

To weaken the moral fiber of the nation and to demoralize workers in the labor class by creating mass unemployment. As jobs dwindle due to the post industrial zero growth policies introduced by [the Club of Rome](#), the report envisages demoralized and discouraged workers resorting to alcohol and drugs. The youth of the land will be encouraged by means of rock music and drugs to rebel against the status quo, thus undermining and eventually destroying the family unit. In this regard, the Committee commissioned **Tavistock Institute** to prepare a blueprint as to how this could be achieved. [Tavistock](#) directed [Stanford Research](#) to undertake the work under the direction of Professor **Willis Harmon**. This work later became known as the "Aquarian Conspiracy".

---[Targets of the Illuminati and the Committee of 300](#) by **Dr. John Coleman**.

Tavistock, England

--This has been the primary programming center for England. The [Rothschild programmers](#) work out of [Tavistock](#). A large number of slaves in America have been programmed there. **Tavistock** has been doing mind-control since before W.W.II. Under the supervision of London's W Board & 20 Committee MI6 and MIS's Section BIA ran double agents and mind-controlled spies/couriers during W.W. II. **MI6** has had an office at Century House, No. 100, Westminster Bridge Road. **MI5** offices have been in part on Curzon St. MI5 has operated behind a number of fronts, incl. their fake travel agency Casuro Holidays. MI-5's address for mail is Room 055, The War Office, London. Special Intelligence Service (SIS) dealt with all types of mind control. Tavistock was under SIS. The British government has had their own telephone exchange with a 222 prefix, which was later linked to another secret exchange YTAN. Outsiders could dial 222 8080 to get into the secret govt. exchange.

The *Royal Free Hospital* at the University of London works with [Tavistock Clinic](#), as well as the *Science Policy Research Unit (SPRU)* of Sussex University. A large number of Britain's psychologist, social workers and police get their training at **Tavistock**. Tavistock has set themselves up as the [authority on ritual abuse and MPD \(DID\)](#). In other words, the primary programming site, is pretending to be the leading institution trying to solve the problem! That's a good cover.

[The Illuminati Formula Appendix I: The Programmers](#)

Because of the intensive artillery barrages of World War I, many soldiers were permanently impaired by shell shock. In 1921, the **Marquees of Tavistock**, *11th Duke of Bedford*, gave a

building to a group which planned to conduct rehabilitation programs for shell shocked British soldiers. The group took the name of "**Tavistock Institute**" after its benefactor. The General Staff of the British Army decided it was crucial that they determine the breaking point of the soldier under combat conditions. The *Tavistock Institute* was taken over by **Sir John Rawlings Reese**, head of the British Army Psychological Warfare Bureau.

A cadre of highly trained specialists in psychological warfare was built up in total secrecy. In fifty years, the name "Tavistock Institute" appears only twice in the Index of the *New York Times*, yet this group, according to **LaRouche** and other authorities, organized and trained the entire staffs of the Office of Strategic Services (**OSS**), the Strategic Bombing Survey, Supreme Headquarters of the Allied Expeditionary Forces, and other key American military groups during World War II. During World War II, the Tavistock Institute combined with the medical sciences division of the Rockefeller Foundation for *esoteric experiments with mind-altering drugs*. The present drug culture of the United States is traced in its entirety to this Institute, which supervised the Central Intelligence Agency's training programs.

The "**LSD counter culture**" originated when **Sandoz A.G.**, a Swiss pharmaceutical house owned by *S.G. Warburg & Co.*, developed a new drug from lysergic acid, called LSD. **James Paul Warburg** (son of Paul Warburg who had written the *Federal Reserve Act* in 1910), financed a subsidiary of the Tavistock Institute in the United States called the Institute for Policy Studies, whose director, **Marcus Raskin**, was appointed to the National Security Council. James Paul Warburg set up a CIA program to experiment with LSD on **CIA** agents, some of whom later committed suicide. This program, **MK-Ultra**, supervised by **Dr. Gottlieb**, resulted in huge lawsuits against the United States Government by the families of the victims.

The *English Tavistock Institute* has not restricted its activities to left-wing groups, but has also directed the programs of such supposedly "conservative" American think tanks as the:

- Herbert Hoover Institute at Stanford University
- Heritage Foundation
- Wharton
- Hudson
- Massachusetts Institute of Technology
- Rand

The "sensitivity training" and "sexual encounter" programs of the most radical California groups such as **Esalen Institute** and its many imitators were all developed and implemented by **Tavistock Institute** psychologists.

One of the rare items concerning the *Tavistock Institute* appears in *Business Week*, Oct. 26, 1963, with a photograph of its building in the most expensive medical offices area of London. The story mentions "the Freudian bias" of the Institute, and comments that it is amply financed by British blue-chip corporations, including Unilever, British Petroleum, and Baldwin Steel. According to *Business Week*, the psychological testing programs and group relations training programs of the Institute were implemented in the United States by the University of Michigan and the University of California, which are hotbeds of radicalism and the drug network.

It was the **Marquees of Tavistock**, 12th Duke of Bedford, whom **Rudolf Hess** flew to England to contact about ending World War II. Tavistock was said to be worth \$40 million in 1942. In 1945, his wife committed suicide by taking an overdose of pills.

APPENDIX I - SECRETS OF THE FEDERAL RESERVE By **Eustace Mullins**

Research into the use of microwave weapons and their use for mind control began in 1950s at the **Tavistock Institute**, one of Britain's leading psychiatric research establishments. The UK institute was researching into ways of mind controlling the British population without them knowing. The *monkey submission response*, whereby the dominant monkey caused submissive behaviour in the underlings, was the brain state of most interest to the British scientists. Having found this specific brain rhythm for docile submissive, zombie-like behaviour, it was then recorded and used as the template for the ELF signal beamed on UK microwave transmitters. Britain was the first discoverer of microwave technology, used for radar, in the 1940s and therefore had a commanding lead over everyone else in this field.

MICROWAVE MIND CONTROL by **Tim Rifat**

Tavistock, England

--Men like mind-control expert/hypnotist **Eric Trist** worked for Tavistock. A six-man team which wore black berets also helped w/ mind control at Tavistock.

Two people who became terrorists after their visits to Tavistock are **Angela Davis** and **Stockley Carmichael** who went to a conference at Tavistock entitled *Dialectics of Liberation* in 1967. It's main building is a bland 6-story building. The address is The Training Office, The Tavistock Clinic, 120 Belsize Lane, London, UK NWs SBA. Tel. no. 071-435 7111. The chief exec. is Anton Obholzer. The Chair of Prof. Comm. is Nicholas Temple.

Both are skilled in psychology. The Tavistock Clinic was founded in 1920, and in 1946 the **Tavistock Institute** was created as an independent body to assist the Tavistock Clinic. The

Institute does more of the research. The Royal Free Hospital at the University of London works with Tavistock Clinic, as well as the Science Policy Research Unit (SPRU) of Sussex University. A large number of Britain's psychologist, social workers and police get their training at Tavistock. Tavistock has set themselves up as the *authority on ritual abuse and MPD (DID)*. In other words, the primary programming site, is pretending to be the leading institution trying to solve the problem! That's a good cover.
