BORING, OR 97009

WHY "WARNINGS" MUST CONSTANTLY BE REPEATED.

Throughout the past twenty five years we (CEG) have constantly been **STRESSING**, *and repeating*, the tragic fact that the "*short memory*" of our people is the greatest handicap in the fight to save our Country from the "ILLUMINATI-CFR" plot to enslave our nation in their "UNITED NATIONS" One-World Dictatorship. . . . In this "*News-Bulletin*" I shall endeavor to show how that "*short memory*" came into being—why it is such a great **MENACE** to the **FREEDOM** and **SECURITY** of our Nation—and *what we must do to overcome this MENACE.*

Now, **YOU** may be familiar with much of what you will read in this "*News-Bulletin*," nevertheless, I earnestly urge you to *very carefully read it.* To **STRESS** that urging, I will cite two incidents which will prove beyond all arguments that "*Warnings Must Constantly Be Repeated*" if we are to save our Country:

SHALL AMERICA DIE WHILE WE SLEEP?

Shortly after our U.S. Senate signed the "UNITED NATIONS CHARTER" in 1945, John T. Flynn, famous author, journalist and Radio Commentator, said: "*America is doomed—only a Miracle can save it.*" He then emphasized that dire prediction with the following statement:

"The UN has two techniques all set and ready for the transformation of the United States into an enslaved unit of their **ONE-WORLD DICTATORSHIP**:—No. 1) They have in preperation what they call a "**GENOCIDE CONVENTION**," which, if our Senate will ratify into a "**TREATY**," will give them (the UN) absolute **LIFE** and **DEATH** control of all the American people. . . . No. 2) A '**Racial Upheaval**' to bring about '**DESEGRETATION**' then '**INTEGRATION**,' then intermarriage of Whites and Blacks, which will result in the **MONGRELIZATION** of the American people—and that will be the end of the U.S. as a Free and Sovereign **CAUCASION** Nation—and the end of our **Christian Civilization.**"

Flynn made that statement in one of his Radio broadcasts. It created a sensation—*for a few days!* But, despite Flynn's great stature as a journalist, the Press completely ignored his "**WARNING**"—he was cut off from Radio, and therefore had no means of

repeating that warning—and within a few days the people completely forgot all about it! In great measure that “forgetfulness” was due to the fact that at that time both the Press and Radio were constantly heralding the UN as a “*holy of holiness*”—that it was the only sure guarantee for the “PEACE” of the Universe—and they branded everybody who even remotely disapproved of it (*the UN*) as a vicious enemy of the People.

Now let's go to the other incident: Shortly after Flynn voiced his “*warning*” and dire predictions, I wrote my book “RED TREASON IN HOLLYWOOD” in which I exposed that the Film Industry was the chief supporter of the ILLUMINATI-CFR's Communist Conspiracy in America. Even though I was then at the height of my career in the Entertainment World, I was scheduled to receive the same “*silent treatment*” that “*killed*” John Flynn, but I had named the Hollywood Stars, Writers and Producers who were the backbone of that Conspiracy in Filmland, among them Eddie Cantor, Edward Robinson, Harry M. Warner, Katherine Hepburn, Dalton Trumbo and hundreds of others. Those “*celebrities*” just “*couldn't take it*”—they issued Press denials in which they blasted me as a “*liar*,” a “*rabble rouser*,” etc., etc. That forced the Press to publish my retorts and further charges. That kept that entire issue alive. In addition, with the help of a number of Presidents of Women's Clubs and other loyal Americans, I organized the “CINEMA EDUCATIONAL GUILD” and began to publish a monthly “*News-Bulletin*” in which I continued my expositions of the Red Conspiracy in Hollywood. That finally forced the famous Congressional Investigation of Hollywood. You know the rest. It was the constant repeating of the “*warnings*” in our “*News-Bulletins*” and “*Tracts*” that kept alive the entire frightening story of the GREAT CONSPIRACY to destroy our nation—*because the PRESS certainly has not been doing it!*

However, the time for just “WARNINGS” has come to an end—only ACTION will now save us. The election of Richard Nixon to the Presidency has brought us face to face with John Flynn's dire prediction of “*DESEGREGATION, then INTERGRATION, then MONGRELIZATION.*” Nixon's determination to force Senate ratification of the UN's “GENOCIDE TREATY” is the signal for the implementation of the entire “ILLUMINATI” plot. We have only one effective counter-action against it, and that is a CONGRESS that will re-assert the power and authority it was provided by our Constitution to guard our Nation *by getting the U.S. out of the UN and hurling the UN out of the U.S.!* We have only a few short months left in which to accomplish that. And only YOU and YOU and YOU

can FORCE our Congress to do that job. . . . This "*News-Bulletin*" is dedicated to organize and consolidate All our people into a solid MASS EFFORT for that job. I am sure that every loyal American who will read this "*News-Bulletin*," and will DIGEST it, will join in this fight. Will you help by getting a copy of it to EVERYBODY you know or can reach?

