All dues shall be paid annually — or semi-annually in equal instalments at the option of the members — in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

### III

There shall be a Board of eighteen Directors. The Board shall be divided into three classes of six Directors each, each class to serve for three-year terms and until their successors are elected. At each annual meeting of the Council there shall be elected six Directors to replace the outgoing class. The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting.

A majority of the members of the Council shall constitute a quorum for the transaction of business. Members may be represented by proxy.

The Board may constitute such committees of the Council as may from time to time be required, including an Executive Committee, a Finance and Budget Committee, a Membership Committee, and a Committee on Studies.

The Finance and Budget Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall have general supervision of the investment of the funds of the Council and of its financial affairs, and shall present the budget at the annual meeting of the Board. In connection with the preparation of the budget, it shall be the duty of this Committee to allocate charges to the various departments and activities of the Council.

The Membership Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall report at each regular meeting of the Board on all nominations for membership. The Membership Committee shall also act as a nominating committee to present names for officers and committee members at the annual meeting of the Board of Directors.

The Committee on Studies shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed four additional members, who need not necessarily be members of the Board of Directors. All suggestions relating to matters of research shall be referred to it, and it shall be responsible for the initiation of research projects. The Committee on Studies shall submit a report of its activities in writing at the annual meeting of the Board.

The President (or in his absence the Vice-President) shall have power in the absence of the Executive Director to appoint an Acting Executive Director, and in the absence of the Treasurer or the Secretary to appoint from the Directors an Acting Treasurer or Acting Secretary with authority to sign checks in all cases in which the Executive Director, the Treasurer, or the Secretary, respectively, is so authorized.

IX

The annual meeting of the Board of Directors shall be held after the annual meeting of the Council and not later than November 15th. Seven Directors shall constitute a quorum for the transaction of business at any regular or special meeting of the Board of Directors.

survived its infancy and, while it may not yet have attained its full stature, it has made steady growth. Its officers and members have no illusions about the difficulty and importance of the work which it must attempt to do. International relations covers the entire range of human endeavor. However, despite its complexity, the subject must be understood. A peaceful and prosperous world must be organized or civilization, as we have known it, will perish.

#### 25TH ANNIVERSARY FUND

To mark the completion of the first quarter-century of work the Council undertook two tasks: (1) to publish a record of its history, aims and accomplishments; and (2) to raise a 25th Anniversary Fund for the support of its scholarly work for a period of five years. The first of these tasks has been completed. "The Council on Foreign Relations 1921-1946" was published in May, and copies have been distributed to members. The second task was initiated by a letter to the members of the Council signed by Mr. John W. Davis, Chairman of the 25th Anniversary Committee, and substantial progress has been made in assembling the \$225,000 needed. The members and friends of the Council who have thus far subscribed to the fund are listed below with grateful appreciation:

#### WAR AND PEACE STUDIES DOCUMENTS

The work of research which was carried on by the Council for the Department of State during the

war years has been described in previous reports. After consultation with the Department and with the experts who carried on these studies it was decided to make available to scholars and historians the hitherto confidential memoranda (except for a few which must still be withheld for security reasons) that had been prepared. When the documents were originally issued, 50 extra copies were made with this eventual distribution in mind. Complete sets totalling 390 documents each have been presented to the following leading libraries throughout the United States:

 College of the City of New York

II

There shall be no entrance dues. Resident members shall pay \$125 per annum, except that those members who are thirty-five years of age and under shall pay \$50 per annum, and that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$25 per annum; non-resident members shall pay \$50 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$10 per annum. All dues shall be paid annually—or semi-annually in equal instalments at the option of the members—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

III

There shall be a Board of twenty-one Directors. The Board shall be divided into three classes of seven Directors each, each class to serve for three-year terms and until their successors are elected. At each annual meeting of the Council there shall be elected seven Directors to replace the outgoing class. The Board shall have power to fill, for the unexpired term, any vacancy that may occur in its own body. A Director absent from meetings of the Board for a period of two successive years shall be considered to have submitted his resignation from the Board.

IV

The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting.

A majority of the members of the Council shall constitute a quorum for the transaction of business. Members may be represented by proxy.

v

The Board shall constitute such committees of the Council as may from time to time be required, including an Executive Committee, a Finance and Budget Committee, a Membership Committee, and a Committee on Studies.

The Finance and Budget Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall have general supervision of the investment of the funds of the Council and of its financial affairs, and shall present the budget at the annual meeting of the Board. In connection with the preparation of the budget, it shall be the duty of this Committee to allocate charges to the various departments and activities of the Council.

