## BY - LAWS

### I

The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors.

Resident members shall be limited to seven hundred in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U.S.A.

Non-resident members shall be limited to seven hundred, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U.S.A.

The Board of Directors in its discretion may elect honorary members.

A member may be dropped from membership by a unanimous vote of those attending a regular meeting of the Board of Directors at which a quorum is present and voting.

### II

There shall be no entrance dues. Resident members shall pay \$200 per annum, except that those members who are forty years of age and under shall pay \$100 per annum, and that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$40 per annum; non-resident members shall pay \$75 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$20 per annum. All dues shall be paid semi-annually—in equal installments—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

### III

There shall be a Board of twenty-one Directors. The Board shall be divided into three classes of seven Directors each, each class to serve for three-year terms and until their successors are elected. At each annual meeting of the Council there shall be elected seven Directors to replace the outgoing class. The Board shall have power to fill, for the unexpired term, any vacancy that may occur in its own body. A Director absent from meetings of the Board for a period of two successive years shall be considered to have submitted his resignation from the Board.

### IV

The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting.

A majority of the members of the Council shall constitute a quorum for the transaction of business. Members may be represented by proxy.

## BY-LAWS

### I

The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors.

Resident members shall be limited to seven hundred in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U.S.A.

Non-resident members shall be limited to seven hundred, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U.S.A.

The Board of Directors in its discretion may elect honorary members.

A member may be dropped or suspended from membership by a unanimous vote of those attending a regular meeting of the Board of Directors at which a quorum is present and voting, for any violation of the By-Laws or rules or regulations of the Board of Directors, or for any conduct even though not in actual violation of a By-Law or rule which, in the opinion of the Board, is nevertheless prejudicial to the best interests, reputation and proper functioning of the Council.

### II

It is an express condition of membership in the Council, to which condition every member accedes by virtue of his membership, that unless expressly stated by an Officer of the Council to the contrary, all proceedings at the Council's afternoon and dinner meetings as well as study and discussion groups are confidential; and any disclosure or publication of statements made at such meetings or attribution to the Council of information, even though otherwise available, is contrary to the best interests of the Council and may be regarded by the Board of Directors in its sole discretion as ground for termination or suspension of membership pursuant to Article I of the By-Laws.

### III

There shall be no entrance dues. Resident members shall pay \$200 per annum, except that those members who are forty years of age and under shall pay \$100 per annum, and that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$40 per annum; non-resident members shall pay \$75 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$20 per annum. All dues shall be paid semi-annually — in equal installments — in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

### IV

There shall be a Board of twenty-one Directors. The Board shall be divided into three classes of seven Directors each, each class to serve for three-year terms and until their successors are elected. At each annual meeting of the Council there shall be elected seven Directors to replace the outgoing class. The Board shall have power to fill, for the unexpired term, any vacancy that may occur in its own body. A Director absent from meetings of the Board for a period of two successive years shall be considered to have submitted his resignation from the Board.

---

## INCOME AND SOURCES OF INCOME

## COUNCIL EXPENSES

# MEMBERSHIP

FOR THE first time in the history of the Council both the resident and non-resident groups had virtually reached their respective limits of 700 at the same time. The non-resident group increased by 12 (from 684 to 696) and the resident by 8 (from 687 to 695). As in the past, these numbers fluctuated constantly with almost daily transfers from one group to the other, with the admission of new members, and with the loss of old.

The growth in the non-resident group is mainly due to the many members who are now serving the Government abroad or in Washington. The resident group continues to have many new applicants at each Membership Committee meeting, with a large backlog of candidates waiting to be admitted. In addition, there is now a waiting-list for non-resident candidates.

The membership breakdown is as follows:

	July 1 1961	July 1 1962
Regular Resident	477	480
Resident Academic	187	194
Resident Junior	23	21
Regular Non-Resident	267	270
Non-Resident Academic	417	426

TOTAL 1,371 1,391

Lorna Brennan

*Membership Secretary*

# MEMBERSHIP

The Membership Committee continues to be faced with the difficulty of making selections from the many new nominees at each meeting, as well as from the growing waiting-list of applicants in both the resident and non-resident groups. Recognizing the need for some flexibility in order to bring into the membership individuals with qualifications not adequately represented at present, the Board of Directors, on the recommendation of the Membership Committee, voted at its meeting on April 30, 1963, to increase the resident and non-resident membership limits each from 700 to 725. It was understood, however, that these additional places would be used sparingly and only on the recommendation of special sub-committees.

The membership figures are as follows:

	July 1 1962	July 1 1963
Resident	695	692
Non-Resident	696	703
<b>TOTAL</b>	<b>1,391</b>	<b>1,395</b>

The momentary decrease in the resident total is due to the unusually large number of members from the New York area who are undertaking government service in Washington or abroad.

