MEMBERSHIP

LIFE MEMBERSHIP

The deadlines for receipt of all materials for the two yearly meetings of the Membership Committee to consider life membership candidates are September 15 and March 1.

TERM MEMBERSHIP

The deadline for receipt of all materials for the annual meeting of the Membership Committee to consider term membership candidates is November 1.

NOTIFICATION OF CANDIDATES

Candidates recommended by the Membership Committee and elected by the Board are so notified, as are their nominators and seconders. Candidates who are unsuccessful at any given meeting remain eligible for consideration at a subsequent meeting of the committee, provided they submit an updated curriculum vitae and secure at least one but no more than two additional letters of support. If no new letters or materials are received, it will be assumed that a candidate does not wish to be considered at the subsequent meeting of the Membership Committee. If a candidate is not elected after two successive meetings at which he or she is considered, the application will be placed on hold for three years (one year for term membership candidates), after which point the candidate may reactivate the file for consideration.

Although only three seconding letters are required to complete the application, additional letters may be submitted. Such letters are particularly helpful to the Membership Committee when they add information or insights about a candidate not already contained in a previous letter. It is strongly recommended, however, that applications contain no more than four seconding letters.

All membership nominating and seconding letters should be e-mailed as text or Microsoft Word documents to membership@cfr.org.

DEADLINES

Strict observance of deadlines is essential to staff support of the Membership Committee's work, and we request your continuing cooperation. The preparation of individual membership files for submission to the Membership Committee is a continuing process. Candidates whose files are not completed in time for any given meeting of the committee have their files carried forward, without prejudice, to the subsequent meeting, but are considered only if completed.

LIFE MEMBERSHIP

The deadlines for receipt of all materials for the two yearly meetings of the Membership Committee to consider life membership candidates are March 1 and September 15.

TERM MEMBERSHIP

The deadline for receipt of all materials for the annual meeting of the Membership Committee to consider term membership candidates is November 1.

NOTIFICATION OF CANDIDATES

Candidates recommended by the Membership Committee and elected by the Board are so notified, as are their nominators and seconders. Candidates who are unsuccessful at any given meeting remain eligible for consideration at a subsequent meeting of the committee, provided they submit new materials and secure additional letters of support. If a candidate is not elected after two successive meetings at which he or she is considered, the application will be placed on hold for three years (one year for

term membership candidates), after which point the candidate may reactivate the file for consideration. The process is entirely one of affirmative selection—i.e., from the large and evolving pool of nominees, the committee and the Board choose a number of members without prejudice to the candidacies of those remaining in the pool.

DEADLINES

Strict observance of deadlines is essential to staff support of the Membership Committee's work, and we request your continuing cooperation. The preparation of individual membership files for submission to the Membership Committee is a continuing process. Candidates whose files are not completed in time for any given meeting of the committee have their files carried forward, without prejudice, to the subsequent meeting, but are considered only if completed.

LIFE MEMBERSHIP

The deadlines for receipt of all materials for the two yearly meetings of the Membership Committee to consider life membership candidates are March 1 and October 1.

TERM MEMBERSHIP

The deadline for receipt of all materials for the annual meeting of the Term Membership Committee to consider term membership candidates is November 1.

NOTIFICATION OF CANDIDATES

All membership candidates and their nominators will receive notification of the committee's decisions according to the schedule below. Seconders of elected candidates will also be notified.

	APPLICATION DEADLINE	NOTIFICATION
Life Membership	March 1	June
Term Membership	November 1	June
Life Membership	October 1	February

Candidates who are unsuccessful at any given meeting remain eligible for consideration at a subsequent meeting of the committee. An application is reactivated when new materials are received. It is strongly recommended that candidates submit at least one new letter of support, an updated curriculum vitae, and a new nominee information form. If a candidate is not elected after two consecutive meetings, the application will be placed on hold for a period of three years for life membership candidates

and one year for term membership candidates. After the hold period, the candidate may reactivate the file for consideration.

The process is entirely one of affirmative selection from the large and evolving pool of nominees. The committee and the Board choose a number of members without prejudice to the candidates of those remaining in the pool.
