SATANIC SIGNALS FROM ON HIGH

LEADERS AND PROMINENT FIGURES OPENLY SALUTE THE DEVIL

In the following sequence of pictures, first published in Global Analyst, Volume 2, Number 1 [2005], the Author reviews the prevalence of open salutes to the Devil. President George W. Bush's wife and the President himself [see page 23], former US Vice-President Dan Quayle, General Tommy Franks, Silvio Berlusconi, Prince Edward and King Abdullah of Jordan are all shown saluting the Evil One -just like the Satanic rock band, the album cover and the participants at a Satanic event, also illustrated here.

Numbered pictures above and right: 1: Mrs Laura Bush displays the Satanic hand-signal, known as the 'horned hand', or 'Devil's Salute' signal, at the Inauguration on 20th January 2005; 2: Ex-Vice President Dan Quayle joins in the chorus of salutations to 'that old serpent, the Devil, and Satan, that deceiveth the whole world'; 3: General Tommy Franks, who inflicted mass deaths in Iraq, stands close [continued on page 733]:

to his President at a briefing in the Texas countryside, exhibiting the 'Devil's Salute', which comes naturally to him, it seems; 4: Silvio Berlusconi, ex-Prime Minister of Italy, caught in the act. He should know what this hand signal means: it's a 'Devil's Salute' used in Sicily to 'cast out evil spells'; 5: Prince William seems to think that the contrived salute he is delivering is amusing. The point is that it actually takes a moment's thought to extend the two fingers in question, which means that this salute cannot be delivered casually: it has to be a conscious act. It is not known whether Prince William, pictured here by Reuters, knew what he was doing, or whether this was just an instance of youthful silliness. The picture was not understood when first published: now we have the context; 6: Members of the (Satanic) Rock Band Metallica display the old 'Devil Salute', and a related 'in-your-face' acknowledgement of whom they worship and revere. They are an appropriately nasty-looking bunch; 7: The Devil's Salute, or diablo symbol, being displayed en masse at an incantation during a Satanic ritual; 8: Detail from an album cover by a Rock Band called Dio, meaning God. The diabolical graphics of this album cover are not fully shown here: but the rest of the cover displays the word Dio in demonic lettering which, when reversed in the mirror, spells Devil. This reflects the fact that the Devil turns everything back to front, and upside down. The Illuminati have no solution to anything, and their only product is death, procured via open-ended confusion - the Devil being the author of all confusion; 9: King Abdullah of Jordan finds it necessary to display the 'horned hand', or 'Devil's Salute' signal as he greets GRU-President Vladimir Putin; 10: The 'mano figo' a.k.a. 'fica gesture', is both a crude insult called the diablo symbol, and a satanic signal, an imagined defence against the evil eye (of Lucifer, also called the 'All-Seeing Eye'), and additionally, a sexual signal; 11: The 'mano comuto', a.k.a. the Devil's triad, 'icomuto', 'comuto', the horn, the horned Devil, the twin-horned salute, the horned hand, the 'Devil's Salute', and the 'Devil Horn Salute'. When the 'mainstream' US media actually noticed that the President of the United States, his wife and a daughter had seen fit to display these Satanic hand gestures during the Inauguration on 20th January 2005, a cover story was retailed for public consumption to the effect that the hand signal represents the 'Hook 'em Horns' gesture used by the fans of the University of Texas Longhorns. This 'line' was disseminated by Associated Press (which acts more or less as a US state news agency nowadays) and CNN - despite conclusive evidence, supported by academic authorities, that this gesture represents a celebration of, and a sign of obeisance to, the Devil, Satan, the Evil One. Beyond that, if the Texas University Longhorns perform this signal routinely, they salute the Devil routinely, too. Whether fans do this wittingly or not is irrelevant: that's what they are doing.

In his Inauguration speech, President Bush proclaimed: 'By our efforts, we have lit... a fire in the minds of men. It warms those who feel its power, it burns those who fight its progress, and one day this untamed fire of freedom will reach the darkest corners of our world'. What does this Luciferian statement mean in translation from the language of the hof-Illuminati? It rejoices in setting fires, which is a central preoccupation of the possessed and those in thrall to Lucifer - who, as the Author's late and dear friend Malachi Martin confirmed [page 7] 'have all passed through [initiation] that involves three things: the infliction of pain without flinching, the infliction of death without flinching, and the use of fire'. For initiates, the deaths in Iraq and those in New Orleans are just 'collateral damage'. ■

GEOMASONIC HANDSHAKE SIGNALS

GEOMASONIC HANDSHAKES: THE GRIPS OF THE BROTHERHOOD'

In the following sequence of pictures, taken from old press clippings (as reflected in their quality), some conspicuous geomasonic handshakes ('grips') are identified. A graphic summary of these 'grips' (labelled A-E) is given, with commentary, on page 737. Due to the relative imprecision of a few of these pictures, it is possible that one or more grips may be imperfectly identified: but the message of this presentation should be clear: the Illuminati inhabit their own secret synarchical world apart from the rest of us.

