

Occultists Worship Numbers

Clipped from: <http://www.cuttingedge.org/pages/seminar2/NUMBERS.htm>

"They exchanged the truth of God for a lie and worshipped the creature rather than the Creator..." Romans 1:25

This Scripture captures the entire essence of what occultists have been doing for almost 5,000 years. Today's New Age adherents, who pride themselves so greatly on their sophistication and "spiritual knowledge" worship all sorts of created objects rather than God.

Occultists place much faith in the inherent power of numbers. No plan of action can be carried out without first determining two things:

Is the timing of this plan of action in accordance with the astrological lineup of the stars, moons, and planets?

Is the timing of this plan of action in accordance with the numbers it will produce? This process is "Divination" and is specifically prohibited by God. (Deut 18:10-11)

Once you understand how occultists think and calculate, you will be able to see occultism in world events. This effort to determine the correct time for an action is carried out to precise days and times. A good example is the suicide of Adolf Hitler. Hitler chose the date, April 30, 1945, because it was the first day of the Pagan Spring Holy Days. He chose 3:30p.m. because, according to occult doctrine, this combination of **three's** presented to him the most favorable time to depart this life and reenter the reincarnation cycle. Note the **triple 3's** present here, April 30 as the first three, 3 o'clock in the afternoon as the second three, and 30 minutes past the hour is the final three. Hitler was engaging in **typical** occult behavior by arranging the timing of his death in a very precise, numeric manner. Hitler wanted to exit this life in such a proper time that he could come back quickly, as the real Anti-Christ.

THE SIX SACRED NUMBERS

1. **Three (3)** is the first sacred number, the first perfect number (Westcott, p. 41). Three represents the Pagan Trinity." (Westcott, p. 37). It is represented geo-metrically in the triangle, and spiritually as the Third Eye Of Hinduism. Occultists will multiply and add three to other sacred numbers to create new numbers. However, they also group threes in two's and threes, because they believe in the principle of "intensification", i.e., that greater

power is achieved when a sacred number is grouped. In the case of three, greater intensification is achieved when it is shown as 33, or 333. $333 + 333$ equals 666. **Occultists have used 333 as the hidden symbol by which they present the more offensive number 666.** When the details of an event are so arranged as to contain certain sacred occult numbers or numeric combinations, this is literally an **occult signature** on the event. Mathematically, 666 can be created when three pairs of threes are added. Thus, $(3+3) + (3+3) + (3+3) = 666$. Now, eliminate the parentheses and the plus sign, and you have 33 space, 33 space, 33, representing the number 666.

2. **Six (6)** is the next sacred number, representing the number of the soul of man (Westcott, p. 66). This shows the omnipotent power of God, as this belief parallels Revelation 13:18, where God assigns 666 to man and to the beast. Six is also believed to be "**all-sufficient**". This parallels

Biblical teaching, which states that man's great sin is pride in himself.

3. **Seven (7)** is a sacred number. Van Buren calls 7 "one of the most sacred of all the numbers...the Invisible Centre, the Spirit of everything". (p. 39) Since multiplication of seven creates an even more powerful sacred number, we should not be surprised that 3×7 , or 21, is considered powerful .

Thus, when Adam Weishaupt formed the Masters of the Illuminati, he arranged the timing of the event by arranging the numbers in a manner which would add to powerful numbers. He chose May 1, because May, month #5, added to the first day, equals 6. Weishaupt chose 1776, because the four numbers of this year add up to 21 ($1+7+7+6 = 21$). Further, the number $6 + 21 = 27$, another number of power, because it is formed by the multiplication of 3×9 . This date was very carefully chosen by Weishaupt; he believed the greatest Plan is doomed to failure if it is not carried out in the most numerically advantageous time.

4. Nine (9) is sacred because it is the "first cube of an odd number (3)", (Van Buren, p.40-41)

The triple nine (999) is utilized to represent 666, because it is simply the inversion of 666.

5. Eleven (11) is a sacred number. When eleven is multiplied by the perfect number 3, the number 33 is produced, a number of tremendous occult importance. In 1933, Adolf Hitler and President Franklin Roosevelt came to power. Both these men were committed to the establishment of the New World Order, and their actions impacted humanity greatly. It was also in 1933 that the First Humanist Manifesto was issued. Do you see how Satan manipulated world history to produce three New World Order events in 1933? Thus, a powerful 333 served as a **framework** for world events in that year.

6. Thirteen (13) is deemed sacred. It was also no accident that Hitler chose

the year 1939 to begin World War II, because 39 is formed by the multiplication of 13x3. Thus, you can see how human history has been shaped by the occult belief in the power of numbers. We have provided much detail as to how history has been shaped by this belief in the power of numbers. You can get this information in our Cutting Edge Radio Program dated May 9, 1992, entitled, "33 33 33 = 666 New Age Numerology".

An Occult signature to current events

President John F. Kennedy was assassinated on November 22, 1963, in a public square which had been home to a Masonic Lodge and which has an obelisk in its center. November is Month #11 and the day of the murder was the 22nd. Numbers 11 and 22 are sacred primary occult numbers.

