-6, who in turn are hand-in-glove with the Illuminati. Both M's have Moslem assets. The bigger picture is why you will find Jesuit educated Shimon Peres (the Israeli leader) having stock (2.46%) in the PLO's public phone company Paltel along with the Bin Ladens (40%) and Arafat (40%). This is why the Bush family and the Bin Ladens are connected in business together, for instance, the Carlyle group. (Well, it's reported the Bin Ladens recently pulled out of the Carlyle Group.) It's no different than when Bush's grandfather aided Hitler financially, and Brown Bros. Harriman made big bucks. [Fritz Springmeier](#)

The video reviews the origins of Osama bin Laden and how the Bush administration used Al Qaeda as a pretext not only to wage war in Central Asia and the Middle East but also to repeal the Rule of Law at home.