To awaken all Americans who are still in "*slumberland*," in this "*News-Bulletin*" I will tell the complete story of the GREAT CONSPIRACY. To make it *complete* I will have to *repeat* statements I included in some of our previous "*News-Bulletins*." The reason for the "*repeats*" is that, as I have previously stated, the memory of our people is very short, but more important, that memory has been, and is being, distorted, blurred and confused by the propaganda practised by our CFR-controlled Mass Communications Media, and therefore needs *constant reminding and correction*. . . . But there is another and even more important reason: there are many millions of loyal Americans who even today are not fully aware of the GREAT CONSPIRACY—they know that something very wrong is going on, but they don't know what it is—and don't know how to fight it. This "*News-Bulletin*" will teach them. It is my great hope and prayer that YOU, and all other loyal Americans, will get copies of it to all of the uninformed Americans in your Community. I repeat: that is why, to *fully alert* and make them aware of the ENTIRE Conspiracy, I am including a condensed, *but concise* revelation of it from its very inception. Perhaps YOU don't need that revelation, but many of those I am urging you to enlist into our Army of "*Christian Soldiers*" to fight for the salvation of our Country definitely *do* need it. . . . Also our TRACT No. 12, entitled "*The ILLUMINATI-CFR CONSPIRACY*," will help you to *convince* every true American you will contact. You can get this "*Tract*" at the rate of \$2.00 for 100 copies. Please, in addition to this "*News-Bulletin*," get a copy of it into the hands of everybody you can reach—it can be used *effectively* to tell every Member of Congress what their constituents want them to do if they (the Congressmen) wish to hold their seats in Congress. . . . I pray to God to inspire you to do it.

Now let's go back to John T. Flynn's original WARNING and dire predictions:

At the time Flynn voiced that dire prediction (in 1945) very few of the American people really knew, or understood the system by which we had been governed during the previous 30-odd years—that our REPUBLIC, set up for us by our Founding Fathers as a "*Government of the people, by the people, for the people*" had been

dead through all those years, and that since 1919 we had been ruled by what he described as a traitorously "INVISIBLE GOVERNMENT," officially known as the "COUNCIL ON FOREIGN RELATIONS" (CFR), which is the FRONT in the U.S. of the "ILLUMINATI"—and that the HIERARCHY of this (CFR) "Invisible Government" in the U.S. is composed of American traitors who rule our nation from behind the scenes!

Actually, at that time, hardly any of the American people—if any—knew of the existence of the "ILLUMINATI" and their nearly two-centuries old plot to enslave all the people in the entire world in a ONE-WORLD DICTATORSHIP. And they certainly did not know that the "UNITED NATIONS" was created by the "ILLUMINATI," with the help of American traitors, to be the instrument that was to entrap the U.S. in their One-World plot. . . . it was our own American traitors who deluded the American people into the false belief that the UN was a great "humanitarian" organization that was to end all wars and maintain "PEACE" throughout the world!

In our "News-Bulletin No. 110," and in our "RECORDINGS," entitled "ILLUMINATI-CFR GREAT CONSPIRACY," I presented a crystal clear outline of the "ILLUMINATI" and its "GREAT CONSPIRACY." I revealed that it is headquartered in the "HOUSE OF ROTHSCHILD," in London, England, and that its plottings in the U.S. is being masterminded by that sinister outfit that calls itself the "COUNCIL ON FOREIGN RELATIONS" (CFR). This CFR was created in 1919, immediately after our then still loyal Senate and still loyal Press had unmasked the "LEAGUE OF NATIONS" (prototype of the present "UNITED NATIONS") as the intended "housing" for the ILLUMINATI's One-World Dictatorship. That unmasking torpedoed the whole plot, and the Conspirators (ILLUMINATI) realized that the U.S. was and always would be, the one great obstacle to their GREAT CONSPIRACY. And they knew that the only way that obstacle could be overcome was by organizing a "wrecking crew" within the U.S., to be composed of highly regarded (but treasonous) Americans who would delude and brainwash the American people. Consequently, the CFR, which was initiated and launched (in 1919), by Jacob H. Schiff, the Rothschilds' "BOY" in the U.S., has been serving as that "wrecking crew" ever since. The original CFR Hierarchy was composed of Schiff, his right hand man, Col. Ed. Mandell House, the Rockefellers (sometimes referred to as "The Rottenfellers"), the Lehmans, Warburgs, Bernard Baruch, Sidney Weinberg and all the so-called International Bankers in the U.S.—plus all the Industrialists who are their "clients". . . . And their "elected" and "appointed" stooges in Washington have ranged from Woodrow Wilson, Frank-

lin Roosevelt, Truman, Eisenhower, Kennedy, Johnson, RICHARD NIXON, ALGER HISS, Dean Acheson, the Dulles Boys, McNamara, the poisonous Earl Warren and the U.S. Supreme Court as a whole—plus numerous Senators, Representatives, etc., etc. . . . *all of them outright traitors!*

In that same "*News-Bulletin, No. 110*" and in the "RECORDINGS" I revealed all the chief objectives of the CONSPIRATORS, and the techniques they employed, *and still employ*, to achieve those objectives. I will touch on all those objectives in later pages, but at this point I will concentrate on their first and most important objective in 1919—and that was: *to get complete control of all our Mass Communications Media—and why that objective was so important to them—and why it is such a great MENACE to us:*

THE WHY OF OUR "SHORT MEMORY"!

One of the most vital provisions in our Constitution—if not *THE most vital*—is the Freedom of the PRESS. The theory behind that provision was that a FREE PRESS would keep the people fully informed and alerted about all events that might threaten the safety and security of our nation. For a Century and a half our Free Press DID keep us fully informed and alerted. As a consequence, we, the people, became accustomed to let the Press do all our *thinking* for us—we came to *depend* upon the Press to be our WATCH DOG. We became accustomed to being "*told*" what to do—and we acted accordingly: we took all necessary actions, *as advised by the Press*—we elected into the White House and into our Congresses the men who, *according to our PRESS*, were the *proper* men to keep guard over our Nation. . . . and then we, the people, would proceed to "*forget*" all about it. As a result, we acquired what is commonly known as a "*short memory*"—we simply left everything to our "WATCH DOG," the PRESS.