Lorna Brennan  
Membership Secretary

# BY-LAWS

## I

The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors.

Resident members shall be limited to seven hundred and twenty-five in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U.S.A.

Non-resident members shall be limited to seven hundred and twenty-five, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U.S.A.

The Board of Directors in its discretion may elect honorary members.

A member may be dropped or suspended from membership by a unanimous vote of those attending a regular meeting of the Board of Directors at which a quorum is present and voting, for any violation of the By-Laws or rules or regulations of the Board of Directors, or for any conduct even though not in actual violation of a By-Law or rule which, in the opinion of the Board, is nevertheless prejudicial to the best interests, reputation and proper functioning of the Council.

## II

It is an express condition of membership in the Council, to which condition every member accedes by virtue of his membership, that unless expressly stated by an Officer of the Council to the contrary, all proceedings at the Council's afternoon and dinner meetings as well as study and discussion groups are confidential; and any disclosure or publication of statements made at such meetings or attribution to the Council of information, even though otherwise available, is contrary to the best interests of the Council and may be regarded by the Board of Directors in its sole discretion as ground for termination or suspension of membership pursuant to Article I of the By-Laws.

## III

There shall be no entrance dues. Resident members shall pay \$200 per annum, except that those members who are forty years of age and under shall pay \$100 per annum, and that those who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$40 per annum; non-resident members shall pay \$75 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$20 per annum. All dues shall be paid semi-annually—in equal installments—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

ANNUAL REPORT  
COUNCIL ON  
FOREIGN RELATIONS  
YEAR ENDING JUNE 30, 1964

WITH BY-LAWS AND LIST OF MEMBERS

THE HAROLD PRATT HOUSE  
FIFTY-EIGHT EAST SIXTY-EIGHTH STREET

NEW YORK

1964

---

---

# MEMBERSHIP

Council membership continues at virtual capacity. The increase from 700 to 725 in both the resident and the non-resident categories, which the Board of Directors voted in April 1963, is to be used sparingly and only on the recommendation of special subcommittees in order to augment expertise in areas in which the Council is short. Consequently, there is still a long waiting-list of applicants on whom the Membership Committee has not yet been able to take action, and there are many new candidates as well at each Committee meeting. Since last July, 42 new members were admitted to the Council, 8 of whom were recommendations of a special subcommittee on the Middle East.

The membership figures are as follows:

	July 1, 1963	July 1, 1964
Resident	692	698
Non-Resident	703	702
TOTAL	1,395	1,400

Because of the decline in the purchasing power of the dollar and the correspondingly increased cost of operation, the Board voted in May 1964 a 25 per cent increase in the dues of resident members, and it lowered the top age limit of the junior resident category from 40 to 35. However, all who were junior members at the time of this decision will continue to pay at the old rate, and they will not be transferred to regular resident membership until they reach 41.

Lorna Brennan  
Membership Secretary

# BY-LAWS

## I

The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors.

Resident members shall be limited to seven hundred and twenty-five in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U.S.A.

Non-resident members shall be limited to seven hundred and twenty-five, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U.S.A.

The Board of Directors in its discretion may elect honorary members.

A member may be dropped or suspended from membership by a unanimous vote of those attending a regular meeting of the Board of Directors at which a quorum is present and voting, for any violation of the By-Laws or rules or regulations of the Board of Directors, or for any conduct even though not in actual violation of a By-Law or rule which, in the opinion of the Board, is nevertheless prejudicial to the best interests, reputation and proper functioning of the Council.

## II

It is an express condition of membership in the Council, to which condition every member accedes by virtue of his membership, that unless expressly stated by an Officer of the Council to the contrary, all proceedings at the Council's afternoon and dinner meetings as well as study and discussion groups are confidential; and any disclosure or publication of statements made at such meetings or attribution to the Council of information, even though otherwise available, is contrary to the best interests of the Council and may be regarded by the Board of Directors in its sole discretion as ground for termination or suspension of membership pursuant to Article I of the By-Laws.

## III

Resident members shall pay \$250 per annum, except that those members who are thirty-five years of age and under shall pay \$125 per annum, and that those who are regular members of the faculty of any university or college, who are in the public service, who are on the staff of voluntary organizations or who are accredited writers or newspaper men may pay \$50 per annum (any member not in one of these occupations who had not reached forty-one years of age on May 27, 1964, and who had thus been entitled to pay at the rate of \$100 per annum shall be entitled to continue to pay at this rate until he shall have attained the age of forty-one); non-resident members shall pay \$75 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$20 per annum. All dues shall be paid semi-annually.
