ANNUAL REPORT  
COUNCIL ON  
FOREIGN RELATIONS  
YEAR ENDING JUNE 30, 1965

WITH BY-LAWS AND LIST OF MEMBERS

THE HAROLD PRATT HOUSE  
FIFTY-EIGHT EAST SIXTY-EIGHTH STREET  
NEW YORK

1965

---

# MEMBERSHIP

In 1963 the Board of Directors voted to increase the membership limit in both the resident and non-resident categories from 700 to 725, with the proviso that the Membership Committee reserve these extra spaces for the admission of individuals recommended by special subcommittees set up to augment areas of experience in which the Council is deficient. The first such subcommittee—the Middle East—met two years ago and, as a result of its recommendations, eight men with particular expertise in that area were elected to membership.

In view of the constantly increasing importance of science in international relations and the fact that the major areas of scientific development have not been adequately represented in the Council, a subcommittee on scientific operations operated this past year. Fifteen of this subcommittee's recommendations are now members of the Council.

Every summer the staff makes a survey of the composition of the membership and *ad hoc* subcommittees of the Membership Committee are subsequently formed to consider new members from fields in which the Council is inadequately represented.

Membership figures for the end of this fiscal year as compared with last year are as follows:

	July 1, 1964	July 1, 1963
Resident	698	702
Non-Resident	702	712
TOTAL	1,400	1,414

Lorna Brennan  
Membership Secretary

LIBRARY

JUL 11 1967

VIS FILE

# MEMBERSHIP

---

Because of the continued press of membership applicants, the Board of Directors this year increased the membership limit in both the resident and non-resident categories from 725 to 750, thus bringing about in three years an increase of 50 in each group. The Board instructed the Membership Committee to use these extra places sparingly. Twenty-five in each group had been reserved for the gradual admission of those recommended by subcommittees set up to bring into the Council individuals with qualifications not adequately represented in the membership. Analysis of the composition of Council membership, areas of interest, and degree of participation has been put on a regular basis.

For the third year a subcommittee was formed by the Membership Committee to recommend individuals in an area in which the Council was somewhat underrepresented. The latest subcommittee was concerned with experts in the field of Latin American affairs.

Membership figures for the end of this fiscal year as compared with the previous year's are as follows:

	<i>July 1, 1966</i>	<i>July 1, 1965</i>
Resident	717	702
Non-Resident	<u>728</u>	<u>712</u>
TOTAL	1,445	1,414

Lorna Bre  
Membership Secretary

ANNUAL REPORT  
COUNCIL ON  
FOREIGN RELATIONS  
YEAR ENDING JUNE 30, 1968

WITH BY-LAWS AND LIST OF MEMBERS

THE HAROLD PRATT HOUSE  
FIFTY-EIGHT EAST SIXTY-EIGHTH STREET  
NEW YORK

1968

---

---

*Note 3:*

The Restricted Investment Fund is an endowment fund consisting of four funds. Income from two of these funds is restricted as to use, while income from the remaining two funds is available for general operations of the Council.

*Note 4:*

Special Purpose Funds consist of two funds, one of which is restricted to financing the International Affairs Fellowship and the other may be used to support program studies in Asian, African and Latin American affairs up to a maximum of \$75,000 per year.

*Note 5:*

Ford Foundation and Carnegie Corporation Funds can be used for general purposes over fixed periods of time.

# MEMBERSHIP

---

A YEAR AGO the Board of Directors, following a survey of the Council's membership and its various components, strongly urged the admission of a considerably larger proportion of younger members than had previously been the case and recommended that the average age of members elected each year should not be more than 45. In addition, it adopted the policy that only in unusual exceptions should a new member be elected who is over the age of 60.

At the Board's request, the Membership Committee set up an advisory committee on younger members to examine candidates under 40 as well as to suggest others in that age group deemed to be especially qualified. This advisory committee, consisting of Eugene B. Skolnikoff, Stephen Stamas, Gerald M. Mayer, Jr., Gerald Freund, Alexander B. Trowbridge, Michael V. Forrestal, and Lawrence C. McQuade—themselves also under 40—met before each of the two Membership Committee meetings and presented its recommendations. Largely as a result of the advisory committee's efforts, one-third of the new members this past year were under 40 (three of them still in their twenties), and the average age was 43.8. It is hoped that this proportion will be even bettered.

