

CHRISTIANITY TO BE DESTROYED

By MYRON C. FAGAN

KNOW the TRUTH and the TRUTH SHALL MAKE YOU FREE

This "News-Bulletin" contains the revelations by some of our most patriotic researchers of the various plots to destroy our Republic—the destruction of Christianity being one of the key plots!

Over 100 years ago, Lord Macaulay, the noted British historian, made this prediction concerning America in the 20th Century.
"Your Republic will be as fearfully plundered and laid waste by barbarians in the 20th Century as the Roman Empire was in the Fifth; with this difference that the Huns and Vandals who ravaged the Roman Empire came from without and that your Huns and Vandals will have been engendered within your own Country by your own Institutions."

July - August, 1969 NEWS-BULLETIN

The most important thing for all of us to always remember is that the salvation of our Country depends upon getting the full TRUTH of the GREAT CONSPIRACY to ALL of the American people. When—and if—that will be accomplished our nation will again be FREE and SAFE. The MASTER-MINDS of the GREAT CONSPIRACY (CFR) have absolute control of all our MASS COMMUNICATIONS MEDIA, so we know that the PRESS, TV and RADIO won't tell the TRUTH to the people, thus it is up to YOU and me to do it . . . use our "ILLUMINATI-CFR" Recordings, the "RED STARS OVER HOLLYWOOD, TV and RADIO" Recordings, and "THE CHILD SEDUCERS" Record to alert all of the American people.

THE MENACE IN THE 1970 CENSUS

A few years after the turn of this century the American people were treated to a very wonderful Musical play entitled "*Madame Sherry*." The theme song of that play was "*Every Little Movement Has a Meaning All It's Own*." Fantastically, yet not so fantastically, that same theme song title ("*Every Little Movement Has a Meaning All It's Own*") fits the One-World plottings of the "*ILLUMINATI-CFR*" to a T. The 1970 Census is one of the *seemingly* harmless "*Little Movements*" of the GREAT CONSPIRACY. But actually, it is perhaps the greatest MENACE in the entire plot. To explain that charge, let's look and see what is behind this 1970 Census.

In the past nobody had any reason to doubt the objectives of the Census—everybody looked upon it as just a matter of getting a true count of the American people. The Census questionnaires of the past contained no suspicious or sinister questions. But a study of this latest Census questionnaire reveals that it is not only an invasion of every American privacy—pregnancies, toilet habits, miscarriages, attitudes on religion and sex, political views, etc., etc.—but is also a very direct plot to organize all persons into a thought and behavior system—all to lead to a POLICE STATE—and finally into the UN ONE-WORLD TRAP!!!

The Census Bureau has always promised that all information it gets in a Census is kept in strict confidence, never to be used except statistically to produce totals and averages; that none of it would ever be disclosed, *as personal information*, to anyone outside the Census Bureau, not even to another Government Agency. *That promise is false!* Bear in mind that both the "*Internal Revenue Service*" (IRS) and the "*Social Service Administration*" (SSA) also promise (*as required by law*) to keep information on individuals in strict confidence from all other Government Agencies. Nevertheless, IRS and SSA information is readily available to other Agencies. As proof of that fact, a Census Bureau official told U. S. Representative James F. Battin that the Bureau, in determining which farmers will be on the list of those required to answer the longest and most complicated agriculture Census questionnaires, compiles the list from information in the records of the IRS and SSA.

In short, *no government file containing personal information about an individual is safe!* The very existence of such files is a threat, as you shall later see, to the liberty and safety of the individuals involved. Hence, Federal Agencies should be prohibited from

compiling dossiers on individuals, except as absolutely necessary in the performance of constitutional duties.

VITAL NOTE:—The preceding paragraph should serve as an urgent warning to all Americans always to be on guard against all questions by agents of the CENSUS BUREAU. To establish that this is not an idle warning, the following is a verbatim reprint of an article that was published by the *Los Angeles Times* on April 25, 1969—it is “*advice*” issued by Congressman Jerome Waldie (D. Calif.). This “*advice*” was syndicated throughout the nation by the UPI. Following is the article:

“A Congressman suggested Thursday that Americans who consider the census taker’s questions too personal can always lie about them. That, he said, is what the Lieutenant Governor of California did in 1960 . . . Rep. Waldie noted during a hearing on the forthcoming census that his State’s new Lieutenant Governor, Ed. Reinecke, recently disclosed that he gave untruthful answers during the 1960 census after his refusal to answer led him to be served with a subpoena . . . Although a law requires a person to answer the census questions, there is none that says he must answer with the truth . . . The upshot of this, Waldie said, was that a person could escape prosecution and still keep the facts of his life secret by lying to the census taker . . . Waldie spoke before a House Post-Office subcommittee which is holding hearings on complaints that many questions on the Census Form violate a citizen’s privacy”

The most significant feature in Waldie’s statement clearly indicated that many of the census taker’s questions about your background and your personal affairs hold ULTERIOR and SINISTER motives—and for that reason he advised to LIE when the questions probe too deeply.