Now, all that may sound far-fetched to some who will read the above. But think back: Can you recall any man whom we elected to the Presidency who did not have the confidence and endorsement (*generally*) of our Press? On the other hand, I am sure you can recall some of the men we refused to elect because their "*deficiencies*" were exposed to us by our Press. The same goes for most of the men who sought seats in our Congresses and other vital offices. . . . To further established why we always had such great

faith in the Press as our WATCH DOG, it was always the Press that alerted and warned us of any acts and deeds, planned or perpetrated, that spelled danger to our people or to our Country; as a prime example, I will cite Woodrow Wilson's traitorous attempt in 1918 to lure us into the "League of Nations"; *it was the Press that alerted the people to back up Senator Henry Cabot Lodge (not the phoney of today) in his rejection of that attempted act of treason!*

Thus, the great faith of our people in our (WATCH DOG) Press was quite understandable . . . *until the CFR entered into our national picture! . . .* And, by that token, so was the "short memory" of the people.

Now, the Conspirators (ILLUMINATI) knew all about our faith in our (WATCH DOG) Press—and in the "short memory" of our people. So, in 1919, after their "League of Nations" scheme was torpedoed, they decided to use both our faith in our Press and our "short memory" weakness to enable them to successfully launch their final plot for the take-over of the U.S. Their first step was the creation of the CFR.

The first "job" assigned to the CFR was to get complete control of the Press—and, as they came into existence, of Radio, TV and Hollywood.

Step No. 2 for the CFR was to get complete control of both our Major Political Parties: *that* would enable them (*the Conspirators*) to dictate the choice of the men *both* Parties would pick for the White House—*also the choice of many of the men for both Houses of Congress. . . .* absolute control of our Mass Communications Media during the 1920's *did* give them that power in 1932, when they planted Franklin Roosevelt, *their first full-time stooge*, in the White House. We know the rest: *from that time on we have never had a loyal American in our White House!*

Step No. 3 for the Conspirators: They knew that for a successful take-over of the U.S., control of the men in the White House and of all the other traitors in Washington, *important as that was*, would not be enough. They knew that they would have to destroy the *unity* of the American people as a whole—they would have to break us up into bickering and bitterly squabbling fractions that would destroy our spiritual strength to resist their over-all plot. They started that technique with a *manufactured "Racial Upheaval."* By now you know how that "*upheaval*" started a reign of terror throughout our nation—how it spread turmoil and anarchy into all our cities—and finally on to our Campuses and even grade schools. The important point I wish to stress is that our one-time

faithful WATCH DOG Press has since the 1920's been ruthlessly playing the game of the Conspirators—deluding, lying to, and brainwashing the *loyal* American people—encouraging and glorifying the traitors—and fomenting our youth to commit open treason to our Country, and, *without realizing it*, to themselves.

In 1945, and even earlier, John T. Flynn kept warning the people to “WAKE UP” and be on guard against the betrayals and “*brainwashings*” by their one-time WATCH DOGS (*the Press*)—he warned us of the coming “*Racial Upheaval*.” Fulton Lewis, Jr., voiced similar warnings. So did a few other loyal-to-America journalists, *until their voices were silenced by the new (CFR-controlled) owners of all the Mass Communications Media!* They *did* awaken some of our people, *but, tragically, too few!* But their very final words were that “*Warnings Must Constantly Be Repeated Until The People Will Be Jolted Out Of Their ‘SHORT MEMORY’! ! !*”

Therefore, I urge you to take this as another WARNING—and an *extremely vital one*—read it very carefully and join us in what may be our last chance to save our Country.

●

ONLY A LOYAL CONGRESS CAN DO IT! ! !

●

I have a very vital reason for this latest WARNING: The ANARCHY that has already virtually engulfed our entire nation means that our time to save our Country is running very short. *Only a complete awakening of all our people can save us!* We KNOW that we cannot trust our President and his CFR-controlled Cabinet to save our Country. That means that *only a completely loyal Congress* can do it—and *this is our last year in which we can hope to achieve such a Congress!* But only a fully alerted people can accomplish such an achievement. Hence, I am devoting this “*News-Bulletin*” to (*hopefully*) do that alerting. It is up to YOU and YOU and YOU to get this WARNING to *everybody* in your community to very carefully SCREEN every candidate for a seat in our next Congress—to make SURE that he is a truly loyal American who cannot be bribed or seduced into a sell-out to our ENEMY WITHIN—as has happened with many Members of Congress ever since we allowed our Senate to entrap us into the UN!

In short, this “*News-Bulletin*” is an urgent and prayerful effort to jolt all our people out of their “*short memory*.” It is that “*short memory*” that has enabled the CFR to load the White House, our Congresses, and even our State Legislatures, with their traitorous

stooges who have been *selling* our Nation into their One-World Trap. *We must not let that happen again!!!*

You may ask why I am so sure that a *loyal* Congress can save our nation. The answer is very simple: Congress can haul in the UN and its CHARTER for a thorough examination and investigation. . . . *And nothing that the Man in the White House can do can prevent it!* . . . Such an investigation will fully reveal the entire fraud of the UN—it will completely unmask the entire ILLUMINATI-CFR Conspiracy. I KNOW that—the late James B. Utt knew it—Congressman John Rarick and other Members of Congress know it. Such an investigation will reveal that every President we have had since Franklin Roosevelt has been shielding the UN and obeying the orders of the CFR. That is why I say that *only a loyal Congress can save our nation.*