President Ronald Reagan was nearly assassinated on March 30, 1981, at 3:30p.m. March is the third month (first 3), and 3:30p.m. provides the other two three's (33), producing a 333. Reagan was not the New World Order candidate; George Bush was their candidate. Had Reagan been killed, Bush would have assumed the Presidency at the planned moment in history. As it was, Reagan's policies continually turned to the center and then the left, until he was clearly enabling the New World Order to proceed full-speed ahead.

At the close of business on April 29, 1992, the Dow Jones Average closed at 3333!! Gold also closed at \$337 an ounce. Therefore, at the opening bell on April 30, the Dow Jones Average began business at 3333 and gold began at \$337 per ounce!! Do you see that we have three sets of 33's here?

Remember, the number, 666, is very often hidden within numbers 33 space, 33 space, 33. Occultists throughout the world would interpret this data as representing 666 as the world began to pass through the 66-day period,

from April 30 to July 4, 1992.

An article in the Sun Chronicle on May 3, 1992, reported that the Stock Market was over-valued by **66%**!! Events on this critical date abound in threes and sixes.

. "There are 66 days between April 30 and July 4 of every year. April 30-May 1 is the Satanic two-day celebration called Beltaine. In 1776, the United States of America issued her Declaration of Independence precisely 66 days after the beginning of Beltaine that year. Adam Weishaupt declared his Masters of the Illuminati on the second day of Beltaine. Thus, both the founding of the Satanic Masters of the Illuminati and the United States were centered around Beltaine."

In my research regarding the Freemason's, [United States Presidents and The Masonic Power Structure](#) I was constantly running into the number **13** and **33**. This research confirmed that most of the founding fathers were Masons. It also confirmed that most of the Presidents were Masons. My first run in with 13 of course was the 13 colonies. Second was the great Seal.

For a detailed look at the number 11 see [Destruction of the Trade Centers: Occult Symbolism Indicates Enemies Within Our Own Government](#)

"The numbers **3, 7, 9, 11, 13, 33, 39**. Any multiple of these numbers have special meaning to the Illuminati. Notice that the Bilderberg Group has core of **39** members who are broken into 3 groups of 13 members in each group. Notice that the core of 39 answers to the 13 who make up the Policy Committee. Take special notice that the 13 members of the Policy Committee answer to the Round Table of Nine. You know that the original number of states in the United States of America was 13. Occultists the world over believe that, once a symbol is created, it acquires power of its own, and more power is generated when such symbol(s) are created without the profane [uninitiated] knowing about it. And, the greatest power of all is created in the symbol(s) if the uninitiated NEVER discover that the symbol exists. [MASONIC SYMBOLS OF POWER IN THEIR SEAT OF POWER -- WASHINGTON, D.C.](#)

It is not that we cannot add them together, but the point is John does not TELL US TO ADD THEM TOGETHER. We then will take a different tact to solve the riddle. We will use EXACTLY WHAT THE BIBLE TELLS US: 600, 60 and 6. We will start with the REVERSE GREAT SEAL, the SEAL THAT DANIEL GAVE TO US.

MASON = Freemason

Now you would normally read that as 1776, which is correct. THAT IS THE "OBVIOUS" MEANING OF THOSE LETTERS. But what is the HIDDEN NUMERICAL VALUE OF THOSE LETTERS? And what if we took all of the Roman Numerals together and added them up? The Romans used the following letters for their number system: DCLXVI with D= 500, C=100, L=50, X=10, V=5, and I - 1. The M letter was not used until much later. Now if we take these letters and add them all up, we come to 666. If we take them as Scripture gives the number, we come up

This was "Day One" of a new age, the Nuclear Age. To understand the change that took place, we must back up and look at the importance of the number 13 from the formation of the United States to the atomic bomb's explosion in Hiroshima.

In 1935, Paul Foster Case wrote: "Since the date, 1776, is placed on the bottom course of the pyramid [on the Great Seal], and since the number 13 has been so important in the history of the United States and in the symbols of the seal, it is not unreasonable to suppose that the thirteen courses of the pyramid may represent thirteen time-periods of thirteen years each." The 13 time-periods of 13 years each equaled 169 years. From July 4, 1776 to July

The United States has been divided into seven different regions geographically. Each region has a 13 member leadership council that coordinates with the local leadership councils (are you getting the idea by now? The Illuminati are set up a lot like "Amway" or any other well-organized business enterprise with a flowchart of accountability for each member). This council will look something like this:

Head of council (1), Military (2 seats), Spiritual (2 seats), Scholarship (2

Total: 13 members

The regional councils will represent the different areas of interest and knowledge that the Illuminati pursue. The membership will change over time as members are promoted or demoted.

Another interesting fact to consider is that of the 37 Presidents of the United States before Jimmy Carter, at least 18 or 21 (depending on which source you believe) were close relatives. That comes to somewhere between 48.6 percent and 56.7 percent-far to much to be coincidence, as any conspiritologist (or mathematician) would tell you. Of the 224 ancestors in the family tree of 21 Presidents, we find **13** Roosevelt's, 16 Coolidge's, and 14 Tyler's. Another source manages to relate 60 percent of the Presidents and link most of them to the super-rich Astor family. This data does not include genealogies of the five most recent President. Psychologist G. William Domhoff claims that a large part of America's Ruling elite, just like that of Europe, are related by marriage. (*Everything is Under Control. How many of you remember when we were kids the first secret code we learned was the alphabet with a number above each letter. Starting with the letter A with the number 1 above it ending with Z which would of course represent the number 26. We used to pass coded letters to our buddies in

class using this code. At least I did. Take a piece of paper and lay out this code. It should look like this.