Now, the average citizen might well be inclined to doubt that Waldie statement—he might say: what ulterior and sinister motives could there be in a census taker’s questions? Very well, here is the answer: Alerted Americans who have made deep study of this entire “*Census*” matter warn that the 1970 census is a means for the (GREAT CONSPIRACY’S) Communist take-over of the United States. It is commonly known that at the 1966 18th National Convention of the Communist Party, the Party leaders instructed their followers to work diligently toward getting everybody in America carefully classified in the 1970 Census. The Conspirators would use this information—together with the Gun Registration plot, toward accomplishing their “*Operation ‘76*” With the Census

material in their possession, here is how they would do it: They could begin to pressure *politically* for the "Internal Revenue Service" to withdraw tax exempt status from organizations not holding the "One-World, One Religion" point of view. Also, through their (CFR) control of the Press, and through private blackmail from information on individual Census returns, *they could wreck the will of the unalerted American people to resist surrender to a One-World State by July 4, 1976!* (their Operation '76")

Far-fetched? That's what the masterminds of the GREAT CONSPIRACY would like to have the average American believe about the above warning—and thus dismiss it forthwith. To prevent such a public conclusion I will now deal exclusively with the "One-World Church" feature included in "Operation '76". This fantastic plot to turn the church into an instrument of Communist conquest would be utterly unbelievable if we did not see it all taking place day by day before our eyes.

But first let's get this entire plot into proper focus: the "Operation '76" and the "One-World Church" features are distinct "little movements" of the GREAT CONSPIRACY. So is the Communist Party USA; *So is the UN!* The very word Communism is a fiendish camouflage for the ILLUMINATI-CFR gang. All the "dirty work" committed in this country, indeed in the whole world, is always blamed on the Communist. The Korean war was blamed on the Communist. The war in Viet Nam is blamed on the Communist. In short, Communism, per se, was set up by the ILLUMINATI to be their *bogey man* to drive the Free World into their One-World Dictatorship trap. History has already revealed that "Communism" was created by Karl Marx, Lenin, Trotsky, et al, on orders from Jacob Schiff, the Warburgs and the Rothschilds, in order to have a ready made "Patsy" and "cover-up" for all the wars, anarchy and civil strife fomented by the CFR and other branches of the ILLUMINATI gang. Likewise, "Communism" is blamed for Atheism and hatred of all Religion. Thus when "Operation '76" and its "One-World Church" plot was launched, the Masterminds "assigned" the job to the Communists, *in order to keep all suspicion off themselves.* . . . Now let's go back to that "One-World Church" plot and see just how the Census of 1970 has been "blue printed" to transform the Churches of all Denominations into a collective instrument to brain-wash the American people into surrendering to the ILLUMINATI-CFR plot.

Incidentally, most of the above and what will follow was clearly "charted" in an Article subtitled "Operation '76 and the Universal Church" by W. Henry McFarland, and published by AMERICAN MERCURY Magazine.

For the past several decades the Communist Party USA and all its FRONTS have been working closely with the so-called Liberal Establishment (*CFR and its sub-organizations*) to delete all data pertaining to race and religion from public records of Federal, State and local government. This includes law enforcement agencies whose ability to maintain social order can be seriously hampered by lack of information in this area.

The first step in that direction came with the emergence of "Operation '76" at the 18th National Convention of the Communist Party, USA, in New York City. Party leaders and agents active in both the Communist Party and all so-called "*Liberal*" organizations throughout the nation were ordered to work slavishly for the Race and Religious identification of every man, woman and child in the nation. This is part of a "*personal inventory*" which key officials of the U.S. Census Bureau are determined (*by instructions, of course*) to have incorporated in the 1970 census. This maneuver was required by the most sinister aspect of the ILLUMINATI-CFR's final 10-year plan for taking the United States into their UN-oriented One-World Government, for final consummation on July 4, 1976. This aspect is that of the Party's assigned role in giving impetus and directions to an amalgamation of organized Religious bodies which the Masterminds blueprinted to emerge in the early 1970s as a universal "*Church of World Brotherhood.*"

Obviously, this new job for the Communist Party is glaringly paradoxical. From its very inception, the Communist Party declared an undying hatred for all Religions—but an "*order*" is an order, as Lenin discovered in 1918 when Jacob Schiff ordered him to change the name of his Party from Bolshevik to Communist.

The Party's altered position on the propriety of completing an up-to-date racial and religious census arises from the CFR's need for statistical data on which to chart the vast church merger. This is paralleled by a similar shift in the Communist Party policy with respect to its traditional hostility toward Religion itself. Since the 1920s trained Red agents have been infiltrating both the Clergy and the laity to subvert the basis of faith in a Divine Creator and re-direct Church and Church-allied activities into purely social channels of a nature less hostile to so-called Communist goals. That infiltration resulted in the setting-up of the "*Federal Council of Churches*" by one Rev. Harry F. Ward. Ward was financed by the first John D. Rockefeller, on orders from Jacob Schiff. Later, when the "*Federal Council of Churches*" was unmasked, Ward reorganized it under the name of "*The National Council of Churches*" so as to continue the FCC directed functions to destroy Christianity. Ever since then, the activities of the NCC have been veering the "*main-*

stream" of Protestantism inexorably to the LEFT. Those Denominations and individual Churches which continued to remain faithful to traditional Christian precepts were given a "*stigma*" similar to those methods previously employed in the political sphere implanted upon those remaining loyal to fundamental Constitutionalism. In the main, during the early years, the Catholic Church was unaffected by the borings into the body of world Christendom. At least, it seemed so outwardly—until the passing of Pope Pius XII in 1958, after which there became evident a marked and rapid deterioration in the Vatican's anti-Bolshevist position. Less than a decade has seen the Catholic Church transformed from an implacable foe of Communism into an active advocate of coexistence with Moscow, and even with Red China. At the same time, revolutionary changes in its ages-long teachings have moved the Vatican closer and closer, *not to traditional Protestantism as many Catholics have been supposing*, but to that (*so-called*) "*humanistic*" neo-paganism of the "*National (and World) Council of Churches*".

And directly in keeping with this defilement of Christianity which is working to distort the tenets of Protestantism and Catholicism into what amounts to a new "*Gospel*," there has come from Moscow, *undoubtedly on orders from the ILLUMINATI*, what generally appears to be a reciprocatory "*softening*" in the original Marxist hatred of and for Religion. Those who are being deluded by this seeming "*softening*" are missing the point of attack upon which all Communist theoreticians, beginning with Marx and Lenin, have based their anti-Religion creed. Their assault has always been against the concept of Deity—of God as an entity above and beyond the vicissitudes of mundane existence and human frailties, to Whom individual man owes his first allegiance and to Whom he may and should entrust his fate both in life and in death. Such a concept, whether held by a Catholic, a Protestant, a Jew, a Muslim or the believer of any other faith, poses an insurmountable obstacle to the Marxist doctrine of economic determinism—the "*class struggle*" theory of history—which is the chief rationale of Communism, *as decided by the ILLUMINATI*.

For this reason, the Masterminds of the GREAT CONSPIRACY and their Communist stooges have nothing to fear from a "*religion*" based on a social gospel which is itself the product of thinking in terms of the individual's helplessness in the face of mass economic forces. In actuality, the Conspirators can find in such religions (NCC) invaluable allies in its unquenchable quest for global empire. And if they feel the necessity for transforming "*GOD*," *as the NCC is doing*, into an invisible earthly "*Comrade*" prepared to lead "*the masses*" in battle against their "*capitalist oppressors*" and

keep Him as such, the Reds, or rather the ILLUMINATI, rightly judge that this profanation of Divinity is itself most useful to their so-called Marxist cause.

At that 18th National Convention of the Communist Party USA, the Red faithful found "Godless Religion" incorporated in "Operation '76" as an instrumentality, co-equal with the Racial-Political modality, for effecting our Country's surrender to a supposed Soviet (actually ILLUMINATI-CFR) dominated World State by July 4, 1976. The plan of action is simple as it is very precise. It is geared to the creation of a single Church of World Brotherhood seated in the Holy Land by the mid-1970s. The ultimate goal is a Global State Religion in which the political will be one and the same. But this objective extends beyond the terminal date of "Operation '76." The blueprint in this area is restricted to fostering a domestic inter-faith union of the "Mainstream" of Protestant and Catholic Denominations in an expanded "National Council of Churches," which, by a series of "guidelines," to be laid down by the various agencies of the Federal Government, later to be sustained by Decisions of the U.S. Supreme Court, will, by *force of Law*, come to include ALL Churches, Denominations, Sects and individual clergymen and Evangelists legally recognized as having the right to function in the field of Religion! All seeking to operate outside either the NCC or the "guidelines" will, in the earlier stages of the plan, be subjected to crippling economic disabilities, and later be included under statutory and prosecutable "offenses".

The immediate target is the inter-faith union within the expanded NCC (also within the World Council of Churches) on the basis of a broadened social gospel which will encompass (No. 1) collaboration of Church and State in fostering Racial and Religious integration, massive Federal—State—Private "anti-poverty" and regionally-based Urban renewal programs, and the coordination (and later outright control) of all private secular and religious charitable and educational activities by the Federal Government, and (No. 2) the "reform" of Religion, itself, to identify social "Commitment" and the "new morality" of unrestrained gratification of the physical senses with the actual worship (supposedly) of God . . . CAN YOU SEE HOW "SIECUS" WAS TO FIT INTO THIS PHASE?

Under this proposed new Gospel, all concepts of God as Divine Creator in the affairs of men are to be systematically "nominalized" and finally eliminated within the Council-affiliated religious bodies, with a series of Council pronouncements on the new faith and morals involving as Council dogma which will come to be binding on all member organizations. At the same time, the Council, in collaboration with the political arm of "Operation '76", will undertake

to intensify the assault upon churches and individual clergy and Evangelists who remain outside the Council and faithful to fundamental tenets which fail to yield to the secularizing of God and His forms of worship. The assault will take two forms: one outright political; the other psycho-sociological. In the first, resisting churches, missions and individual religionists will be tied in (*branded*) with the so-called "*lunatic fringe*" in the political area—the so-called '*far-right*,' the Extremists, '*fascists*,' et al. In the second, the resisters will be depicted as "*sick*," "*paranoid*," and a menace to the "*mental health*" of both the local community and the Nation . . . Thus the Satanic Religion will be rendered OFFICIAL.

As the above twin assaults, *fully approved*, by the CFR-controlled Mass Communications Media, are determined by professional opinion surveys to have sufficiently isolated the non-ecumenicals from the sympathy, and even the toleration of the *conditioned* mass public, the Federal Government will move into position, first to circumscribe and then to render virtually unlawful the formal propagation of those religious teachings to which the *National Council of Churches* has objected. The Federal action will follow the twin formula which "*Operation 76*" will have applied beforehand . . . and here is where the *Census Questionnaire* becomes the *GREAT MENACE* previously proclaimed! Politically, the '*Internal Revenue Service*' will be "*required*" to establish "*guidelines*" for determining the tax status of religious organizations and practicing Clergymen, Evangelists, and their contributors and donors. These "*guidelines*" will precisely duplicate the official stands of the NCC with respect to the permitted teachings of its member groups, so that, for taxing purposes, a "*church*" or "*religious body*" or "*religious practitioner*" will be defined in terms of the NCC's "*creed*" of a secular God, the social gospel and the new morality. Bodies and individuals deviating from this NCC "*creed*," whether NCC-affiliated or not, are to be excluded from the exemptions granted their income and property in previous years, and contributors to such non-conformists will be restricted and taxed, or denied deductions on the monies and property which they give or bequeath to the same. It is intended that such "*guidelines*" shall extend to privately-endowed charitable, educational and social service organizations and institutions whose purposes or practices embrace religious, ethical, moral and/or social activities at variance with the developing State Religion.

NOTE: How does that fit in with the "Freedom Of Religion" so definitely decreed for us by our Constitution? ? ?

Simultaneously, the NCC's psycho-sociological thrust will be reinforced by the Federal Government through another executive agency, the U.S. Department of "Health, Education and Welfare" (HEW), under which is operated the "National Institute of Mental Health." The latter body is the one which was exposed nationally, in 1959, as having considered granting \$29,000 in tax money for untested drug experiments on 90 normal children to be hand-picked from the Montgomery County (Penna.) Public School System! *Had they succeeded, similar experiments would have become the rule for other Public School Systems in all parts of the Country! . . .* Under the present plan, as conceived in "Operation '76", the National Institute of Mental Health will receive and accept recommendations from the "World Health Organization," a Specialized Agency of the UNITED NATIONS, setting forth "standards" for "healthy mental attitudes on Religion and moral conduct." It is intended that these "standards" will be in full accord with the "creed" of the "National Council of Churches" with respect to such matters, and that such concepts as Divinity, Salvation, "literalism" in Bible interpretation, chastity before marriage, abstinence from homo-sexual and perverted heterosexual relationships, etc., will be spelled out as latent signs of actual or potential "mental illness" . . .

"Operation '76" fixed an advance date for the introduction of legislation supplementing these "standards" in the United States—the year chosen is 1973, and the legislation, already drafted by Communist legal experts, provides for compulsory "observation, custodial care and such treatment as may be indicated by the patient's condition and prescribed by competent medical authority" in cases involving individuals "whose behavior, demeanor or public utterances as an individual religious practitioner shall be such as to impair the emotional well-being of the community."

IN SHORT, CHRISTIANITY TO BE OUTLAWED! ! !

The proposed Legislation will be known as the "**National Community Health Act,**" with provisions extending to all phases of Federal-State health services. It is planned as an omnibus Bill, recodifying and tightening by both new and amended provisions (**laws**) to be enacted in the same area during the years prior to its introduction. The Act, in its provisions dealing with "**individual religious practitioners,**" would render it totally impossible for any individual religionist to continue a public ministry outside the secularized "**creed**" of the NCC, since impairing "**the emotional well-being of the Community**" is defined in Article 11 of the Act as anything done "**in the name or on the behalf of any religious body, sect, teaching or 'personal revelation', or in the**

pursuit of any organized or individual political objective, including election to party or public office or nomination therefor, which creates, or is calculated to create, public mistrust, fear, alarm or panic, or which propogates social mistrust, hostility or hatred of, toward or for any other religious and/or political body, belief or conviction, when such shall result from appeals to the superstitious, the supernatural or unvalidated interpretations of religious experience of an occult order, or when otherwise unsupported by accepted religious or political usage as established by law."

Included in the usage "*established by law*" will be a number of strenuous religions and political restrictions imposed upon all organizations and/or individuals resisting either or both the World Church and World State which are the interrelated objectives of "*Operation '76*." The restrictions, imposed by a series of Federal "*guide lines*," supplemental legislation and supporting Supreme Court decrees but stressing the assault upon our religious and political freedoms, include the psychological testing and screening of both religionists and contributors outside the NCC orbit—and *one particular legal restraint which calls for particular stressing, to wit:*

Already, agents operating within the world ecumenical movement have initiated the preparation of an "authorized version" of the Holy Bible which, by 1972, is to supplant the Douay Version in all Catholic churches and the KING JAMES Version in all Protestant churches allied with the NCC. This will be the First Edition of an "evolving World Bible" which will "ultimately come to engage and reconcile the religious beliefs of all rational Twenty-First Century Mankind." In the First Edition, marking the "reunion of world Christendom," all Divinity is to be stripped from the Second Person of the Godhead, with the Nazarene emerging as the "historical Christ," the teacher and social reformer who met his death at the hands of the Roman political power, which viewed his work among the poor and socially oppressed as a threat to its retention of the Province of Palestine! . . . THAT is the "story" of the crucifixion which "World Church" Protestants and Catholics will be obliged to accept by their highest prelates, and which ALL churches, Denominations and individual Evangelists and communicants will be compelled BY LAW to acknowledge when, in 1973, it will be made an offense punishable by imprisonment to publish or preach the crucifixion account related in the DOUAY and King James Versions of the Scriptures! At this very time, the legislation to ban the crucifixion passages of these Bibles from print, from the pulpit and from all other forms of communication, is being agitated by the organization assigned this task—the notorious Anti-Defamation League. The legislation is already in draft form, prepared for introduction into Congress well in advance of the publication of the First Edition of the "evolving World Bible" in which the ADL is also taking a very active interest.

TRUTH IS CONFIRMED BY PROPHECY

Through all the years that we (CEG) have been trying to alert the American people about the GREAT CONSPIRACY to destroy our historically FREE nation I have never based my warnings on any Biblical Prophecies—I had based them, *after sedulous research*, on the Adam Weishaupt-Rothschild ILLUMINATI plot for conquest of the world, which was launched in 1776. True, I had stressed that throughout the ages before the ILLUMINATI plot was launched there had been similar plots, but I had never associated them with any Biblical prophecies. However, since I became aware of the fiendish plot to destroy Christianity I have discussed the matter with several highly learned Theologians and find that the very plot now in process has been clearly prophecied in the Bible. One such Theologian, Dr. G. H. Montgomery, some time ago, on the DEFENDER HOUR Radio Broadcast, so clearly connected the plot described in the earlier pages of this "News-Bulletin" with the Biblical prophecies, that I consider it highly desirable to include that Broadcast as a form of confirmation of our warning about the plot to destroy Christianity. The following, in part, was his Broadcast:

UN BLUEPRINTS DESTRUCTION OF U. S.!!!

"If Bible prophecy makes anything at all clear it is this: One World Government is on the agenda of events SOON to come to pass. For 2000 years this fact has definitely been established in the New Testament, particularly in the book of REVELATION . . . But even before the New Testament was written, the Prophet Daniel drew a graphic word picture of the ONE WORLD GOVERNMENT which was to be ruled over by Satan's emperor whom we have come to know in the NEW TESTAMENT as ANTI-CHRIST.

"There is no doubt about it: there will be a government headed by a man, who is Satan-inspired, Satan-filled, Satan-spawned. Those facts are so clear, so unmistakably set forth, so sharply defined, that there is no more question concerning the fulfillment of this prophecy than there is concerning the rising of the sun tomorrow morning.

"The only question is this: How close are we to the One-World Government which will be presided over by that ruthless, murderous, incarnate devil known in holy prophecy as the Anti-Christ?

"The answer to this question is given in part in a survey of the progress

that has been made of the UNITED NATIONS. Bit by bit the anti-Christian program of One-World Government is falling into place. Every bureau set up by this modern counter part of the TOWER OF BABEL brings us one step nearer to the (seemingly) inevitable fulfillment of this prophecy.

"As of today there are SIXTEEN of these bureaus, every one of which is designed to tie the nations of the world TOGETHER—Christian to Pagan, Believer to Atheist, democracy to totalitarianism, disciple to Infidel—until no one can tell the good from the bad. This, OF COURSE, means that there will be NO GOOD come of such an alliance. Only that which is ULTIMATE IN EVIL can be the by-product of such a government. Here are the bureaus currently pointing in this FATAL DIRECTION and paving the way for the take-over by a ONE-WORLD GOVERNMENT:

"No. 1:—INTERNATIONAL ATOMIC ENERGY AGENCY (IAEA). The published aim of this Agency is to promote peaceful use of atomic energy. The inevitable result will be to disseminate among foreign enemy nations vital information on American Atomic resources.

"No. 2:—INTERNATIONAL LABOR ORGANIZATION (ILO). The purpose of this arm of the UN One-World Government is to co-ordinate labor demands throughout the world. It provides an ideal vehicle for dissemination of Socialism and the promotion of the One-World philosophy.

"No. 3:—FOOD AND AGRICULTURAL ORGANIZATION (FAO). This organization is set up to standardize food qualities and levels of nutrition internationally. It is the model instrument for implementing the Antichrist law in Revelation 13: 17, that no man might buy or sell, except he receive the mark of the beast.

"No. 4:—INTERNATIONAL BANK FOR RECONSTRUCTION AND DEVELOPMENT (WORLD BANK). This international bureaucracy is designed to internationalize money standards. Ultimately, it will place all the money power of the world in the hands of one giant agency. Already there is talk of issuing international currency under the direction of the United Nations.

"No. 5:—INTERNATIONAL DEVELOPMENT ASSOCIATION (IDA). This one-world financing organization aims to set up international control of natural resources.

"No. 6:—UNITED NATIONS EDUCATIONAL, SCIENTIFIC AND CULTURAL ORGANIZATION (UNESCO). This agency is set up to promote collaboration among nations through education, science and culture. The ultimate aim is the complete integration, miscegenation and mongrelization of the races, leveling all world religions to a common plateau, thus making paganism, Christianity and Communism bosom bedfellows.

"No. 7:—WORLD HEALTH ORGANIZATION (WHO). To internationalize medicine, surgery, and all treatments of diseases. This serves a political ad-

vantage to the world dictator in that it provides a logical instrument for committing political opponents to hospitals for mentally ill thousands of miles from friends and supporters.

"No. 8:—INTERNATIONAL FINANCE CORPORATION (IFC.) A plan to take over the "poorly developed" areas of the world. To bring the smaller nations of the world into subjection to a one-world government.

"No. 9:—INTERNATIONAL MONETARY FUND (IMF). To promote and expand international trade, to standardize commerce and industry, which will make it a very simple matter for the Antichrist to issue his decree referred to before in Revelation 13: 17, that "no man can buy or sell except he receive the mark of the beast."

"No. 10:—INTERNATIONAL CIVIL AVIATION ORGANIZATION (ICAO). To standardize aviation laws, procedures, patterns and practices throughout the world.

"No. 11:—UNIVERSAL POSTAL UNION (UPU). This agency is designed to promote uniformity of postal services and development of international collaboration. Openly to promote reciprocal exchange of mail. This is the first step toward the international control of communications and censorship.

"No. 12:—INTERNATIONAL TELECOMMUNICATIONS UNION (ITU). To provide international regulations for radio, telegraph and telephone services, thereby making world-wide preaching of the Gospel of Jesus Christ by means of radio and television a practical impossibility.

"No. 13:—WORLD METEOROLOGICAL ASSOCIATION (WMA). The aim of this agency is to standardize and coordinate all meteorological work—weather information and forecasts—of the world. Weather control and modification of climates is a sinister possibility.

"No. 14:—INTERGOVERNMENT MARITIME CONSULTIVE ORGANIZATION (IMCO). To promote coordination of international shipping and to remove all discrimination by governments and all restrictive practices by shippers. Thus, international transportation will be under control of another giant bureau which can dictate who and what can and cannot be served.

"No. 15:—INTERNATIONAL TRADE ORGANIZATION (ITO). To tighten terms of commerce and to promote free flow of goods from one country to another under international agreement. Thus another step is taken to break down national boundaries and pave the way for Satan's emperor, the Antichrist, to take control of the entire world.

"No. 16:—GENERAL AGREEMENT ON TARIFFS AND TRADES (GATT). The goal of this last-named Agency is the subject of current battles in the United States Congress, the fight to lower, or do away with, all tariffs on foreign imports, leveling national boundaries, destroying national loyalties, and setting the whole world up for allegiance to the beast from perdition.

"Now, as far removed from religion as these commercial agencies may seem to be, they are every one a direct fulfillment of prophecy—particularly the prophecy which we have in the book of Revelation.

"It is little wonder that for many, many years there has been almost a concerted effort on the part of apostate religious teachers, even so-called ministers, to steer people away from the reading of Revelation. If Christians had even a reading knowledge of this last book of the Bible, they could easily detect the insidious movement of preparation in the world for the reign of Antichrist, variously called by different inspired writers of God's Word as "The Man of Sin," "That Wicked One," "The Beast From The Bottomless Pit," but which we have come to recognize as Satan's emperor, the Antichrist.

"Now, ladies and gentlemen, I have given you a list of sixteen international agencies that have been set up under the control of the United Nations. As fantastic as these agencies may appear to be on the surface, not one of them is concocted or imagined by your speaker. Every one of them has already been organized and is ready for operation.

"Believe me, this world is just about as ready for Antichrist to make his appearance as it could possibly be. Two thousand years ago John the Baptist came preaching: "Repent, for the Kingdom of Heaven is at hand." Six months later Jesus of Nazareth appeared on the scene preaching: "Repent, for the Kingdom of Heaven is at hand."

"My message to you today is just as imperative, and it is just as clear with a slight variation. This is it: "Repent, for the Kingdom of HELL is at hand!"

"And if anyone is of a mind to turn away from this message lightly or to reject it totally, remember an old adage which proclaims, "There is none so blind as one who will not see."

In addition to the above described 16 "*Little Movements*," the ILLUMINATI-CFR'S UN has many others, all of them aimed at one direct target: *a non-Christian ONE-WORLD DICTATORSHIP*.

Now that you know the full story of the plot to destroy Christianity there is one thing you, *every loyal Christian American*, can do: organize your friends and neighbors into a fighting organization in your community to expose the entire plot—get the members of your church to place this matter before your Pastor and the Directors of your church, and if your church is a member of the NCC, force it to withdraw its membership. If they refuse, pull out of the church and join one that is truly devoted to Christianity and the Bible.

REMEMBER: The salvation of Christianity and our nation depends upon YOU, and by YOU I mean ALL Americans. Get copies

of this "News-Bulletin" and circulate them among all your friends and neighbors. We can smash the entire GREAT CONSPIRACY if all of us work together. Enlist the active help of all your Study Groups, and all civic Groups in your Community. P.S.: Simultaneously with our *Preceding* "News-Bulletin", No. 141, we issued a new Brochure and Special Letter in which we outlined how you can join the C.E.G's fight—how we can create a *nation-wide Army of Christian Soldiers*, similar to the Christian Soldier's of Nero's time, who fought against all odds to save Christianity in that time—and, *believe me*, we desperately need such a *Nation-wide ARMY today!* We are living in the same Nero-like conditions today—we are fast approaching a day when every Christian will be a target for the same persecutions suffered by the Christians of Nero's time. Please, PLEASE carry out the "*job*" I outlined in that Brochure and "Special Letter." God will grant us VICTORY if we will heed the warnings outlined in this "NEWS-BULLETIN" and the Brochure we mailed to you with the preceding "NEWS-BULLETIN." MCF.

"DESTROY CHRISTIANITY" IN ACTION

Some of our most alerted Americans who have read the preceding pages of this "NEWS-BULLETIN" about the plot to destroy Christianity may find it hard to believe that many clergymen who are pledged to preserve Christianity are in fact aiding and abetting Communism and Atheism. As a matter of fact some people, loyal to Christianity, have expressed skepticism of the charges I made in our "ILLUMINATI-CFR" Recordings that the plot to destroy Christianity has been in action for many years—and that the "*Reverend*" Harry F. Ward was the chief plotter. Thus I have decided to *show* that plotting via an interview with Karl Prussion as published in a document (*The Fact Finder*) issued by "WE, THE PEOPLE."

First, let me identify Karl Prussian for you: I have personally known Karl for many years, so I know whereof I speak.

Karl Prussian spent 26 years of his life in the Communist Party

and at one time during his membership in the Party was offered a scholarship by the Party to attend the Union Theological Seminary in New York City to be made a Methodist minister, at the same time to continue being a devoted Communist. Later Karl served as a volunteer (*undercover*) agent for the FBI during the last 12 years of his membership in the Communist Party and he is today devoting his life to openly exposing the Communists and warning the American people of the aims and tactics of these enemies of our nation.

Once Karl was asked this question: "*When you were in the Communist Party, you said that at one time they decided to change your direction and make a preacher of you. How were they going to do that, and how did they say they could put you through Union Theological Seminary?*" Here is his answer:

"I don't like to call it the Communist Party, because it is not, never was, and never will be, a political party. It's an apparatus, and we should call it that.

"After having served the Communist Apparatus, I was called into a high level meeting at 5969 - 14th Street, Detroit, Michigan. Gathered at this meeting were very prominent, well-known, international Communists. We discussed my past activity within various religious organizations that I had infiltrated through hidden identity.

"The district organizer of the Communist Apparatus, William Weinstone, rewarding me for the excellent work I had done within the church organizations, invited me to attend the Union Theological Seminary in the city of New York in September of that year for the purpose of studying to become a Methodist minister of the Gospel.

"Usually, when you're given such an honor, you accept it gracefully and you're very happy about it. But I asked William Weinstone a question: I said, 'How do you expect the Union Theological Seminary to even consider me as a student of theology, let alone accept me, when I am a known Communist and have been involved in demonstrations, in violence and strikes, and I've been arrested many times? Certainly the board of the Union Theological Seminary knows about this.'

"He said, 'Karl, don't worry about that. The chairman of the board of the Union Theological Seminary has requested that you go and I want you to meet our dear comrade, Harry F. Ward.' Whom I met—he was sitting two chairs to my left.

"I never call a person a Communist unless I know that he is a Communist and has attended Communist meetings with me."

Karl Prussion is very careful to never make a mis-statement, or to say

anything that he cannot prove. I said to him, "Dr. Harry F. Ward was a strong influence at Union Theological Seminary for over 25 years. During that time many students came under his influence and later taught there and in other seminaries or became pastors of churches. Thus, his work lives on in the teaching of other divinity schools and in the preaching in churches throughout the nation, exerting a strong influence throughout the church movement. Isn't this true, not only of Methodist ministers, but of many other denominations as well?"

"Obvoiusly," said Karl Prussion. "There are in active work today, either teaching or preaching, hundreds and possibly thousands of ministers of the Gospel who have studied under the tutelage of Harry F. Ward and his Social Action type of ministry, which the Communists are advocating in the United States today."

Karl was asked how he happened to get "hooked" into the Communist Apparatus, as he calls it.

"I joined the Communist Apparatus of the United States in 1933 while I was a student at Wayne State University in Detroit, Michigan. We were living in a sick and uprooted world, threatened by Fascism, just as we are threatened by Communism today. We had just recognized the Soviet Union, and we were to start a new era of cooperation with another great nation. The Communist Party was a bona fide political party on the ballot. There was much suffering and hardship during that period and there was a tuition raise on the campus and, since most of the students were the type who had to work their way through college, there was much resentment. And suddenly, from out of the blue, a new organization formed. It was called the National Student League and its purpose was a noble one. They wanted to stop the tuition raise. Most all the students joined this organization, as did I, none of us realizing that this was one of the very first Communist-front student organizations in the United States. I became its chairman, I was lionized into leadership by certain scholars and professors and was given much attention, much recognition. Two professors, in the main, came to me with the solution to all of my problems and all of the problems of mankind. It sounded very much like the Ten Commandments I had learned at home. I learned to admire and respect and to literally worship these brilliant scholars. When they suggested and urged me to join the Communist Party, I made the biggest mistake of my life: I joined the Communist Apparatus in the United States.

"The Communists always have been, and of course still are, very active within church organizations. The Communists know and they know well that the biggest obstacle that they have to overcome, in order to establish an atheistic dictatorship, is belief in God and the flourishing of places of worship. They have, therefore, concentrated on church organizations over all. They know, for example, that if they can get a minister of the gospel to wittingly or unwittingly epouse the Communist objectives from the pulpit on a Sunday, that for the duration of the week members of that congregation

in their political and in their social organizations, when they hear the same program espoused, are more apt to go along with that program because they heard it from their minister.

"The Communists, in my opinion and I base this strictly on my experience, have been very influential and very effective in transforming the spiritual part of the church into a materialistic one. This is helping to take our country to Socialism and, ultimately, to Communism.

"The Communists have very definite objectives in the United States and in every country that they insist they will ultimately take over, and one of their major objectives is for the destruction of the morale of the nation. This is extremely important to the Communists and they are, therefore, very subtly carrying on a campaign of infiltration in which they try to destroy the morale of our nation.

"Now, disrespect for law and disregard for legal authority, law enforcement agencies, have been primarily their work in demoralization. They, therefore, over the years have been working through church organizations to organize and to lead demonstrative activities in which they provoke a violence. To put down that violence, police have to be called in to maintain law and order. They are then charged with "police brutality." Around that issue of "police brutality" they have been successful in causing disrespect for law and for our law enforcement agencies.

"I can relate many experiences, but will only relate one at this time. The Communist Apparatus sent me to the city of Flint, Michigan, for the purpose of working among the ministers in that city, together with six other hidden-identity Communists. The issue that we chose was juvenile delinquency. And you have to bear in mind that Communists are experts in the teachings of their mentor, Nicolai Lenin, to take advantage of every minute fissure, every bit of rudimentary discontent, to organize people and lead them in demonstrative activities.

"We succeeded in getting twelve different church organizations to help us organize a youth organization which was named by the Communists 'The Christian Youth League of Flint, Michigan.' It reached a membership of about 400 young men and women from high school and junior college. And, because it was Communist-led, there were demonstrations in that city. At one of these demonstrations there was so many people that the crowd overflowed into the streets from the Council Chambers. The Communists provoked violence. They did this by two Communists fighting each other, and very soon the peaceful assembly was turned into a riotous mob.

"The newspapers, the next morning, carried a headline depicting 'police brutality.' The Communists were elated because they were able to organize a committee, consisting of clergymen, businessmen, politicians and respectable people of the community. They demanded the dismissal of Police Commissioner Wills, they asked for a grand jury investigation, they charged 'police brutality' and they asked for a Police Review Board to be set up.

"Now, this little experience took place in 1934. And it has been repeated thousands of times from coast to coast and from border to border in the United States. It is no wonder that many young people and adults as well look at our law enforcement agencies and our officers of the law with disrespect. They are often referred to as goon squads and 'fuzzes' and other words that are derogatory of these men whose job is to preserve our lives and property.

"The disbelief in God and the 'God is dead' program is definitely a part of the Communist program. There's no question about it. It has helped in the demoralization, obviously, of young people and adults as well.

"We have to keep in mind that Communism is materialism, that Communism denies God, ridicules the soul and the spirit of man. Communism has no morals, it has no honor, it has no scruples. It is contrary to all of God's teachings and all that Christians stand for. It is really atheism. I believe that is an accurate description of the Communist Apparatus everywhere they operate.

"There are many individuals in the clergy that can be identified as Communists. We have to keep in mind, too, that it would be a tragic mistake for any person, to call people Communists because they happen to pick a position that is a Communist objective. There are many good Americans who take positions that parallel those of the Communists unwittingly, and they should not be called Communists.

"We have to be careful. There are many ministers of the gospel today who espouse the Communist cause and are fully unaware of what they are doing. It is impossible, in my opinion, for a true minister of the gospel to ever become a Communist because of what Communism is. In action, it is the exact opposite of belief in God. But it isn't impossible at all for a dedicated Communist to enter the ministry. There are many examples of this.

"It is truly a sad and deplorable situation that we find ourselves in relative to church organizations. It is commonly known to all Communists and all of the cell meetings that the National Council of Churches is a product of intense activity of Communists within church organizations in the United States. And the Communists are almost ecstatically pleased and happy about the program that is set forth by the National Council of Churches. If you were to take the program of the Communist Party as it is written today and put it alongside the program of the National Council of Churches, you will find that the two programs are identical and that they are working toward the same objectives. The National Council of Churches' program parallels that of the Communist Apparatus in the United States.

"There is much rapport and sympathy between the ecumenical movement in the Christian church and what I call the One World Communist Apparatus. Regrettably, the One World Communist Apparatus is taking the leadership in this ecumenical movement. One only has to observe that within the ec-

menical movement you have representative priests from atheistic Russia and representative priests from the many satellite Red nations in the world. And there is much documentation and through experience I know that all representatives to the ecumenical movement representing Red Russia and its satellite countries are nothing more or less than agents, NKVD agents, of the Soviet Union.

"The purpose of the ecumenical movement throughout the world, although it sounds brotherly and helpful for all mankind, actually is a medium through which the Communists can ultimately attract all people of all religions, of all national groups, into a One World Government in which the Communists will have total and complete control through an atheistic dictatorship."

There, in the words of Karl Prussion, you have a clear picture of the means and methods employed by the One-World Conspirators to destroy Christianity which is the greatest barrier to their Conspiracy. The Conspirators know that AS GOES THE CHURCH SO GOES THE NATION!

But Karl Prussion is not alone in that knowledge. Many other alerted patriotic Americans by now also know that TRUTH. Recently Congressman James B. Utt of California wrote this warning:

"With a dedicated patience, Communists long ago infiltrated the Seminaries . . . and there are now Communists in clerical garb at all levels of religion."

How many divinity students have been indoctrinated by these Communists in clerical garb? *Warn them!* Give them copies of this "NEWS-BULLETIN" to alert them.

How many innocent church people have been influenced by these Red preachers and their dupes. *Inform them!* Give them copies of this "NEWS-BULLETIN" to alert them.

Over 40 million Americans support churches that sustain the National Council of Churches and their RED aims to DESTROY CHRISTIANITY. Help us to enlighten these millions how to destroy these would-be DESTROYERS OF CHRISTIANITY.

In one of our forthcoming NEWS-BULLETINS we will continue our unmaskings of the ILLUMINATI-CFR-UN's "Every Little Movement Has a Meaning ALL ITS OWN" under the title of "PLOT TO TRANSFORM USA INTO A POLICE STATE."