For those who still may wish to challenge my charges that the treachery of our one-time WATCH DOG Press and the “*short memory*” of our people are responsible for the dire straits our country is in today, I submit the election of Richard Nixon to the Presidency of the U.S. as concrete evidence:

In 1959 Nixon (*in collusion with Eisenhower*) spearheaded a plot to repeal the “CONNALLY AMENDMENT.” The repeal of that “*Amendment*” would have cleared away the one supreme obstacle to the plot of the CFR to transform the U.S. into an enslaved unit in their UN One-World Dictatorship. With the help of a few other Patriotic Organizations, we (CEG) unmasked that “*repeal*” plot, and aroused the people into such a nation-wide outcry that it terrified Nixon (*and Eisenhower*) into hastily abandoning that plot. . . . Simultaneously we revealed that Nixon (*also Eisenhower*) had long been a member of the CFR, and that the attempt to repeal the “*Amendment*” had been an *obedient* response to an “*order*” from the CFR and their UN. . . . *We also revealed how Nixon had saved the UN from being unmasked during the trial of Alger Hiss!*

Now, that attempt to repeal the “*Amendment*” was just as much an act of treason as the Hiss plot that entrapped us into the UN. The only difference is that Hiss succeeded and Nixon was stopped. But the same one word, TREASON, covers both cases. Yet, while the infamy of Hiss will never be forgotten by the American people, hardly any American today remembers the Nixon attempt to betray our Country. . . . WHY? The answer is simple: the Hiss case was brought out into the open—he was put on public trial for *his* treason—the Press could not, *dared not*, ignore it, hence it became an unforgettable episode in the history of our Country, as unfor-

gettable as the Benedict Arnold episode. . . . whereas, in the case of Nixon, except for a brief mention that the “efforts” to repeal the “Connally Amendment” had been abandoned, the Press, as a whole, had hush-hushed the entire matter; there was no review of the “Amendment” and what it stands for—no mention of the consequences to the Freedom of all the American people and to the very Life of our Nation had that “repeal” plot been successful—no mention of the Conspirators (*the CFR and the UN*) for whom Nixon had launched the plot—it all was dismissed by the Press as a matter of little importance, and in a matter of days virtually all of the American people “forgot” all about it. *And therein lies the great menace of the “short memory” of our people and of the treachery of our one-time great WATCH DOG Press:* It absolved Nixon—and left him free to continue to collaborate with the CFR—it left him free to continue to delude the American people *with glittering promises* into electing him into the White House, where he is continuing to carry out CFR and UN orders—it left him free to fill every important post in our Federal Government with ILLUMINATI-CFR operatives such as Kissinger, Yost, Beam, (Dr.) Burns and others of that ilk, all of whom are brazenly Hell-bent to destroy the Freedom of our Nation. . . . and *they are succeeding because of the “short memory” of our people!!!*

Now, to re-alert YOU, and to “educate” all those Americans who are still unaware of the GREAT CONSPIRACY in its full sense, let’s go back to the very beginning of it:

THE ILLUMINATI

In the early 1770’s, one Adam Weishaupt, a Catholic Priest, defected, and organized what he called “THE ILLUMINATI.” The over-all objective of that “ILLUMINATI” was the enslavement of the whole world in a “One-World Dictatorship.” His collaborators (*and financial angels*) in that heinous plot were the then emerging “House of Rothschild” and their associated Money Lenders of those years, now commonly known as “International Bankers.”

Now, that “One-World Dictatorship” plot may sound utterly fantastic and beyond belief, but the idea of WORLD CONQUEST is nothing new. History tells us of many men who sought total mastery of the world. Alexander the Great was, perhaps, the most famous of them. The Roman Caesars nearly achieved it. Genghis Khan

just barely fell short of it. Napoleon, too, had that ambition. But all those would-be Conquerors were warriors. They made no secret of their objectives—and they sought their conquests by force of arms. But the “*Masterminds*” of the “ILLUMINATI” were, *and still are*, a different breed of would-be Masters of the world. From the very outset they have been employing the techniques of Machiavelli. First of all, they theorized that they would have to destroy all Monarchies and all legitimate Peoples’ governments—and there is a mass of documentary evidence to prove that all Revolutions, Wars, Depressions, Anarchy and all types of Chaos from 1776 to this very day stem from this source. . . . their fiendish program also called for the destruction of all Religions, *particularly Christianity*, so as to destroy all spiritual principles. Ruthless, crafty, utterly unscrupulous, they hid behind phoney ideologies. To this very day they remain hidden in a background of secrecy and mystery, all their schemes and plots carried out by Frontmen and traitorous stooges. They employed from the outset (*and never deviated*) bribery and blackmail to seduce every type of official in high places. Their chief strategy, *always*, was to create strife, to promote anarchy, nihilism, revolution. They set the masses against the classes—peasant against Landowner—workman against Employer—the have-not against the haves. They *promised* the lands of the Landowners to the peasants—the industries to the workers—the riches of the haves to the have-nots. Their chief weapons were confusion, fear, suspicion, threats of annihilation, etc., etc. . . . *exactly the same weapons they are employing in America today! ! !* What better proof of all that do we need than the Lyndon Johnson proclamation: “*We are going to take all the money away from the haves and give it to the have-nots*”. . . . or Nixon’s “*guarantee*” of \$1,600 a year for every family, *whether they work for it or not! . . .* And what did they (*the Conspirators*) always proclaim their objective to be?—the happiness and freedom of the human race—*but, in particular, of the masses, the WORKERS. . . .* Here it is very important to note that one of Weishaupt’s closest co-conspirators was a Rabbi Mordecai, a protege of the original Rothschild—that Rabbi had a grandson who later changed his name to KARL MARX, whose “COMMUNIST MANIFESTO” and other Socialist writings were nothing more nor less than the “ILLUMINATI” plans of operation. Which clearly establishes that “COMMUNISM,” so dreaded by the American people and all the peoples of the Free World, and which has been the “*excuse*” for the Korean War, the Vietnam War and all such “*wars*,” is the chief *instrument* of the “ILLUMINATI” to conquer and enslave the whole world. . . . *It is also highly important to note that all of the Rocial Upheavals in our country, which is directly responsible for the breakdown of Law and Order, of the rioting, lootings, murders, strikes, etc., etc., are all based on “Communism”—and are distinctly*