The Membership Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall report at each regular meeting of the Board on all nominations for membership. The Membership Committee shall also act as a nominating committee to present names for officers and committee members at the annual meeting of the Board of Directors.

The Committee on Studies shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed four additional members, who need not necessarily be members of the Board of Directors. All suggestions relating to matters of research shall be referred to it, and it shall be responsible for the initiation of research projects. The Committee on Studies shall submit a report of its activities in writing at the annual meeting of the Board.

vi

The officers of the corporation shall be a Chairman of the Board, a President, one or more Vice-Presidents, a Secretary, a Treasurer, and an Assistant Treasurer, who shall be elected annually by the Board of Directors.

The Chairman of the Board shall preside at all meetings of the Board of Directors.

The President, in the absence of the Chairman of the Board, shall preside at all meetings of the Board of Directors, may call meetings of the same, and shall have general executive direction of the corporation.

The Vice-Presidents in order of seniority shall discharge the duties of the President in his absence, and shall perform such other duties as from time to time shall be assigned them by the Board of Directors.

The Treasurer shall have custody of the funds of the corporation.

The Secretary shall conduct the correspondence of the corporation, and shall keep its records.

vii

The Board shall annually appoint an Executive Director or Executive Directors. The Board shall fix the compensation and assign the duties of the Executive Director or Executive Directors.

viii

The funds of the corporation and of FOREIGN AFFAIRS shall be deposited

with trust companies or banking institutions designated by the Board of Directors, or shall be invested by the Finance and Budget Committee. Disbursements shall be made only upon checks or vouchers approved by the Treasurer or the Assistant Treasurer, and either the Executive Director or the Editor of FOREIGN AFFAIRS. The President (or in his absence the Vice-President) shall have power in the absence of the Executive Director to appoint an Acting Executive Director, and in the absence of the Treasurer to appoint from the Directors an Acting Treasurer with authority to sign checks in all cases in which the Executive Director or the Treasurer, respectively, is so authorized.

ix

The annual meeting of the Board of Directors shall be held after the annual meeting of the Council and not later than November 15th. Seven Directors shall constitute a quorum for the transaction of business at any regular or special meeting of the Board of Directors.

x

These By-Laws may be amended at any meeting of the Board of Directors, provided notice of the proposed amendment shall have been given at a previous meeting or circulated in writing to the members of the Board not less than five days in advance.

COUNCIL ON FOREIGN RELATIONS

ANNUAL REPORT  
OF THE  
EXECUTIVE DIRECTOR

1949 - 1950

WITH  
LIST OF MEMBERS AND BY-LAWS

THE HAROLD PRATT HOUSE  
FIFTY-EIGHT EAST SIXTY-EIGHTH STREET  
*New York*

1950

Dr. Duggan contributed several notable articles to *Foreign Affairs*, he presided at meetings with grace and distinction, he gave unstintingly of his time and energy to all the affairs of the Council—no Director has ever had a better record of attendance at meetings. His great interest and friendly help will be sadly missed. The Secretary was directed to spread these words of appreciation on the minutes as a mark of gratitude from his fellow members and to send a copy to Dr. Duggan's family.

---

No report of the Council's work would be complete without paying tribute to the loyalty and helpfulness of the members of the Board of Directors who have given time, thought, and financial support to all its activities; to the many members who have presided at meetings and participated in the study groups; and to the devoted staff which day in and day out has carried the Directors' plans into effect. To all of these, and to the Foundations and individuals who have provided the funds without which none of these accomplishments would have been possible, the Council gives hearty thanks.

Respectfully submitted,

WALTER H. MALLORY  
Executive Director

Staff on temporary appointment as Acting Assistant Librarian.

The Librarian continues to serve as a member of the Advisory Board for the *U.S. Quarterly Book Review*, published by the Library of Congress, and as a consulting editor of the *Library Journal*. She has also taken over Mr. Wasson's column on U.N. Documents in the *Library Journal*. She has continued to serve as Chairman of the Committee on Constitution and By-Laws of the Special Libraries Association and served as a panel member in a discussion of bibliographical control at the Association's 1951 convention in St. Paul.

\* \* \* \*

Once again it is a pleasure to make acknowledgment of the interest and help of the members of the Board of Directors and of the officers of the Council. They have devoted time, thought and money to the work; and the close supervision which they have given, particularly through the Standing Committees, has made possible the high standards which the organization has achieved. To them and to the highly competent and devoted staff is due the growth, quality, and increasing influence of the Council's work.