The advisory committee also stressed the importance not only of adding outstanding younger men to the rolls, but also of including in the membership men with diverse backgrounds and experience so as to reflect more broadly today's society.

Council membership continues close to capacity, with few spaces to fill at Membership Committee meetings. The limit for non-resident members was raised from 750 to 775 so as to ensure the admission of at least ten new members at each meeting. The ceiling for resident membership remains at 750. Of these totals, however, 25 places in each group were set aside for recommendations of *ad hoc* subcommittees to be formed, when necessary, to augment the membership when it is found to be under-represented in certain areas.

Membership figures compared with last year's are as follows:

	July 1, 1968	July 1, 1967
Resident	718	721
Non-Resident	751	744
TOTAL	1,469	1,465

Lorna Brennan  
Membership Secretary

## BY-LAWS

- I The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors.  
Resident members shall be limited to seven hundred and fifty in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U.S.A.  
Non-resident members shall be limited to seven hundred and seventy-five, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U.S.A.  
The Board of Directors in its discretion may elect honorary members.  
A member may be dropped or suspended from membership by a unanimous vote of those attending a regular meeting of the Board of Directors at which a quorum is present and voting, for any violation of the By-Laws or rules or regulations of the Board of Directors, or for any conduct even though not in actual violation of a By-Law or rule which, in the opinion of the Board, is nevertheless prejudicial to the best interests, reputation and proper functioning of the Council.
- II It is an express condition of membership in the Council, to which condition every member accedes by virtue of his membership, that unless expressly stated by an Officer of the Council to the contrary, all proceedings at the Council's afternoon and dinner meetings as well as study and discussion groups are confidential; and any disclosure or publication of statements made at such meetings or attribution to the Council of information, even though otherwise available, is contrary to the best interests of the Council and may be regarded by the Board of Directors in its sole discretion as ground for termination or suspension of membership pursuant to Article I of the By-Laws.
- III Resident members shall pay \$350 per annum, except that those members who are thirty-five years of age and under shall pay \$175 per annum, and that those who are regular members of the faculty of any university or college, who are in the public service, who are on the staff of voluntary organizations or who are accredited writers or newspapermen may pay \$75 per annum; non-resident members shall pay \$100 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$30 per annum. All dues shall be paid semi-annually—in equal installments—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.
- IV There shall be a Board of not more than twenty-four Directors, divided into three classes, each class to serve for three-year terms and until their

## BY-LAWS

successors are elected. At each annual meeting of the Council, Directors shall be elected to replace the outgoing class. The Board shall have power to fill any vacancy in its own body. A Director absent from meetings of the Board for a period of two successive years shall be considered to have submitted his resignation from the Board.

- V The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting.

A majority of the members of the Council shall constitute a quorum for the transaction of business. Members may be represented by proxy.

- VI The Board shall constitute such committees of the Council as may from time to time be required, including an Executive Committee, a Finance and Budget Committee, a Membership Committee, a Nominating Committee, and a Committee on Studies.

The Finance and Budget Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall have general supervision of the investment of the funds of the Council and of its financial affairs, and shall present the budget at the annual meeting of the Board. In connection with the preparation of the budget, it shall be the duty of this Committee to allocate charges to the various departments and activities of the Council.

The Membership Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed four additional members who need not necessarily be members of the Board of Directors. It shall report at each regular meeting of the Board on all nominations for membership.

The Nominating Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall present names for directors, officers and committee members.

The Committee on Studies shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed five additional members, who need not necessarily be members of the Board of Directors. All suggestions relating to matters of research shall be referred to it, and it shall be responsible for the initiation of research projects. The Committee on

Studies shall submit a report of its activities in writing at the annual meeting of the Board.

- VII The officers of the corporation shall be a Chairman of the Board, a President, one or more Vice-Presidents, a Secretary, and a Treasurer, who shall be elected annually by the Board of Directors.

The Chairman of the Board, or in his absence the President, shall preside at all meetings of the Board of Directors.

The President may call meetings of the Board, and shall have general executive direction of the corporation.

The Vice-Presidents in order of seniority shall discharge the duties of the President in his absence, and shall perform such other duties as from time to time shall be assigned them by the Board of Directors.

The Treasurer shall have custody of the funds of the corporation.

The Secretary shall conduct the correspondence of the corporation, and shall keep its records.