a part of the ILLUMINATI plot for the final take-over of our Country.

In short, COMMUNISM was invented by the ILLUMINATI and financed by the International Bankers to serve as their cover-up for their One-World Conspiracy! . . . *We must NEVER lose sight of that fact!!!*

The "ILLUMINATI" reached their first high point in their Conspiracy with the French Revolution and the murderous "*Reign of Terror*" that followed. Of course, Robespierre, Murat and all the other (*trusted by the people*) "*leaders*" of that bloody event were tools and stooges of the "ILLUMINATI"—*just as many of our present trusted "ELECTED LEADERS," beginning with Woodrow Wilson, have been, and STILL are, tools and stooges of the present (ILLUMINATI) International Conspiracy!!!*

The "ILLUMINATI" had intended to make the French Revolution serve as a pattern for similar Revolutions throughout all of Europe. But Napoleon threw a monkey wrench into their machinery. Although he (*Napoleon*) had started out as a "*tool*" of the "ILLUMINATI," he seized upon that Revolution as his own opportunity for *personal* world conquest. The Masterminds of the "ILLUMINATI" had not anticipated that—it, *temporarily*, stopped them dead in their tracks. Napoleon was a real military genius, perhaps the equal of Alexander the Great and Genghis Kahn. No one nation, not even Britain or Russia, could have stopped him. The "*Masterminds*" realized that they would have to hold all their plans in abeyance until they could create a coalition of nations to dispose of Napoleon. They assigned that job to the "*House of Rothschild*," then headed by Nathan Rothschild, headquartered in London. And, as we know, they were successful. But that disruption created havoc for the "ILLUMINATI"—it unmasked them—it made "ILLUMINATI" a "*dirty word*" throughout all Europe. But it did NOT mean the end of the GREAT CONSPIRACY—it merely forced the "ILLUMINATI" to go underground—it also forced them to change their over-all technique; to wit: In order to make the peoples of the world "*forget*" that there ever had been an "ILLUMINATI" which had drenched all Europe with the Blood of the French Revolution and the Napoleonic Wars, or, at least, to make the peoples believe that it no longer existed, they (*the Masterminds*) set up individual organizations under various names in every nation in the world—but, *of course*, all such organizations take their directives from, and continue to work under the tight control of the same, *now underground*,

Hierarchy of the "ILLUMINATI". . . . here it is important to again remind that in the United States the "ILLUMINATI" operates under the name of "THE COUNCIL ON FOREIGN RELATIONS" (CFR), which was "officially" organized immediately after World War One.

(Note:—The above is a brief "thumbnail" sketch of the "ILLUMINATI," the most fiendish Conspiratorial Organization in the entire history of the world. It is utterly impossible to provide all the details of this SATANIC outfit in the limited space of this "News-Bulletin," but for those who want to know ALL about the "ILLUMINATI," you can find it in our "News-Bulletin," No. 110, published in 1965. Later, in response to a great demand for more detailed exposition of this horrifying CONSPIRACY, in June 1967, I told the entire story, in ALL its grisly details, in a Set of Recordings (3 two-sided Records) entitled "THE ILLUMINATI-CFR CONSPIRACY." EVERY American who loves and would save our Country should have a Set of these Recordings and play them to friends, neighbors, Study Groups, and all Patriotic Organizations in our Land, so as to alert all of the American people to the ILLUMINATI-CFR One-World Dictatorship plot.

BIRTH OF THE CONSPIRACY IN THE U.S.

Earlier I stated that the "ILLUMINATI" set itself up "in business" in the U.S. immediately after World War One under the euphonious and highly respectable—sounding name of "COUNCIL ON FOREIGN RELATIONS." But, actually, from its very inception in the 1770's, the "ILLUMINATI" had never overlooked the new world. George Washington revealed its design on America in a statement he issued in the Salem (Mass.) Gazette on December 25, 1798, in which he somberly warned the people of our then fledgeling nation against the "ILLUMINATES" in America dedicated to secret One-World Government. "If their art," said Washington, "can be applied to set aside the ordinary maxims of society and introduce policies of disobedience to government, while keeping its true aims secret, it must be obvious that such science and such societies may be perverted to all the evil purposes which have been suspected."

That statement by the highly revered Washington completely muzzled all the "Illuminates" in America for many years. A "Con-

War destroyed the ILLUMINATI's plot of that period to get control of the United States. . . . *But, as I have so frequently stated, they (the ILLUMINATI) never give up!*

THEY REVISE THEIR PLOT

Shortly after the Civil War, Jacob H. Schiff, a young immigrant, arrived in New York. . . . Jacob was a young man with a mission—for the House of Rothschild and the "ILLUMINATI." His "mission" was to implement all the new "strategies" of the ILLUMINATI that were to complete the take-over of the U.S. In short, he was to be the Field Marshal of their "wrecking crew" in America.