Numbered pictures above and at right: 1: The former US Ambassador to the United Nations, Mr Richard Holbrooke (Skull & Bones; left), greeting UN Secretary General Kofi Annan, pictured at a benefit event held on the 6th May 2004 for Refugees International, in Washington DC, as Queen Noor of Jordan looks on. Holbrooke and Annan perform the Lion's Paw grip; 2: Kim Jong-il and Kim De-jung [continued on page 736]:

[Continued from page 734]: (of the two Koreas), on 12th September 2000, display a Lion's Paw grip; 3: Tony Blair and Colonel Qaddafi demonstrate a somewhat lukewarm Pass Grip of a Master Mason, also known as the 'Shibboleth' friendship handshake, on 25th March 2004: this grip is used by Masons who are strangers to each other, to demonstrate their membership of the Illuminati 'Brotherhood'. This picture was accompanied by no less than three handshake close-ups on the front page of 'The Times' of London, as though Rupert Murdoch, owner of the newspaper, wished to make it clear to those whom Lenin referred to as 'the interested' that 'The Brotherhood' is in the driving seat, and orchestrates such rapprochements in accordance with its own agenda (depending on priorities and the 'correlation of forces'); 4: Tony Blair, a 'high' Mason, demonstrating to Mr Nastase of Romania, that he is a Master Mason, with Nastase basically remonstrating with the strength of his grip that he is really 'Mr Nasty'; 5: This extremely revealing picture shows the high-ranking Masonic status of both President Clinton and of the Lenin look-alike, Gerry Adams. This may be a Pass Grip of the Master Mason, or Tubal Cain. In the United States, Master Masons often wear a tie-pin with the image of a cane (walking stick) with two balls, which is a typically cynical Masonic play on words, with obscene overtones: such people routinely wear such tie-pins to church, since they are 'double-minded'. Masonry and Illuminism are wholly incompatible with True Christianity (though not, of course, with paganised Christianity/Churchianity as purveyed, regrettably, by most of the churches); 6: Nelson Mandela and F W De Klerk, 8th August 1990. The handshake-grip used here would appear to be the Strong Grip of

the Master Mason, or the Lion's Paw. De Klerk is alleged to have accepted a substantial US-funded 'facilitation payment' for his corrupt part in handing South Africa over to the criminalist South African Communist Party, fronted by the African National Congress. The corrupt monies were allegedly paid into one of his offshore accounts: that's how 'business is done' by the top Illuminati controllers of the New Underworld Order; 7: The late Egyptian President Anwar Sadat and Menachem Begin, with the 'high' Mason President Jimmy Carter looking on: the triple-grip on display here appears to have been a combined Lion's Paw handshake [13th September 1979]; 8: Churchill, Truman and Stalin, pictured on 23rd July 1945: Churchill seems to be displaying the Tubal Cain Master Mason's handshake-grip with President Truman, while Stalin appears to be using the Entered Apprentice grip: the old picture is hard to decipher, but it shows quite clearly that all three leaders were key members of the geomasonic Illuminati fraternity, 9: President Pervez Musharraf, President of Pakistan - a leading Illuminati operative - and Atal Vajpayee (of India), on 6th January 2002, doing a 'Shibolet', denoting new 'friendship', but mass slaughter if it is abandoned, 10-12: Three high-level demonstrations of the Lion's Paw grip [President Nixon and Chou-en-Lai, meeting on 21st February 1972; Yizhak Rabin and Yasser Arafat, with President Bill Clinton looking on: 13th September 1993; and Presidents Reagan and Gorbachev, see also Figure 2, page 10. All these pictures seek to demonstrate that this world is governed by the Illuminati. See Matthew 3, 8-11. ■

*Five Points of Fellowship:

Five is said to represent perfect intelligence, hence Pentagon and the Kabbalistic occult pentalpha. Performing the Five Points necessitates the Worshipful Master and candidate going foot to foot, knee to knee, hand to back, cheek to cheek or mouth to ear, whereupon the Master whispers Mah-Hah-Bone in the candidate's ear, which he then reciprocates. The overtones of this ritual are both obvious and repugnant.

G: SIGN OF A FELLOW CRAFT WITHOUT DUE GUARD, WHICH IS WHAT AMERICANS DO WHEN SALUTING THE FLAG AND STANDING FOR THE NATIONAL ANTHEM

'AS ABOVE, SO BELOW

In the mentally unstable and certifiable Luciferian occult construct in which the Masonic Illuminati operate, when the 'Orphic Egg' [see page XXXI] of 'Ancient Mysteries' mythology in the universe is 'broken', there are found to be three (3) energies, or 'phanes', resident within it. This is all lunatic, fantastic tripe and nonsense; but it is what these idiotic generational occultists 'profess' to believe.

The first of these 'phanes' is called three (or the letter I for Invisible or the Eye of the occultic all-seeing presence, i.e. of Lucifer: see the MI5 symbol in Figure 1 on page 3). Energy supposedly 'released' when the egg is 'broken' (exactly WHO breaks it is left unstated) remains, in the case of three where it is, As Above - while the other two 'phanes' or 'forces' descend to Earth, As Below. This 'As Above, So Below' gibberish is replicated in the common occult notion that God is both good and evil, and that Satan is part of him [see Figure 102 below]. This is ludicrously inconsistent with the parallel gibberish (or clashing lie) called Deism, which postulates falsely that God sleeps, so it is the privilege of the Illuminati to 'manage' the mechanistic universe that God created, before he fell asleep.

On Earth, the 'released' energy has split or metamorphosed into good against evil and evil against good. This is called 322, the presence of the god 3 in harmony ('As Above'), and the 2 mechanistic opposing 'seething energies' (22) released, and fighting for supremacy ('As Below'). When an orchestrated revolution, for instance, has been completed, 3, or harmony, is all that remains on Earth, 'As Above' (although, again, it is left unstated how 3 suddenly 'descends' to earth: presumably it 'fills the gap' left by the two self-destructed mechanistic 'energies', or 'phanes' - which will have fought each other to annihilation).

Translated from this mad nonsense into the contemporary global environment, the two competing 'phanes' that are struggling for power are two dialectical factions within the Illuminati - one being represented by the pan-German Nazi Illuminati 'line' (in geomasonic terms, the Illuminati-penet-rated Grand Orient), and the other being the 'Scottish' Rite Illuminati 'line' espoused by the (hated) and also equally deluded 'Anglo-Saxons'. Other 'dialectics' include the separate German Nazi-Zionazi conflict, and the rivalry/cooperation between the KGB and Deutsche Verteidigungs Dienst (DVD), Dachau.

Since the protagonists live in an occult environment at various stages of actual or prospective demonic possession, this Luciferian, invented pyramid of fantastic lies is, for them, reality; and since the factions of the sect of the Illuminati have penetrated the intelligence communities and certain structures of the key governments - on behalf of Satan, father of death - the havoc these evil people are consciously inflicting upon the world appears, for the time being, to have no limit.

Their world is mechanistic although they profess to believe in good and evil, this is a feint, since in a mechanistic world, everything is deterministic, with no distinction between good and evil accordingly being possible. Pursuant to this fundamental lie, they call evil good, and good evil, contrary to the Word of God through Isaiah: 'Woe unto them that call evil good, and good evil; that put darkness for light, and light for darkness, that put bitter for sweet, and sweet for bitter! Woe unto them that are wise in their own eyes, and prudent in their own sight' [Isaiah, Chapter 5, verses 20-21]. The sole product of these people is death: they are all themselves spiritually en route to death. Death is what 'they do'.

As they know that they themselves are doomed, their preoccupation is to bring everyone else down to the pit of perdition, with them. The obsession of some of these people with population reduction and mass slaughter - the false rationale being that this is the only way to 'save the planet' - is directly related to demonic infestation. They are indeed the most dangerous people on earth, regarding all casualties as 'collateral damage'.

Since, for the Illuminati, the occult mental state of decay into which they have fallen is reality, everything that is normal is unreal, expendable, ephemeral, transitional, temporary and ripe for 'change'. And having 'ascended' by Luciferian ritual initiations, they claim to have acquired 'authority' to reorder the 'mechanistic' world in accordance with their idea of 'what is best for Man', i.e. for the Brotherhood of the Illuminati. These are the same people who saw that Jesus Christ threatened their hegemony. He always will. Which is why True Christians are the Illuminati's 'Main Enemy', and why Weishaupt and many of his successors have acknowledged that the destruction of (TRUE) Christianity (which is impossible) is the 'top priority'. ■

Figure 102: This occult illustration shows the two interlaced triangles used today by Zionism as the (false) 'Star of David'. The image explains remarks by the Illuminati archivist Albert Lantoiné [see below] that Satan is an equal and indispensable part of God, as seen when the revolting picture is reversed. This is the meaning of 'What is above equals what is below', a.k.a. 'As Above, So Below'. This common occult idea that God is both good and evil, so that Satan is part of God, is a kabbalistic lie which suits the Illuminati because it justifies their ruthlessness, covetousness, lies and murderous behaviour generally. It is reported that Lantoiné told Pope Pius XII in August 1943 that 'the death of Satan will mark the agony of your God. You must accept alliance with Satan, and admit that he completes God.