- VIII The Board shall annually appoint an Executive Director and such other staff officers as in its judgment may be required. The Board shall fix the compensation and assign the duties of these officers.

- IX The funds of the corporation and of *Foreign Affairs* shall be invested by the Finance and Budget Committee or shall be deposited with trust companies or banking institutions designated by either the Board of Directors or the Finance and Budget Committee. Disbursements shall be made only upon checks or vouchers approved by the Treasurer or the Comptroller and any one of the following: the Executive Director, the Editor of *Foreign Affairs*, the Deputy Executive Director, or the Associate Executive Director; and in the absence of both the Treasurer and the Comptroller, by any two of these officers.

- X The annual meeting of the Board of Directors shall be held after the annual meeting of the Council and not later than November 15th. One-third of the number of Directors authorized in By-Law IV, above, shall constitute a quorum for the transaction of business at any regular or special meeting of the Board of Directors.

- XI These By-Laws may be amended at any meeting of the Board of Directors, provided notice of the proposed amendment shall have been given at a previous meeting or circulated in writing to the members of the Board not less than five days in advance.

## BY-LAWS

- I The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors.  
Resident members shall be limited to seven hundred and fifty in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U.S.A.  
Non-resident members shall be limited to seven hundred and seventy-five, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U.S.A.  
The Board of Directors in its discretion may elect honorary members  
A member may be dropped or suspended from membership by a unanimous vote of those attending a regular meeting of the Board of Directors at which a quorum is present and voting, for any violation of the By-Laws or rules or regulations of the Board of Directors, or for any conduct even though not in actual violation of a By-Law or rule which, in the opinion of the Board, is nevertheless prejudicial to the best interests, reputation and proper functioning of the Council.
- II It is an express condition of membership in the Council, to which condition every member accedes by virtue of his membership, that unless expressly stated by an Officer of the Council to the contrary, all proceedings at the Council's afternoon and dinner meetings as well as study and discussion groups are confidential; and any disclosure or publication of statements made at such meetings or attribution to the Council of information, even though otherwise available, is contrary to the best interests of the Council and may be regarded by the Board of Directors in its sole discretion as ground for termination or suspension of membership pursuant to Article I of the By-Laws.
- III Resident members shall pay \$350 per annum, except that those members who are thirty-five years of age and under shall pay \$175 per annum, and that those who are regular members of the faculty of any university or college, who are in the public service, who are on the staff of voluntary organizations or who are accredited writers or newspapermen may pay \$75 per annum; non-resident members shall pay \$100 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$30 per annum. All dues shall be paid semi-annually—in equal installments—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.
- IV There shall be a Board of not more than twenty-four Directors, divided into three classes, each class to serve for three-year terms and until their

## BY-LAWS

successors are elected. At each annual meeting of the Council, Directors shall be elected to replace the outgoing class. The Board shall have power to fill any vacancy in its own body. A Director absent from meetings of the Board for a period of two successive years shall be considered to have submitted his resignation from the Board.

V The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting.

A majority of the members of the Council shall constitute a quorum for the transaction of business. Members may be represented by proxy.

VI The Board shall constitute such committees of the Council as may from time to time be required, including an Executive Committee, a Finance and Budget Committee, a Membership Committee, a Nominating Committee, and a Committee on Studies.

The Finance and Budget Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall have general supervision of the investment of the funds of the Council and of its financial affairs, and shall present the budget at the annual meeting of the Board. In connection with the preparation of the budget, it shall be the duty of this Committee to allocate charges to the various departments and activities of the Council.

The Membership Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed four additional members who need not necessarily be members of the Board of Directors. It shall report at each regular meeting of the Board on all nominations for membership.

The Nominating Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall present names for directors, officers and committee members.

The Committee on Studies shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed five additional members, who need not necessarily be members of the Board of Directors. All suggestions relating to matters of research shall be referred to it, and it shall be responsible for the initiation of research projects. The Committee on

Studies shall submit a report of its activities in writing at the annual meeting of the Board.

VII The officers of the corporation shall be a Chairman of the Board, a President, one or more Vice-Presidents, a Secretary, and a Treasurer, who shall be elected annually by the Board of Directors.

The Chairman of the Board, or in his absence the President, shall preside at all meetings of the Board of Directors.

The President may call meetings of the Board, and shall have general executive direction of the corporation.

The Vice-Presidents in order of seniority shall discharge the duties of the President in his absence, and shall perform such other duties as from time to time shall be assigned them by the Board of Directors.