SCHIFF'S CHIEF "JOB" IN THE U. S.

In the "ILLUMINATI-CFR RECORDINGS" I cited all of the Schiff machinations which enabled the "ILLUMINATI-CFR" to become the secret "INVISIBLE GOVERNMENT" of the U.S. I clearly established that this "INVISIBLE GOVERNMENT" controls both of our major political Parties. I showed that during the past 60-odd years our Presidential and other elections have been "fixed" and "rigged." I showed that this INVISIBLE GOVERNMENT does not merely rule the political roost—that it also rules our Economic life (*via the fraudulent "Federal Reserve Act"*), our Mass Communications Media, our Literature, even our Educational System. I showed how all those objectives were plotted in advance. But the crafty Conspirators knew that even with all those objectives accomplished, it still would not mean complete conquest of the U.S.—they knew, *and greatly feared*, that somehow, in some way, a UNIFIED American PEOPLE would become awakened to what was being done to them and that a REVOLT could come about that would smash the entire plot. In short, they knew that to succeed they would have to find some way to destroy that UNITY of the American people.

That was not the first time they realized that fact. To prove that point I will go to an incident I described in the "ILLUMINATI-CFR RECORDINGS": That incident was a meeting of the ILLUMINATI HIERARCHY in London in the mid-19th century, at which the matter of achieving control of the Money System of the U.S. was discussed—also, *naturally*, the matter of enslaving the U.S.

within their One-World Dictatorship trap. They had long before realized that the great obstacle to the achievement of that latter objective was the unity of the American people. Disraeli, a kin of the Rothschilds, and at that time Prime Minister of Great Britain, came up with a "*brilliant idea*": they would use the Negro as the catalyst to create dissension; bitterness and hatred between the people of the South and the people of the North and thus tear the nation apart. As we know, it was that "*idea*" that was the actual cause of our Civil War. But, as we also know, that "*brilliant idea*" died when the North won that war.

But despite that "*setback*," the Conspirators did not give up on that "*idea*." They simply began to formulate new plans of operating it. Thus, when the Rothschilds emigrated Schiff into the U.S. *one of his chief assignments* was to find ways and means to agitate and incite the Negroes to disrupt and destroy the unity of the American people. Following is how Schiff went about it:

In 1909 he engineered the organizing of the NAACP (*the "National Association for the Advancement of the Colored People."*) That was his initial step to pit the Blacks against the Whites. But to avert alarm and suspicion of the Whites he had the NAACP proclaim that its objective was to open opportunities for the Negroes to better their conditions of life via education and training for jobs—to help them get out of their so-called Ghettoes, etc., etc. In short the very name of the organization was intended to indicate "*humanitarian*" objectives, and that, theorized Schiff, would not only lull all suspicions of the White people, but would serve as a magnet that would attract all the Negroes.

However, the NAACP was not to be Schiff's trump card in his planned "*Racial Upheaval*." He knew from past experience during the Civil War period that the Negro, as an individual, is lazy, indolent, shiftless—that he has no real ambition for "*equality*" with the White man. So he (Schiff) created the NAACP to serve as a cover-up for his real plans. Those real plans entailed the setting up of what we now call "*militant organizations*," such as the "*Urban League*," "*Scope*," "*Core*," the "*Black Panthers*," etc., etc., to do the actual job of creating the "*Racial Upheaval*," to destroy the UNITY of the American people. It was for that reason, in order to control and manipulate all the activities of the NAACP and to use it as a "*cover-up*" for all his machinations, that, from its inception, every President of the organization has been a Schiff handpicked Jew—that every Chief Legal Counsel, openly or undercover, has been a Schiff handpicked Jew. It may seem strange that through all the years the Negroes seemingly have not realized the anomaly of Jews being the official heads and directing forces of a (*supposedly*) pure-

ly Negro organization—well, the crafty Schiff counted (*correctly*) on the naivete of the Negro to overlook that anomaly.

In addition, Schiff knew that he would need something of a psychogenic nature to “*needle*” the Negroes into a desire for “*equality*” with the Whites. So, in 1910, he arranged for Israel Zangwill, an English Jewish playwright, to write a play titled “THE MELTING POT,” which was to be the launching pad for the RACIAL UPHEAVAL in America. Professionally, that play was an excellent job of writing, direction and production—and was one of Broadway’s (*New York*) big “HITS” of that year. The important point is that the *theme* of the play was *the supposed persecution of Jews and Negroes by the White American Christian people*. But that theme was so craftily camouflaged by the emotionalism in the play that nobody, not even I, with all my knowledge of theatre, had the slightest suspicion that the play was “*Racial Propaganda*.” I considered the theme “*bad taste*,” but I had no suspicion of its real objective..

Then, in 1912, Schiff commissioned another English Jewish writer, named Israel Cohen, to write a book, which he titled “A RACIAL PROGRAM FOR THE 20th CENTURY.”

Now, in “*The Melting Pot*” the Jew was the major “*victim*” of the “*persecutions*” of the Christian White American people—the Negro was a minor “*victim*.” That was intended to serve two objectives: Number One, it would explain the strange relationship of the Jew and the Negro in the NAACP and in all the MILITANT Negro Groups that were to follow—Number Two, it would make the play a “*humanitarian*” protest on behalf of ALL the MINORITY GROUPS in America.