1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 16 17 18 19 20 21 22 23 24 25 26
A B C D E F G H I J K L M N O P Q R S T U V W X Y Z

This code is one of the simplest codes there is. You can even do it in reverse. A being 26 until Z is 1.

Now using the code above, apply that to the following government and media establishments. And do the math. The number 13 or 33, sometimes both are cleverly hidden in the initials.

Like the Universal Declaration of Human Rights, the Convention on the Rights of the Child uses manipulative and misleading language. According to Article **13**, "The child shall have the right to freedom of expression; this right shall include freedom to seek, receive, and impart information and ideas of all kinds, regardless of frontiers..." In other words, parents have no authority to keep a child from reading a sexually explicit magazine or visiting pagan chat rooms on Internet. While parents lose their right to set safe boundaries for their children, the State assumes full power to "protect" the child and define the rules. Thus Article 13 concludes with: "This right may be subject to certain restrictions, but these shall only be such as are provided by law and are necessary for respect of the rights or reputations of others; or for protection of national security or public order." Likewise, if parents restrict their child's "right to freedom of association" or their child's ambiguous rights to "privacy" or "conscience and religion" (Articles 14 -16), they would break this law and face the potential loss of their child to the state's "protection" services. In the context of UN ideology, "national security or public order" refers to the concept of solidarity, a utopian community oneness based on shared values defined by Globalist leaders. Then there is my favorite hidden 13 and 33. 13 is more pronounced.

This building has come to be known as '**1313**'. "... An agency known as the Public Administration Clearing House was set

up... Endorsement of the Public Administration Clearing House came from the National Municipal League, the American Municipal Association, etc.... "The Public Administration Clearing House manages the building at 1313 E. Sixtieth Street, Chicago." Further financing for the "1313" has been provided by the Carnegie Corporation, the Julius Rosenwald (Sears Roebuck & Company) Fund, and the Russell Sage Foundation. In his article in the January 1973 issue of AMERICAN OPINION magazine Gary Allen said that the primary funding now comes from the Ford Foundation which has "poured tens of millions of dollars into scores, possibly hundreds of regional government projects" promoted by "1313".

David Koresh was just a man. Occultists have been told that he was Illuminist,

and had been programmed to be the perfect Manchurian Candidate, quite willing to die for the cause. Koresh was 33 years old, a perfect age for the Illuminati to set him up as the Messiah figure to his cult, as Jesus Christ was 33 years old when He finished His ministry. Additionally, $3 + 3 = 6$, the favorite number of the Illuminati. Remember this first "6", for it becomes very important in a few paragraphs below.

So what does all this mean? It is my opinion after reading the following article that 13 and 33 is also Satan's number. According to an article by Chuck Missler of Koinonia House (<http://www.khouse.org>) there are 33 titles in the Old Testament for the antichrist, while there are 13 in the New Testament. <http://philologos.org/bpr/files/n011.htm> Since it has been proven that most of the 33rd degree Freemason's worship Lucifer this 13 and 33 is a homage to their god. Matthew 4:8-9 (8: Again, the devil taketh him up into an exceeding high mountain, and sheweth him all the kingdoms of the world, and the glory of them;

9: And saith unto him, All these things will I give thee, if thou wilt fall down and worship me.) Christ did not dispute the fact that Satan owned the kingdoms of the world.

One also must remember the words of Prof. Revilo P. Oliver: The question of precisely what fires the will of the wealthy supranational elites seeking to manipulate and control world events, has not escaped the attention of serious students of conspiracies and cover-ups. The late American Professor Revilo P. Oliver, a confirmed atheist, was forced to conclude: "A theory that a conspiracy has been working consciously for many centuries is not very plausible unless one attributes to them a religious unity. That is tantamount to regarding them as Satanists engaged in the worship and service of supernatural evil. The directors of the conspiracy must see or otherwise directly perceive manifestations which convince them of the existence and power of Lucifer. And since subtle conspirators must be very shrewd men, not likely to be deceived by auto-suggestion, hypnosis, or drugs, we should have to conclude that they probably are in contact with a force of pure evil." (Prof. Revilo P. Oliver, Conspiracy or Degeneracy?, USA)

A famous mason Manly P. Hall stated the following "When the Mason learns that the key to the warrior on the block is the proper application of the dynamo of living power, he has learned the mystery of his Craft. The seething energies of Lucifer are in his hands and before he may step onward and upward, he must prove his ability to properly handle energy." (Manly P. Hall, The Lost Keys of Freemasonry, p. 124;)

Hi there I have also noticed that while driving around South Africa where I live as well as Switzerland and Italy recently while on holiday there are many road signs indicating that the next town/city is "33" km's away. This seems odd as a sign would normally be a rounded figure such as 30km, 20, 10km's etc.

I know it's not really the subject of your 13/33 page (which I found very interesting), but did you know that the period of time from the death of Stanley Kubrik on 7th March, 1999, to January 1st, 2001, the title of his most esoteric film, is a period of exactly 666 days?

Also, the period of time from 1968, the year the film came out, to 2001 is 33 years!

You might already know these facts, but they are interesting anyway!

Hey the other day while checking out this [hot site](#), specially that article that talks about how many times the numbers 13 and 33 and others are found on dates and even many company logos a lot when they have to do with many powerful people and events and the freemasons etc.... I really liked this stuff and was very surprised to know about how many logos such as the McDonalds have the figure of the number 13 on it, well that same day while thinking about all of this, by accident I noticed on the box where my DSL modem came in that the company logo had a figure of yes, the famous number "13"(which got me very very surprise and excited)... well what I did next was even more amazing and made me say (wow!!!)... I took down the name on the logo which is "WESTELL" and came up with this:

23 5 19 20 5 12 12 = 2+3+5+1+9+2+0+5+1+2+1+2= 33
W E S T E L L

Well I cannot explain how I felt after I came out with the results of this calculation me and my brother (who helped me) were speechless at the time....anyway in this mail I attached 2 pictures of the logo (the original one & the other one rotated for you, so you can see the figure)... hopefully you will both check and verify if my discovery was real (or just bogus, or a mistake)...

The Master numbers

Clipped from: <http://www.numerology.com/numerology-news/master-numbers>

Numerology's difficult little blessings

In Numerology, every number is significant, yet there are three numbers to pay extra-special attention to: 11, 22 and 33 -- these are called "Master numbers." But what makes Master numbers so ... masterful?

These three Master numbers have profoundly powerful meanings, and when they appear in your chart, they can hint at difficulty. But Master numbers are often not well understood -- they can be just as much of a curse as they can be a blessing. They give you insight into obstacles by calling upon your patience and maturity -- and a lot of effort -- to peacefully integrate these elements into your personality. If you, personally, can master these Master numbers in your chart, however, they can be the most powerful, productive numbers of all.

For information about when the 11, 22 and 33 should be considered Master numbers, and when they should simply be reduced to their 2, 4 or 6 single-digit counterparts, [read all about reducing Master numbers](#).

Master number 11

The number 11 represents instinct, and is the most intuitive of all numbers. It is your connection to your subconscious, to gut feeling and knowledge without rationality. Because the 11 has all the qualities of the 2 (since $1 + 1 = 2$), the negative points of the 11 -- anxiety, shyness, stressed energy -- are balanced out by the 2's qualities of charisma and inspiration. 11 is the

dichotomy number, meaning it is both extremely conflicted and also a dynamic catalyst.

The danger of the 11 is that it needs to be focused on a very specific, concrete goal. If you have 11 in your chart and it isn't attached to a specific project, you will most likely experience anxiety and fear. It's extremely powerful and capable of great things, but can also be extremely self-sabotaging when not used correctly.

If you have the Master number 11 in your Numerology chart, tap into it and use it to create personal power and spiritual evolution. Do not deny your instincts, and let your inner, guiding voice push you toward growth and stability. This is a number of faith, and very much associated with psychics, clairvoyants and prophets.

Master number 22

The Master number 22 holds more power than any other number (earning it the nickname "the Master Builder"). It is a pragmatic number, a doer, capable of spinning wild dreams into concrete reality. Those who have 22 in their Numerology chart have great potential for success -- that's because it has all the intuition of the number 11, paired with a grounded and scientific approach associated with the number 4 (because $2 + 2 = 4$). 22 is an ambitious but disciplined number.

The 22 represents lofty goals brought down to earth and made into something you can touch. It is a grandiose thinker with great confidence and leadership qualities. Unfortunately, not everyone with a 22 in their chart is practical -- this is symbolized by the brilliant person you might know who doesn't "live up to" their potential. This is the danger of both the 11 and 22 -- though both are capable of greatness, they can shy away from great opportunities or apply too much pressure to themselves.

If you have 22 in your chart, ease up and realize your limitless opportunities. Turn down the pressure-cooker and realize your shot at serving the world in an effective and practical way.

Master number 33

The 33 is the mover and shaker of the Master numbers (earning it the nickname "Master Teacher"). With 11 and 22 combined in this Master number, intuition and dreams reach an entirely new orbit. A 33 used to its full potential means that there is no personal agenda, only a focus on humanitarian issues. Someone with 33 strongly featured in their chart has the ability to throw themselves into a project that goes far beyond mere practicality.

The number 33 represents full understanding before communication. With 33 represented in one's Numerology chart, that person is probably highly knowledgeable, but also fact-checks before preaching ideas or ideals.

This number in full efficiency is a sight to behold. But this is rare. Master number 33 is only significant if it's one of your Core numbers -- Life Path, Heart's Desire, Personal Expression, Personality or Maturity numbers. Otherwise, Numerology experts look at 33 as simply 6 (or 33/6, still weakening its power and downgrading it from a Master number).

Numerology experts pay special attention to Master numbers, and you should too. The best way to consider them? That 11, 22 and 33 create a triangle of enlightenment.

The Number 18 – GalEinai – Revealing the Torah's Inner Dimension

Clipped from: <http://www.inner.org/responsa/leter1/resp33.htm>

Q: What is the significance of the number 18?