The Treasurer shall have custody of the funds of the corporation.

The Secretary shall conduct the correspondence of the corporation, and shall keep its records.

VIII The Board shall annually appoint an Executive Director and such other staff officers as in its judgment may be required. The Board shall fix the compensation and assign the duties of these officers.

IX The funds of the corporation and of *Foreign Affairs* shall be invested by the Finance and Budget Committee or shall be deposited with trust companies or banking institutions designated by either the Board of Directors or the Finance and Budget Committee. Disbursements shall be made only upon checks or vouchers approved by the Treasurer or the Comptroller and any one of the following: the Executive Director, the Editor of *Foreign Affairs*, the Deputy Executive Director, or the Associate Executive Director; and in the absence of both the Treasurer and the Comptroller, by any two of these officers.

X The annual meeting of the Board of Directors shall be held after the annual meeting of the Council and not later than November 15th. One-third of the number of Directors authorized in By-Law IV, above, shall constitute a quorum for the transaction of business at any regular or special meeting of the Board of Directors.

XI These By-Laws may be amended at any meeting of the Board of Directors, provided notice of the proposed amendment shall have been given at a previous meeting or circulated in writing to the members of the Board not less than five days in advance.

# BY-LAWS

- I The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors. Resident members shall be limited to seven hundred and fifty in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U.S.A. Non-resident members shall be limited to eight hundred and fifty, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U.S.A. The Board of Directors in its discretion may elect honorary members or designate other special categories of membership not subject to the limitations provided in paragraphs 2 and 3. A member may be dropped or suspended from membership by a unanimous vote of those attending a regular meeting of the Board of Directors at which a quorum is present and voting, for any violation of the By-Laws or rules or regulations of the Board of Directors, or for any conduct even though not in actual violation of a By-Law or rule which, in the opinion of the Board, is nevertheless prejudicial to the best interests, reputation and proper functioning of the Council.
- II It is an express condition of membership in the Council, to which condition every member accedes by virtue of his membership, that unless expressly stated by an Officer of the Council to the contrary, all proceedings at the Council's afternoon and dinner meetings as well as study and discussion groups are confidential; and any disclosure or publication of statements made at such meetings or attribution to the Council of information, even though otherwise available, is contrary to the best interests of the Council and may be regarded by the Board of Directors in its sole discretion as ground for termination or suspension of membership pursuant to Article I of the By-Laws.
- III Resident members shall pay \$425 per annum, except that those members who are thirty-five years of age and under shall pay \$200 per annum, and that those who are regular members of the faculty of any university or college, who are in the public service, who are on the staff of voluntary organizations or who are accredited writers or newspapermen may pay \$100 per annum; non-resident members shall pay \$125 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspapermen, may pay \$40 per annum. Term members shall pay \$25 per annum. All dues shall be paid semi-annually—in equal installments—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

- IV There shall be a Board of not more than twenty-six Directors. The President of the corporation and the Editor of "Foreign Affairs" shall be Directors, ex-officio. The remaining members shall be divided into three classes, each class to serve for a term of three years and until their successors are elected. At each annual meeting of the Council, Directors shall be elected to replace the outgoing class. No Director so elected shall serve consecutively for more than three terms, provided however that the first term which shall be counted for the purpose of this rule shall be the three-year term beginning in the fall of 1971. Beginning in 1972 a Director shall retire at the annual meeting in the calendar year in which he reaches the age of seventy. Any Director who retires under the provisions of this By-Law shall become a Director-Emeritus. The Board shall have the power to fill any vacancy in its own body.
- V The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting. A majority of the members of the Council shall constitute a quorum for the transaction of business. Members may be represented by proxy.
- VI The Board shall constitute such committees of the Council as may from time to time be required, including an Executive Committee, a Finance and Budget Committee, a Membership Committee, a Nominating Committee, and a Committee on Studies. The Finance and Budget Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall have general supervision of the investment of the funds of the Council and of its financial affairs, and shall present the budget at the annual meeting of the Board. In connection with the preparation of the budget, it shall be the duty of this Committee to allocate charges to the various departments and activities of the Council. The Membership Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed six additional members who need not necessarily be members of the Board of Directors. Two of these members shall be under the age of forty when co-opted. It shall report at each regular meeting of the Board on all nominations for membership. The Nominating Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall
