

In summary, a race of interbreeding bloodlines, a race within a race in fact, were centered in the Middle and Near East in the ancient world and, over the thousands of years since, have expanded their powers across the globe. A crucial aspect of this has been to create a network of mystery schools and secret societies to covertly introduce their agenda while, at the same time, **creating institutions like religions to mentally and emotionally imprison the masses and set them at war with each other.** The hierarchy of this tribe of bloodlines is not exclusively male and some of its key positions are held by women. But in terms of numbers it is overwhelmingly male and I will therefore refer to this group as [the Brotherhood](#). Even more accurately, given the importance of ancient Babylon to this story, I will also call it the **Babylonian Brotherhood**. The plan they term their 'Great Work of Ages', I will call the Brotherhood agenda.

I will refer to the **clay tablets**, therefore as [the Sumerian texts or tablets](#). They are one of the greatest historical finds imaginable and yet 150 years after they were discovered they are still ignored by conventional history and education. Why? Because they demolish the official version of events.... according to ([Zecharia Sitchin](#)) the texts say that the Sumerian civilization... was a "gift from the gods". Not mythical gods, but physical ones who lived among them. The tablets call these gods **the AN.UNNAK.KI** (Those from Heaven to Earth came), and [DIN.GIR](#) (The Righteous Ones of the Blazing Rockets). The ancient text known as [the book of Enoch](#) also calls the gods the "[Watchers](#)", as did the Egyptians. The Egyptian name for their Gods, the **Neteru**, literally translates as [Watchers](#) and they said that their gods came in heavenly boats.

According to **Zecharia Sitchin**, the tablets describe how **the Anunnaki** came from a planet called [Nibiru](#) (The Planet of the Crossing)... during the early formation of the solar system, Nibiru caused the near destruction of a planet that once existed between Jupiter and Mars. The Sumerians called it **Tiamat**, a planet they nicknamed the *Watery Monster*. They say that it was debris from Tiamat's collision with a **Nibiru moon** which created the [Great Band Bracelet](#) - the asteroid belt which is found between Mars and Jupiter. What remained of Tiamat was thrown into another orbit, the text says, and eventually became the Earth. The Sumerian name for the Earth means [Cleaved](#) one because a vast hole was created, they say, by the collision. Interestingly if you take away the water in the Pacific Ocean you will be left with a gigantic hole.

The more I weave together incredible amounts of information, the more it seems to me that we are talking of two distinct situations running side by side. There were other extraterrestrial races at large on the Earth, and still are, as well as the extraterrestrial race which the Sumerians called [the Anunnaki](#) and other ancient texts called **the serpent race**. In their physical expression, the Anunnaki are one of the many **inner-Earth races** which live underground in the enormous catacombs, caverns and tunnels below the surface. A [Hopi Indian legend](#) says that a very ancient tunnel complex exists under Los Angeles and this, they say, was occupied by a '**lizard**' race some 5,000 years ago.

In 1933 **G. Warren Shufelt**, an L.A. mining engineer, claimed to have found it. Today, it is said, some malevolent Freemasonic rituals are held in this tunnel complex. There has been a massive cover up by the authorities of the existence of these subterranean races and where they live. In 1909 a subterranean city which was built with the precision of the the Great Pyramid was **found by G. E. Kinkaid near the Grand Canyon in Arizona**. It was big enough to accommodate 50,000 people and mummified bodies found were of oriental or possibly Egyptian origin, according to the expedition leader **Professor S. A. Jordan**.

My own research suggests that it is from another dimension, the lower fourth dimension, that the reptilian control and manipulation is primarily orchestrated. Without understanding the multidimensional nature of life and the universe, it is impossible to follow the manipulation of the Earth by a non-human force. As open minded scientists are now confirming. Creation consists of an infinite number of frequencies or dimensions of life sharing the same space in the same way that radio and television frequencies do. At the moment you are tuned to the three-dimensional world or third dimension and so that is what you perceive as your reality.... It is from one of these other stations or dimensions, that the Serpent Race, the Anunnaki, is controlling this world by 'possessing' certain bloodline streams...

Other people know this as the lower astral dimension, the *legendary home of demons and malevolent entities* in their black magic rituals.... Then there are the experiences of **Cathy O'Brian**, the mind controlled slave of the United States Government for more than 25 years, which she details in her astonishing book, Trance Formation Of America, written with **Mark Phillips**. She was sexually abused as a child and an adult by a stream of famous people named in her book. Among them were the US Presidents, **Gerald Ford**, **Bill Clinton** and most appallingly, **George Bush**, a major player in the brotherhood, as my books and others have long exposed. It was Bush a paedophile and serial killer, who regularly abused and raped Cathy's daughter, Kelly O' Brian, as a toddler before her mother's courageous exposure of these staggering events forced the authorities to remove Kelly from the mind control program known as Project Monarch. **Cathy** writes in *Trance Formation of America* of how **George Bush** was sitting in front of her in his office in Washington DC when he opened up, a book at a page depicting "lizard-like aliens from a far off, deep space place". **Bush** then claimed to be an 'alien' himself and appeared, before her eyes, to transform 'like chameleon' into a reptile.... I know other people who have seen **George Bush shape-shift into a reptilian**.

At the start of the (coronation) ceremony in 1953, **the Queen** sat on the Coronation Chair and under her bum was the Stone of Destiny (click image right) which Edward I had stolen from Scone (pronounced 'scoon') Abby in 1246. The stone was supposed to

have been brought from Ireland from Israel via Egypt and is also known as Jacob's Pillar or Pillow.... The oil at the Queen's coronation was the same mixture as that used in the ancient Middle East. It was carried in a gold vessel called the Ampulla made in the form of a... dove... The anointing at the Coronation is supposed to elevate the monarch to the rank of **High Priest**, in this case, appropriately, High Priestess of the Church of England as well as head of state....

Today there is an added challenge for would be assassins and assassination plots with the 'traffic' cameras that are located all over cities.. It would have been impossible to keep secret the methods and personnel used to kill **Diana** if the whole thing was being videoed. But when you are the brotherhood with connections at the highest levels in politics, police and intelligence agencies, the traffic cameras are no such problem. You simply turn them off!

There are 17 traffic cameras on the route between the Ritz and the Pont de L'Alma, including those inside the tunnel itself... Never before in Paris had the whole system malfunctioned at the same time and the police refuse to explain what happened.... suddenly, at 12:20am, all the lines went down.

"There was a radio blackout. It lasted for 20 mins and then... there was a mass of radio traffic as people all wanted to talk at once"...

Another official excuse for the delay is that the emergency doctors had to give her a blood transfusion.

This is another lie, lie, lie.

SAMU teams do not carry blood transfusion equipment because they would not know the victim's blood type. When the ambulance did leave the tunnel, the driver was ordered to go no faster than 25 miles an hour....when Diana arrived... **Professor Alain Pavie**, a chest and heart specialist, and **Professor Pierre Benazet**, another experienced surgeon...we are told... opened Diana's chest cavity, repaired the vein, and 'battled to save her' for an hour and a half before admitting defeat. I find this remarkable, also, because the autopsy report apparently shows that **Diana** was clinically dead at 12:45am while still lying in the tunnel... **Petal** says that he was overtaken by the Mercedes... He said,

"he was at the scene for about a minute before climbing back on his bike to ring the police. He told them that Diana had been in an accident, but they laughed and told him to stop wasting their time. In despair at this, he rode to the police station in Avenue Mozart."

His lawyer, **Antoine Deguines**, says that Petal was kept waiting for 25 minutes and taken into a backroom where he was handcuffed. For reporting an 'accident'... whilst researching this book I was introduced to **Christine Fitzgerald**, a brilliant and gifted healer, who was a close friend and confidant of **Diane** for nine years... Diane was able to talk to her about matters she

would not dare share with anyone else for fear of being dubbed crazy.

It is clear that **Diana** knew about the true nature of the royal family's genetic history and the reptilian control. Her nicknames for the Windsors were the "**lizards**" and the "**reptiles**" and she used to say in all seriousness:

"They're not human"...

The brotherhood obsession with **Scotland**, she said, was because there are many entrances there into inner-Earth where the physical reptiles live... She said that during the **sacrificial rituals** the Queen wears a cloak of gold fabric inlaid with rubies and black onyx. The Queen and Charles have their own ritual goblets, inlaid with precious stones signifying their Illuminati-Brotherhood rank. The **Mother Goddess** says that that queen makes cruel remarks about lesser initiates, but is afraid of a man code-named '**Pindar**' (The Marquis de Libeaux) who is higher in the Satanic hierarchy.

Page 478....

The Brotherhood have technology to mess with the weather and they use it, no doubt about that. We have seen nothing yet. Enormous changes in climate patterns and extremes of weather are likely in this period, along with geological effects as the Earth restructures herself and prepares her body for the shift in the same way that humans are having to do.

We and the Earth are being challenged to synchronise our consciousness and its physical expression with the rapidly accelerating frequencies now bathing the planet. **The Brotherhood** are seeking desperately to hide these facts by blaming the weather changes on the '*Greenhouse Effect*' or '*El Nino*'.

They know that once people realize that something very different is happening the dominoes will fall and the game will be up. It was the Brotherhood who created the New Age Movement to divert the awakening. The term **New Age** is the name of a Freemasonic magazine. A mind controlled slave of the American Government, now recovering, confirmed to me that the New Age was launched covertly by the brotherhood and others.

Whenever I have made these points, New Agers have dismissed the idea because, they say, **the Brotherhood** would not want the people to encompass a different view of life. No, not in an ideal world they wouldn't, but this is not an ideal world for them because the energy changes are waking people up. The Brotherhood knew this was coming and what its affect would be. They couldn't jump in a spacecraft and fiddle with the Sun or go into the centre of the galaxy to switch off the new vibration.

Their only alternative was to hijack the awakening consciousness and lead it into another cul-de-sac, another rules-and-regulations-religion, where it would be no threat to the Brotherhood Agenda. This they have done with the New Age Movement.

There are some very sensible and aware people within the New Age doing some great work,

but so many others are in denial of what is going on in the world. They are being misled by other dimensional entities, Brotherhood transmissions on the psychic frequencies and channelled communications from the lower fourth dimension. They sit around their candles or wait for an extraterrestrial Ashtar Command to come and whisk them off the planet in a spaceship. **Ashtar** is a Brotherhood concoction and a play on words with ancient deities like Ashteroth and Ishtar, another name for **Queen Semiramis**.

Much of the New Age mentality will not even talk about the Brotherhood manipulation because 'it's negative'. Yes it is and it will stay that way until we acknowledge it and change it.

We are clearly being prepared for revelations about these entities, because the highly charged, higher frequency energies will increase dramatically the number of people who see these entities of the lower fourth dimension. They need the microchipped control in place before they are seen openly as the vibrational changes advance.

The changes are taking away their vibrational cover and the truth has to come out. In preparation for this there is a very long list of movies and television programmes for adults and children about humanoids, friendly and otherwise. I have mentioned *The Arrival* and *V.. The Final Battle*, but there are many more. In *Stargate*, the story of time-travelling to an ancient Egypt controlled by extraterrestrials, the possible nature of the 'alien' is revealed when his skin is ripped away at the end. *Stargate: SG-1* continues the theme of entities occupying human form; Steven Spielberg's *Jurassic Park* and *Lost World* bring dinosaurs back.

For a long time **the Brotherhood** has been preparing to stop humanity making the consciousness shift.