But in the writing of his book, “*A Racial Program For the 20th Century*,” Israel Cohen employed no subtleties—he reached out directly to the savage instincts of the Black man. That amazingly brazen book contained all the “*directives*,” with no attempts at camouflage, for all of the Racial upheavals, riotings, lawlessness and murders that have been going on in our Country during the past 20 years. Shortly after traitor Earl Warren issued his infamous “DESEGREGATION DECISION” in 1954, which, *as it was intended to do*, launched Schiff’s all-out “*Racial Upheaval*” plot, we (CEG) revealed all those Israel Cohen “*directives*” in one of our “*News-Bulletins*” and in a “*Tract*” which called for the impeachment of Warren. That revelation brought avalanches of angry letters to all members of Congress—but no action followed, because the CFR and the ADL frantically ferreted out all copies of the Israel Cohen book and destroyed them—and our “*charges*” were proclaimed

by our traitorous Mass Communications Media and CFR-controlled officials in Washington to be unofficial, "based on a non-existent book," and therefore "false ravings" of a "rabble-rouser." But, simultaneously, Congressman Thomas G. Abernathy (D. Mississippi), in his opposition to a proposed "Civil Rights" Bill then before the Congress, inserted the following speech in the Congressional Record:

"This Civil Rights business is all according to a studied and well-defined plan. It may be news to some of you, but the course of the advocates of this legislation was carefully planned and outlined more than 45 years ago. Israel Cohen, a leading Communist in England, in his 'A RACIAL PROGRAM FOR THE 20th CENTURY,' wrote in 1912, the following:

" 'We must realize that our Party's most powerful weapon is Racial Tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mould them to the program of the Communist Party. In America we will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will endeavor to instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions, and in the worlds of Sports and Entertainment. With this prestige, the Negro will be able to intermarry with the Whites and begin a process which will deliver America to our Cause.' "

Bear in mind that those "directives" are right in line with John T. Flynn's warning about the "Racial Upheaval" that would start with DESEGREGATION, then INTEGRATION, then *intermarriage of Whites and Blacks*, which will automatically result in the MONGRELIZATION of the American people! ! !

Following his "quote" of the Cohen "Directives" Mr. Abernathy said:

"What more accurate prophecy could there have been 45 years ago of what we now see taking place in America than that made by Israel Cohen? The plan was outlined to perfection and is being carried out by politicians who have fallen into the trap.. Many thousands in America today who are in no sense Communists are helping to carry out the Communist plan laid down by their faithful thinker, Israel Cohen. TRULY VIGILANCE IS THE PRICE OF LIBERTY!"

The one point in Mr. Abernathy's statement with which I dis-

agree is: *"the plan is being carried out by politicians who have fallen into the trap."*

The truth is that not only did those politicians NOT *"fall into the trap,"* but all of them were carefully picked to do the job. I submit Richard Nixon as a prime example: throughout his campaign in 1968 he spouted glittering promises of great loyalty to the Country and to the people. But the moment he was elected he organized a Cabinet and *"Advisory Groups"* composed of CFR members, and ALL of them, *particularly Nixon,* promptly threw themselves into the job of promoting *"CIVIL RIGHTS"* Legislation for DESEGREGATION, for INTERGATION, for BUSING, etc., etc. They did all that, knowing full well what race-mixing would do to our YOUTH. . . . *To prove how well they know it, all of them have been, and still are, sending their own children to PRIVATE WHITE SCHOOLS!!!*

Now, the most important point about the Abernathy quote of the Cohen *"directives"* is that it was quoted directly from a copy of the Cohen book which he (*Abernathy*) had in his possession when he delivered his speech. Therefore, that *"warning,"* published in the *Congressional Record,* was definitely OFFICIAL, and could not be brushed off as being the *"false ravings of a rabble-rouser,"* as our (CEG) warning was brushed off. Drastic action by both Houses of Congress should have followed immediately; all Supreme Court Justices and heads of Federal Agencies who had *deliberately* aided the *"Racial Upheavals"* should promptly have been hauled in for proper punishment, and all Supreme Court DECISIONS in favor of *"Desegregation,"* *"Integration"* and *"Busing"* should promptly have been repealed, but, as we know, nothing of the sort was done. Instead, all the *"directives"* in the Cohen book were carried out and zealously supported by Earl Warren and all our Courts. Mass action on a scale unprecedented in the history of the entire world has been ravaging every community in our Land during the past twenty years. Watts, Chicago, Cleveland, Omaha, Philadelphia, Newark, Rochester, New York, Washington, D.C. and a hundred other cities have felt the lash of mass fury and rioting. And any of the victims who fought the looters and rapists were arrested and convicted as *"criminals,"* whereas the rioters were punished by light fines, *which they did not have to pay,* or given light sentences, *which they did not have to serve!*

