

Six extremities: Above and Below, East and West, North and South and the Holy Temple is set in the middle and it supports all of them.

- Sefer Yetzira 4:4

He engraved and hewed out through it the Throne of Glory, Fiery Angels, and Ofanim, and Holy Beings, and Ministering Angels. And from the three of them He established His Dwelling-Place; as it is said: "Who makes winds His messengers, the flaming fire His ministers." Three letters from the Simple ones - He sealed Air through three, and set them into His Great Name YHV, and sealed through them the six extremities:

*Five: He sealed **Above**, and He turned upward and sealed it with VHY.*

Six: He sealed **Below**, and He turned downward and sealed it with HVY.

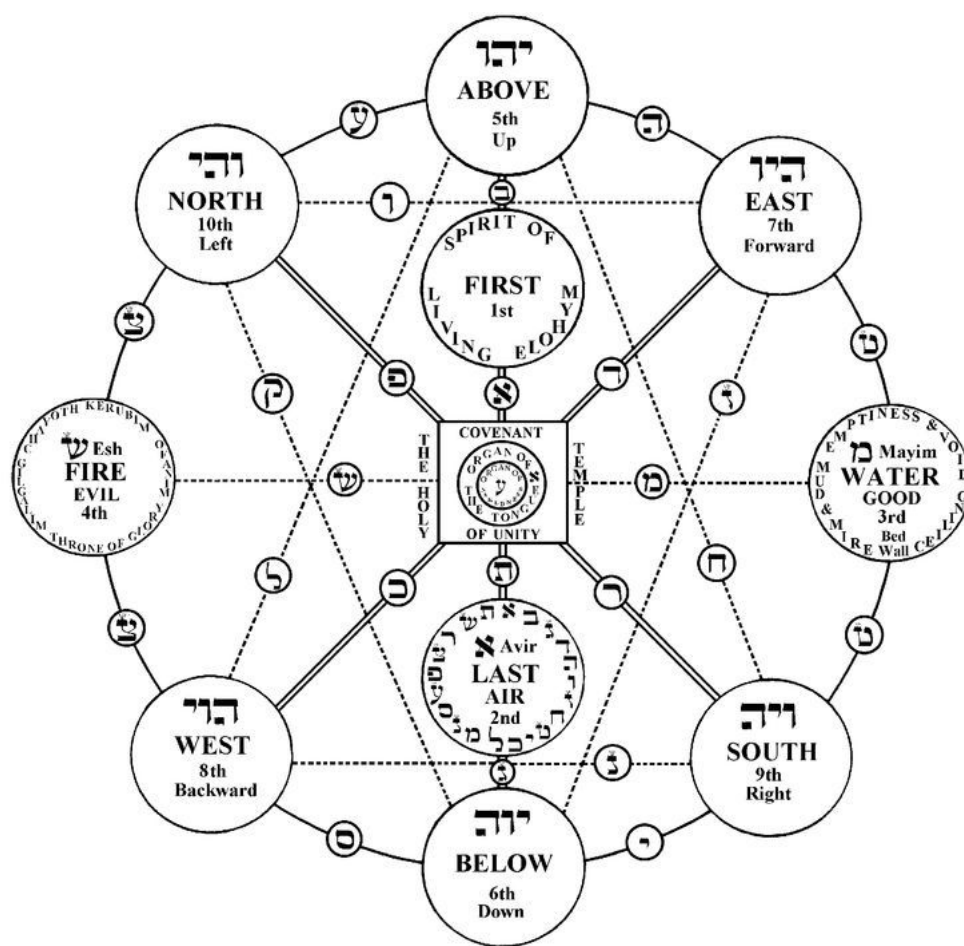

Seven: He sealed **East**, and He turned forward and sealed it with VYH.

Eight: He sealed **West**, and He turned backward and sealed it with YVH.

Nine: He sealed **South**, and He turned right and sealed it with HYV.

Ten: He sealed **North**, and turned left and sealed it with YHV.

- Sefer Yetzirah 1:12

The Hexagram or Magen David, as it is known to the Hebrews, is not a Solar symbol but a Lunar one. The Magen David is nothing other than what the Sepher Yetzirah refers to as the **six directions** in

infinitesimal space and time. Each of the six points of the Hexagram represent the six variant permutations of the three simple letters Yod, Heh, and Vav. Of which the Diety chose to seal the six fathomless directions in space.

★ SYMBOLIC
MEANING ABOUT
THE STAR OF
DAVID

There are many ideas about the symbolic meaning of the Star of David. Some Kabbalists thought that the six points represented God's absolute rule over the universe in all six directions: north, south, east, west, up and down. They also believed that the triangles represented humanity's dual nature – good and evil – and that the star could be used as protection against evil spirits.