Respectfully submitted,  
WALTER H. MALLORY  
Executive Director

### I

The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors.

Resident members shall be limited to six hundred in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U. S. A.

Non-resident members shall be limited to five hundred, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U. S. A.

The Board of Directors in its discretion may elect honorary members.

### II

There shall be no entrance dues. Resident members shall pay \$125 per annum, except that those members who are thirty-five years of age and under shall pay \$50 per annum, and that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$25 per annum; non-resident members shall pay \$50 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$10 per annum. All dues shall be paid annually—or semi-annually in equal installments at the option of the members—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

### III

There shall be a Board of twenty-one Directors. The Board shall be divided into three classes of seven Directors each, each class to serve for three-year terms and until their successors are elected. At each annual meeting of the Council there shall be elected seven Directors to replace the outgoing class. The Board shall have power to fill, for the unexpired term, any vacancy that may occur in its own body. A Director absent from meetings of the Board for a period of two successive years shall be considered to have submitted his resignation from the Board.

### IV

The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting.

[ 65 ]

A majority of the members of the Council shall constitute a quorum for the transaction of business. Members may be represented by proxy.

V

The Board shall constitute such committees of the Council as may from time to time be required, including an Executive Committee, a Finance and Budget Committee, a Membership Committee, and a Committee on Studies.

The Finance and Budget Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall have general supervision of the investment of the funds of the Council and of its financial affairs, and shall present the budget at the annual meeting of the Board. In connection with the preparation of the budget, it shall be the duty of this Committee to allocate charges to the various departments and activities of the Council.

The Membership Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall report at each regular meeting of the Board on all nominations for membership. The Membership Committee shall also act as a nominating committee to present names for officers and committee members at the annual meeting of the Board of Directors.

The Committee on Studies shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed four additional members, who need not necessarily be members of the Board of Directors. All suggestions relating to matters of research shall be referred to it, and it shall be responsible for the initiation of research projects. The Committee on Studies shall submit a report of its activities in writing at the annual meeting of the Board.

VI

The officers of the corporation shall be a Chairman of the Board, a Vice-Chairman of the Board, a President, one or more Vice-Presidents, a Secretary, a Treasurer, and an Assistant Treasurer, who shall be elected annually by the Board of Directors.

The Chairman of the Board, or in his absence the Vice-Chairman, shall preside at all meetings of the Board of Directors.

The President may call meetings of the Board, and shall have general executive direction of the corporation.

The Vice-Presidents in order of seniority shall discharge the duties of the President in his absence, and shall perform such other duties as from time to time shall be assigned them by the Board of Directors.

The Treasurer shall have custody of the funds of the corporation.

The Secretary shall conduct the correspondence of the corporation, and shall keep its records.

VII

The Board shall annually appoint an Executive Director or Executive Directors. The Board shall fix the compensation and assign the duties of the Executive Director or Executive Directors.

VIII

The funds of the corporation and of FOREIGN AFFAIRS shall be deposited with trust companies or banking institutions designated by the Board of Directors, or shall be invested by the Finance and Budget Committee. Disbursements shall be made only upon checks or vouchers approved by the Treasurer or the Assistant Treasurer, and either the Executive Director or the Editor of FOREIGN AFFAIRS. The President (or in his absence the Vice-President) shall have power in the absence of the Executive Director to appoint an Acting Executive Director, and in the absence of the Treasurer to appoint from the Directors an Acting Treasurer with authority to sign checks in all cases in which the Executive Director or the Treasurer, respectively, is so authorized.

IX

The annual meeting of the Board of Directors shall be held after the annual meeting of the Council and not later than November 15th. Seven Directors shall constitute a quorum for the transaction of business at any regular or special meeting of the Board of Directors.

X

These By-Laws may be amended at any meeting of the Board of Directors, provided notice of the proposed amendment shall have been given at a previous meeting or circulated in writing to the members of the Board not less than five days in advance.

Resident members shall be limited to six hundred in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U. S. A.

Non-resident members shall be limited to five hundred, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U. S. A.

The Board of Directors in its discretion may elect honorary members.