A: The main thing that we can learn from 18, *Chai*, is the fulfillment of Torah and commandments (*mitzvot*), as in the verse, "*V'chai bahem*," "and you should live by them (*mitzvot*)."

Kabbalah teaches that 18 corresponds to the power of *ratzon*, ("will"), in the soul. This is the third and lowest head of the *keter*. The commandments of the Torah are the will of G-d. When a person performs a commandment, he gives G-d, as it were, *nachat ruach*, "pleasure," in that he performed G-d's will. *Ratzon* ("will") corresponds to *Arich*, which is also *Arichut Yamim*, ("long life"). This of course, corresponds to *chai*, 18. The long life alluded to here is in the merit of the commandments that the person performs.

There are 32 paths of wisdom, and 50 gates of understanding. In addition, there are 72 "bridges" of *chesed*, lovingkindness. $32 = 2 \text{ times } 4 \text{ squared}$; $50 = 2 \text{ times } 5 \text{ squared}$; $72 = 2 \text{ times } 6 \text{ squared}$. This suggests the general expression $2 \text{ times } n \text{ squared}$: 2, 8, 18, 32, 50, 72, 98, 128, 162, 200, 242, 288...

288 corresponds to the fallen sparks which we must redeem. The first three numbers, 2, 8 and 18 correspond to the three "heads" of *keter*, which are faith, pleasure and will. Following that are wisdom, 32, and understanding, 50 etc.

The above series of numbers combines in pairs to form multiples of 26, which is G-d's Name, *Havayah*: $2 \text{ plus } 50 = 52$; $8 \text{ plus } 18 = 26$; $32 \text{ plus } 72 = 104$.

The 231 gates of *Sefer Yetzirah* refer to the 231 two-letter combinations of the 22 letters of the Hebrew alphabet. (This refers to combinations of different letters only.)

231 is also the triangle of 21, G-d's Name. $1 \text{ plus } 2 \text{ plus } 3 \dots \text{ plus } 21 = 231$. 21 is the triangle of 6. 6 is the triangle of 3. 3 is the triangle of 2. Thus, 231, is a triangle of a triangle of a triangle.

Obviously, all of the above has deep meaning. This is but a brief explanation.

- The alphabet of the trees used by the druids for divinatory uses had eighteen letters, each letter deriving its name from the tree of which it is the initial. Composed of 5 vowels and 13 consonants, it formed a seasonal magic calendar of trees.
- Some modern astronomers begin to believe that our Sun could turn itself around the Sirius star, as thought elsewhere the ancient Sumerian people, with a revolution period of eight hundred thousand years. During this period, the Earth would be eighteen times exactly aligned with the Sun and Sirius.
- View from the Earth, the apparent diameter of the Moon, as well as its angular velocity, do not appear always the same since the Moon moves on an elliptic orbit rather than circular. This difference in apparent diameter reached per moments up to 1/18. For the same reasons, the apparent diameter of the Sun varies only of 1/60.

You'll never think the same way again. . . The Revelation

WTC Facts:

- The date of the attack: 9/11 - 9 + 1 + 1 = 11.
- State of New York - The 11th State added to the Union.
- Each building had 110 stories.
- "New York City" has 11 letters.
- After September 11th there are 111 days left to the end of the year.
- "Afghanistan" - 11 letters.
- September 11th is the 254th day of the year: 2 + 5 + 4 = 11.
- "The Pentagon" - 11 letters.
- 119 is the area code for Iraq/Iran. 1 + 1 + 9 = 11, 911 - 119 are opposites - enemies?
- "Ramzi Yousef" - 11 letters (convicted of orchestrating the attack on the WTC in 1993).
- Twin Towers - standing side by side, looks like the number 11.
- Flight 11 - 92 on board - 9 + 2 = 11.
- Flight 11 had 11 crew members onboard.
- The first plane to hit the towers was Flight 11.
- Flight 77 - 65 on board - 6 + 5 = 11.

Flight 11, 93, 175, 77 - If these numbers are broken down, 11 actually remains the same in numerology, 93 becomes 12, 175 becomes 13 and 77 becomes 14. 11 - 12 - 13 - 14 Broken down again and you have 2 - 3 = 4 - 5. Add them all up and break them all down!

$$11 + 93 + 175 + 77 = 356 = 14 = 5$$

$$11 + 12 + 13 + 14 = 50 = 5$$

$$2 + 3 + 4 + 5 = 14 = 5$$

Twin Towers = 11 + Flight 11 + September, 11th = 33

In Freemasonry 33 is the highest degree there is. Remember on another page I taught you one must be careful in pointing the finger at an instigator? Well, I'll point the finger right now. Certain members of the U.S. Government and the U.S. Military knew the event was going to happen because they are the ones who planned it. They worked together with **Osama bin Laden** to bring this event to pass.

Ill-fated passenger planes

Here is a look at planes that were involved in crashes Tuesday.

Boeing 757

Overall length: 155 feet, 3 inches
Wingspan: 124 feet, 10 inches
Maximum speed: 402 mph
Weight: 126,250 lbs (empty)
Fuel capacity: 9,370 gallons

Boeing 767

Overall length: 159 feet, 2 inches
Wingspan: 156 feet, 1 inch
Maximum speed: 414 mph
Weight: 176,200 lbs (empty)
Fuel capacity: 13,900 gallons

Flight 11 was a Boeing 767-200. It hit the **North Tower** at 8:45 AM EST. The length of the aircraft is 159 feet and 2 inches. $1 + 5 + 9 - 2$ (planes?) = 13. The number 13 is used extensively within Freemasonry. The 33rd degree Masonic Temple is located just 13 blocks north of the White House. There are many other instances of the number thirteen within Masonry. The Pagan mind is obsessed with numbers and symbols.

Flight 175 was also a Boeing 767-200. This aircraft hit the **South Tower**. $1 + 7 + 5 = 13$. The Twin Towers were hit with planes carrying the occult signatures of '11' and '13', the two most important numbers in the entire occult world. The number '11' symbolizes all that is evil and imperfect [The Old World Order] and the number '13' signifies rebellion against God's constituted authority!

It is interesting that the North Tower was hit first. In Masonic doctrine, North, is designated as the area where darkness, superstition, and ignorance dwells. Albert Pike describes this belief: "**To all Masons, the North has immemorably been the place of darkness; of the great lights of the Lodge, none is in the North.**" [Morals and Dogma, p. 592]

The Elite Mason worships toward the East, because they are pagan Sun worshippers, hence the **Eastern Star**. Most other Masons do not even realize this. In their Lodges, the North is empty as a symbol of their belief about that direction. Why do Masons believe this way about the North? The Bible states that God sits on His throne in the north [Isaiah 14:13]. By striking the North Tower first, the Illuminist Masons guiding this world into the New World Order may have been symbolically striking at God and His system, the Old World Order!

If you tie these two understandings together, you should realize why the first aircraft designated '11' hit the North Tower first. North is the direction of God's throne.

We know who is behind the terrible tragedy simply by the occult Illuminist signature. **Osama bin Laden** was only carrying out part of the plan which originated from the Illuminati. If American, British, and Israeli Intelligence really wanted a man out of the way, they would get him no matter how rich or powerful or protected he might be. Osama bin Laden is alive today only because the Illuminati wants him to be alive.

The numbers **3, 7, 9, 11, 13, 33, 39** have special meaning to the ELITE Freemasons. Remember, **The Brotherhood of the Serpent** was founded clear back in ancient Sumeria and the one who founded it was overthrown by those who were evil. With evil now in control it took this Brotherhood of the Serpent (Big Brother) and made several spin-offs of it. The **Bilderberg Group** is one, it has 39 members in its core who are broken into 3 groups of 13. And the 39 answers to the 13 who make up the Policy Committee. The 13 who make up the Policy Committee answer to the Round Table of Nine.

Did you know that the original number of states within the United States of America was 13? The Stripes on the American Flag represent this. The Constitution also has 7 articles and was signed by 39 members of the Constitutional Convention.

The Pagan assigns numbers to objects, planets, or an idea. One of history's greatest Satanist's, **W. Wynn Westcott** who was extremely influential in the latter part of the 19th Century explains:

"The followers of Pythagoras ... referred every object, planet, man, idea, and essence to some number or other, in a way which to most moderns must seem curious and mystical in the highest degree. 'The numerals of Pythagoras', says Porphyry, who lived about 300 A.D., 'were hieroglyphic symbols, by means whereof he explained all ideas concerning the nature of things', and the same [numeric] method of explaining the secrets of nature is once again being insisted upon in the new revelation of the 'Secret Doctrine', by H.P. Blavatsky. 'Numbers are a key to the ancient views of cosmogony -- in its broad sense, spiritually as well as physically considered, to the evolution of the present human race; all systems of religious mysticism are based upon numerals. The sacredness of numbers begins with the Great First Cause, the One, and ends only with the nought or zero -- symbol of the infinite and boundless universe'." [The Occult Power of Numbers, W. Wynn Westcott, p. 15.]

The entire World Trade Center event was underlined with the occultic number 11. Occultists all over the world knew exactly what had happened and who did it.

Idols of past pagan societies have been formed in the likeness of fish, birds, animals, the Sun, the Moon and the Stars. The mathematics underlying science and science itself they also worship. Inherent power is what they believe numbers possess.

To understand this fact, you need to understand that the occultist literally fulfills Paul's explanation of a pagan, of a Satanist, in Romans 1:25, "... **they**

exchanged the truth of God for a lie and worshiped and served the creature rather than the Creator ..."

There are events in the past which have the number 11 associated with them.

The Illuminati ended the First World War according to Albert Pike's occult plan to produce Antichrist. They deliberately ended it on the **11**th hour, on the **11**th day, on the **11**th month. ($11 \times 3 = 33$) The signing of the Armistice agreement was undergirded by three eleven's!

We have zeroed in on the number 11, because this tragedy is undergirded by this number.

Why is the number 11 important to the occultist? As Wescott explains, "**... so 11 is the essence of all that is sinful, harmful, and imperfect.**" [Ibid., p. 100] Thus, while 11 is very important, multiplication's are also important, such as 22, 33, 44, 55, 66, 77, 88, and 99.

Let's examine representations of various eleven's woven into this terrible tragedy.

1. The **first 11** is formed by the day on which this tragedy occurred, September 11.
2. The **second 11** is formed by adding the 9th month, September, and the date, $[9 + 1 + 1]$, forming another 11.
3. The **third 11** is formed by the airplane number that first crashed into the World Trade Tower. That plane was American Airlines Flight #11.
4. The **fourth 11** is formed by the airplane number that crashed into the Pentagon. That plane was United Airlines Flight #77 $[11 \times 7]$.
5. The **fifth 11** is formed by the North Twin Tower of the World Trade Center was 110 stories tall $[11 \times 10]$
6. The **sixth 11** is formed by South Twin Tower, the World Trade Center was 110 stories tall $[11 \times 10]$
7. The **Architecture of the Twin Towers** [11] of the World Trade Center -- Satanists love to express their beliefs and their goals in architecture. Thus, many of the buildings of Washington, D.C., were created originally with occult symbols on them, and in them. This fact is the reason why the street designs are created in such a way as to form Satanic symbols. The streets north of the White House form an inverted Pentagram, the Goatshead of Mendes, while the streets joining the White House to the Capitol form one side of a Masonic Compass, while other streets form the Masonic Square and Rule.
8. The eighth '11' is formed by one of the doomed flights, where the crew totaled '11'.
9. The ninth '11' is formed by the fact that September 11 is the **254th** day of the year. When you add $2 + 5 + 4$ you get '11'
10. The tenth '11' is formed because, after September 11, there are **111** days left in the year.
11. The eleventh '11' is formed by the historic fact that New York State was the 11th state to join the Union in preparation to create the 13-state confederation that would declare independence from England.

We have at least **11** firm and fundamental instances in which this tragedy was carried out "by the numbers" just as any Illuminist would want, because they believe a good plan can fail unless it is carried out according to the correct numbers sacred to the Satanist. The more numbers, the greater the chance of success. This very strong numeric signature on this attack clearly sends a signal to the rest of the occult world that this event was Illuminist, and that it signaled the beginning of a further series of events that will bring

the world to the coveted Third World War that will produce Antichrist.

Freemasonry and the Illuminati go together like peanut butter and jelly. The Illuminati proudly display their New World Order logo, the pyramid with the All-Seeing-Eye on the reverse of the American one Dollar bill. [This graphic](#) shows evidence that the Illuminati are linked to Freemasonry. The graphic is a scan of a page from a Masonic bible. You can see the ink on the reverse of the page on the right-hand side which says "Holy B" or "Holy Bible". Notice the Illuminati symbol on the top of the page (the All-Seeing-Eye)?

In numerology, A = 1, B = 2, C = 3, D = 4, and so on. There are 33 sections are within the emblem of the United Nations. $U (21) N (14) = (2+1=3) (1-4=3) 3$ and 3 make 33 U. N. United Nations. **33 is the highest obtainable degree within Freemasonry.**

*"No one will enter the New World Order unless he or she will make a pledge to worship Lucifer. No one will enter the New Age unless he will take a **LUCIFERIAN** Initiation."* (David Spangler, Director of Planetary Initiative, United Nations)

When the Illuminati assassinated President Kennedy, he was killed according to the occult number signature of eleven [11]. He was killed in the **11th** month, on the **22nd** day, and on the **33rd** parallel. He was also killed in the Masonic Dealey Plaza, the most powerful secret society in the world today to whom the **number 11** is extremely important.

The Master Number

As before mentioned, the number 11 has special significance. In Numerology it is not reduced to a single digit. It is a power number as is 22, 33 etc. The number 11 represents the vision. The number 22 combines vision with action. The number 33 offers guidance to the world. The master numbers 11, 22, and 33 represent a triangle. A triangle of enlightenment or illumination.

33
11 22

July 6, 1946 was George Bush's birthday. It can be reduced to the power number 33:

$7/6/1946 \Rightarrow 7 + 6 = 13$, $1946 \Rightarrow 1 + 9 + 4 + 6 = 20$. **$20 + 13 = 33$ $11 + 22$.** George is a member of **Skull and Bones** (a spin-off of the Brotherhood) just like his father and grandfather. Seems old Dubya is a master in more ways than just **President of United States**. There is more to George's name than meets the eye as you will soon find out. First let's look at what else the occult has to say about its 'master number'.

- 11 is a "master number or "power number" as most numerologists will testify. It is a number which cannot be reduced by adding the two digits. 11 is associated with someone who is on a higher plane of existence. Someone who brings "mystical revelation". Someone who often feels slightly distant from the people surrounding him or her, and has trouble feeling any real empathy for them. Also, this is sometimes the number of the martyr.
- The blue cord of the mason masters is large of 11 cm.
- The Hebrews consider it to be a bad number.

- The Number of the knowledge of God is 11. According to Arabs, this one passing by 11 steps.
- In the Golden Dawn, There are also 11 steps, or degrees,. Aleister Crowley revered this number as well when he said that the whole object of magick was the 5 (black, yin, pentagonal) with 6 (white, yang, hexagonal) – thus making 11!
- The general number of magic or sorcery and magicians. The individual in confrontation with the world. The number of war and the battle with the demonic element (The images of the destruction played over and over again could certainly be considered mind-control-sorcery).
- The symbol of Martyrdom.
- Symbol of the interior flight, the rebellion and the mislaying which results from it.
- The transgression of the law is represented by 11 because of it exceeding the number ten by 1. That is the one of the Decalogue. According to Saint Augustin, it represents the sin. The punishment of the wicked is asked in Psalm 11 (Vulgate numbering). This symbolism is confirmed by theoretical speculations. If you added all numbers from 1 to 11 they will equal 66. And by multiplying 11 by 6 (the number of evil) you get 66. If you added the two digits together it is reminiscent of the Roman number II (number of both the division and corruption).
- 11 is the number expressing more than human sin in general or cosmic. According to R. Allendy.

To to the Jews the number 11 is bad. The number of transgression of the law, rebellion, war, sin, sorcery, martyrdom; all of which were displayed to the whole world on 9/11.

The Pythagorean Table is numbered 1 to 9 each place having certain letters of the alphabet associated with them. The Chaldean Table works in a simialar way except it is numbered 1 to 8 and the letters associated with each number are differ as well. You will find that there are many connections to the number 11 in birthdates, names and places and these charts. Numerologists use these two methods for calculation with the Chaldean table being the oldest and most accurate.

There is no number 9 in this Numerology chart because, to the ancient Chaldeans, 9 was believed to be a sacred number and was kept apart from the rest.

Numerologists use the above charts to calculate the number of names and birthdates. Below are two examples:

The Pythagorean Method

$$\begin{array}{cccccccccccccccc}
 S & + & E & + & P & + & T & + & E & + & M & + & B & + & E & + & R & = & 40 \\
 1 & + & 5 & + & 7 & + & 2 & + & 5 & + & 4 & + & 2 & + & 5 & + & 9 & = > & 4 \\
 & & & & & & & & & & & & & & & & & & + & 0 = \\
 & & & & & & & & & & & & & & & & & & & 4
 \end{array}$$

The Chaldean Method

$$\begin{array}{cccccccccccccccc}
 S & + & E & + & P & + & T & + & E & + & M & + & B & + & E & + & R & = & 38 \\
 3 & + & 5 & + & 8 & + & 4 & + & 5 & + & 4 & + & 2 & + & 5 & + & 2 & = > & 3 \\
 & & & & & & & & & & & & & & & & & & + & 8 = \\
 & & & & & & & & & & & & & & & & & & & \mathbf{11}
 \end{array}$$

Using the Chaldean method "September" adds up to another 11. These two charts are used by the Illuminati. The Chaldean was probably used in the days of the Tower of Babel by Babylonian priests.

Take all the letters in "George W Bush" and add them up:

$$\begin{array}{l}
 \mathbf{G + E + O + R + G + E} (3 + 5 + 7 + 2 + 3 + 5) = 25 \\
 \mathbf{W} (6) = 6 \\
 \mathbf{B + U + S + H} (2 + 6 + 3 + 5) = 16 \\
 \text{Sum----->} 47 (4 + 7 = 11)
 \end{array}$$

Surprised? no? Here's more:

Flight 11 was the first to enter "New York City" (11 letters). There were 92 (9 + 2 = 11) souls on board, including the **11** crew members, when it slammed into the North Tower:

$$\begin{array}{l}
 N + O + R + T + H \quad 5 + 7 + 2 + 4 + 5 = 23 + => 47 \\
 T + O + W + E + R \quad 4 + 7 = 11! \\
 4 + 7 + 6 + 5 + 2 = 24 \\
 \text{Flight 175 had 65 (6 + 5 = 11) on board, it struck the South Tower; each tower having } \mathbf{110} \text{ stories.}
 \end{array}$$

Flight 77 (11 x 7) crashed into the Pentagon:

$$\begin{array}{l}
 F + L + I + G + H + T \quad 8 + 3 + 1 + 3 + 5 + 4 = 24 + 77 => 7 + 7 = 14 \\
 => 38 => 3 + 8 = 11 \\
 P + E + N + T + A + G + O + N \quad 8 + 5 + 5 + 4 + 1 + 3 + 7 + 5 => 38 => \\
 3 + 8 = 11
 \end{array}$$

For thousands of years the global elite (members of the Brotherhood) have communicated via symbology. Just like all the events listed on the "Table of Coincidence" which coincide with the astronomical alignments of 19.5 and 33 degrees the September 11th event was planned as well

There are many reasons for the attack, one is to bring America into war and another is to further the destruction of the economy. As days pass we are getting closer and closer to Anti-Christ. It can be stopped. If YOU want it to.

Hand symbol for the Horned God. (Satanic)

Both Bill and George are confirmed Freemasons

When America goes to war it will be fighting a war which was planned along time ago. One sure way to stop their plan is to show Military personnel who the true enemy is. Then Military people wouldn't carry out their plan. All they do is make people suffer and fight wars in the name of their God, Satan.

Prophecy is nothing more than a collection of future events which are agreed upon by men.

George W. Bush's birthday equals the master number 33, and it was Bush whose name equals the master number 11 who ordered all flags be flown at half-mast until September 22! Sept. 22 is 11 days after the event. It completed the triangle 11, 22, 33.

The number 9 is left out because it is sacred to the Illuminati. 5/5/1776 is when the Illuminati was founded. $5 + 1 + 1 + 7 + 7 + 6 \Rightarrow 27 = 2 + 7 = 9$.