### II

There shall be no entrance dues. Resident members shall pay \$125 per annum, except that those members who are thirty-five years of age and under shall pay \$50 per annum, and that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$25 per annum; non-resident members shall pay \$50 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$10 per annum. All dues shall be paid annually—or semi-annually in equal installments at the option of the members—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

### III

There shall be a Board of twenty-one Directors. The Board shall be divided into three classes of seven Directors each, each class to serve for three-year terms and until their successors are elected. At each annual meeting of the Council there shall be elected seven Directors to replace the outgoing class. The Board shall have power to fill, for the unexpired term, any vacancy that may occur in its own body. A Director absent from meetings of the Board for a period of two successive years shall be considered to have submitted his resignation from the Board.

### IV

The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting.

## BY-LAWS

### I

The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors.

Resident members shall be limited to six hundred and seventy-five in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U.S.A.

Non-resident members shall be limited to five hundred, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U.S.A.

The Board of Directors in its discretion may elect honorary members.

A member may be dropped from membership by a unanimous vote of those attending a regular meeting of the Board of Directors at which a quorum is present and voting.

### II

There shall be no entrance dues. Resident members shall pay \$200 per annum, except that those members who are forty years of age and under shall pay \$100 per annum, and that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$40 per annum; non-resident members shall pay \$75 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$20 per annum. All dues shall be paid semi-annually—in equal installments—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

### III

There shall be a Board of twenty-one Directors. The Board shall be divided into three classes of seven Directors each, each class to serve for three-year terms and until their successors are elected. At each annual meeting of the Council there shall be elected seven Directors to replace the outgoing class. The Board shall have power to fill, for the unexpired term, any vacancy that may occur in its own body. A Director absent from meetings of the Board for a period of two successive years shall be considered to have submitted his resignation from the Board.

### IV

The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting.

A majority of the members of the Council shall constitute a quorum for the transaction of business. Members may be represented by proxy.

V

The Board shall constitute such committees of the Council as may from time to time be required, including an Executive Committee, a Finance and Budget Committee, a Membership Committee, a Nominating Committee, and a Committee on Studies.

The Finance and Budget Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall have general supervision of the investment of the funds of the Council and of its financial affairs, and shall present the budget at the annual meeting of the Board. In connection with the preparation of the budget, it shall be the duty of this Committee to allocate charges to the various departments and activities of the Council.

The Membership Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed four additional members, who need not necessarily be members of the Board of Directors. It shall report at each regular meeting of the Board on all nominations for membership.

The Nominating Committee shall be composed of three members of the Board of Directors elected at the annual meeting of the Board. It shall present names for directors, officers and committee members.

The Committee on Studies shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed five additional members, who need not necessarily be members of the Board of Directors. All suggestions relating to matters of research shall be referred to it, and it shall be responsible for the initiation of research projects. The Committee on Studies shall submit a report of its activities in writing at the annual meeting of the Board.

VI

The officers of the corporation shall be a Chairman of the Board, a Vice-Chairman of the Board, a President, one or more Vice-Presidents, a Secretary, a Treasurer, and an Assistant Treasurer, who shall be elected annually by the Board of Directors.

The Chairman of the Board, or in his absence the Vice-Chairman, shall preside at all meetings of the Board of Directors.

The President may call meetings of the Board, and shall have general executive direction of the corporation.

The Vice-Presidents in order of seniority shall discharge the duties of the President in his absence, and shall perform such other duties as from time to time shall be assigned them by the Board of Directors.

The Treasurer shall have custody of the funds of the corporation.

The Secretary shall conduct the correspondence of the corporation, and shall keep its records.

VII

The Board shall annually appoint an Executive Director or Executive Directors. The Board shall fix the compensation and assign the duties of the Executive Director or Executive Directors.

VIII

The funds of the corporation and of FOREIGN AFFAIRS shall be deposited with trust companies or banking institutions designated by the Board of Directors, or shall be invested by the Finance and Budget Committee. Disbursements shall be made only upon checks or vouchers approved by the Treasurer or the Assistant Treasurer, and either the Executive Director or the Editor of FOREIGN AFFAIRS. The President (or in his absence the Vice-President) shall have power in the absence of the Executive Director to appoint an Acting Executive Director, and in the absence of the Treasurer to appoint an Acting Treasurer with authority to sign checks in all cases in which the Executive Director or the Treasurer, respectively, is so authorized.

IX

The annual meeting of the Board of Directors shall be held after the annual meeting of the Council and not later than November 15th. Seven Directors shall constitute a quorum for the transaction of business at any regular or special meeting of the Board of Directors.

X

These By-Laws may be amended at any meeting of the Board of Directors, provided notice of the proposed amendment shall have been given at a previous meeting or circulated in writing to the members of the Board not less than five days in advance.