At this point I wish to stress the most important feature of all this lawlessness that is tearing our entire nation to shreds: throughout all of it our Press, TV and Radio reported that each outbreak in all of the more than 100 different communities was an *individual and spontaneous* outbreak by masses of *"hungry and cruelly perse-*

cuted" Negroes—that the outbreaks in Watts and Harlem and Newark, etc., etc., had no relationships whatsoever with similar outbreaks in other cities. "Oh, sure," they admitted, "Watts MAY have sparked the Harlem outbreak, Harlem MAY have sparked the Newark outbreak," etc., etc. "But," they insisted, "there was nothing conspiratorial about it." . . . In short, throughout all these years all of our Mass Communications Media have been *deliberately lying* to the people. The truth is that ALL of the RACIAL lawlessness is, and has been, conspiratorial—*directly in line with the "directives" in the Israel Cohen book, which Congressman Abernathy read into the Congressional Record in 1957!!!* There is a distinct pattern of the Conspiracy in the "uprisings" in every city. Each "uprising" was *deliberately planned and fomented* by the same "leaders." During the past dozen years masses of concrete evidence of that fact have been submitted to both Houses of Congress. Furthermore, it has been FULLY established, *and the Press, TV and Radio were unable to disprove or hush it up*, that the leaders of the rioting gangs in Newark, Harlem, Washington and other cities have always been highly paid employees of the (Sargent Shriver) Federal "Anti-Poverty Program," the CIA and other Federal Agencies; that the Rap Browns, Carmichaels and others of that ilk (*including Martin Luther King*) have always been financed by the Ford Foundation, Carnegie Foundation and other CFR-controlled tax-exempt Foundations. It is also a *proven* fact that when the Racial upheavals were first launched, those highly paid leaders found it difficult to incite the Negro masses into their lawless projects. Why? Because the average Negro in those early years deathly feared the Police. Well, the Masterminds of the CFR quickly found a "cure" for that: they had Warren issue a few "DECISIONS"—*and the Courts obeyed those "DECISIONS!"* It was in that way that the Police were *disarmed* and ordered to stand idly by while the thus emboldened Negroes and their leaders carried on their riotings, lootings and burnings. Similar "*disarm*" orders made the National Guard impotent. I am sure that many people can still remember that incident in Washington, D.C. when many thousands of National Guardsmen, Marines and Policemen, *all disarmed*, stood idly by, *under orders to do so*, for 20 hours, while Negro mobs roamed all over the city, looting, robbing, burning, raping and murdering without interference. Proof of those "*orders*" to the National Guard and the Police to disarm and to permit the devastation of the city came at that time from General Archibald Sproul when he resigned his commission in the National Guard with a statement to the effect that he could no longer continue to contribute to the disorder and lawlessness ORDERED by the Traitors who commanded him—*at the same time he stated that the same kind of "lawless" orders applied to all the troops in the U.S.!*

That statement by General Sproul tells the whole horrifying story: our Country is being destroyed by the men we, the people, have been electing into our highest offices—the men to whom we have been entrusting the safety and security of our Nation. How ironic it is that more than a century ago, Abraham Lincoln warned us that if ever our Country will be destroyed it will be done from within not from without.

I would require thousands of pages for a chronological review of the treason and the anarchy that has prevailed, and is prevailing, in every nook and cranny of our nation since Jacob Schiff and his CFR gang launched their "*Racial Upheaval*" operation to destroy the unity of the American people—of how our CFR-controlled Press, TV and Radio, *particularly TV*, are aiding and abetting all that anarchy and the carrying out of all the Israel Cohen "*directives*," but it would be a waste of space and reading time, because I am sure that *by now* every American is fully aware that our beloved Country is in dire peril. It is far more important for us to ponder the means and methods we must employ to smash this Conspiracy.

Actually, we do have one *sure* way to save our Country: a thorough *open-to-the-public* INVESTIGATION of the UN will do it. . . . it will reveal the entire GREAT CONSPIRACY—it will unmask all the Conspirators—it will take the U.S. out of the UN and hurl the UN out of the U.S. . . . *and that will be the end of the entire Conspiracy!*

But how to get such an investigation is our great problem. We *know* that we can't look to the Man in the White House (*and his CFR-controlled Cabinet and "Advisors"*) for it. . . . We *know* that we can't look to our U.S. Supreme Court for it. . . . our only hope for it lies in our Congress—but *only if it is a totally loyal Congress!* And getting that kind of a totally loyal Congress must now be *our job—a job for We, The People!* Here is what I mean:

For a number of years, several loyal Americans in both Houses of Congress have been desperately trying to launch an investigation that will unmask the UN for what it is. The late John B. Utt submitted such a BILL every year. Others, such as John Rarick and Strom Thurmond, have been doing likewise. But hitherto our Congress has been loaded with men who had sold their birthrights for ILLUMINATI-CFR pottage, and all of the Utt and Rarick BILLS continued to be buried "*in Committee*" by such traitors as Emanuel Celler and Jake Javits.

But NOW we (*YOU and YOU and YOU*) can change all that.

This is an ELECTION year! The men who are seeking your votes are highly ambitious politicians to whom election is next in importance to their very breath of life. Today they are making all sorts of glittering promises to you, even as Nixon did in 1968, in order to get you to vote for them. Some few of them are even promising to support the Utt and Rarick BILLS.

Very well! Send to each man who is seeking your vote a copy of this "News-Bulletin" (also a copy of our preceding "News-Bulletin, No. 147"), and with the "BULLETINS," send each one a personal letter telling him that you are not interested in "promises," but only in DEEDS!!!

My dear Fellow-American, in closing, let me remind you of John T. Flynn's dire prediction in 1945, when he said: "America is doomed—only a MIRACLE can save it."

Well, the kind of a Congress I have outlined in the above CAN be the MIRACLE Flynn prayed for. . . .but we will only get that kind of a Congress by every American voter rigidly screening every aspirant for a seat in either House of Congress for his worthiness for such a seat—and by your personal demand of a PLEDGE from each aspirant that he will positively support ALL movements by Congress to haul in the UN Charter for an *open-to-the-public* review—that he will support all Congressional action to review—and repeal—all U.S. Supreme Court DECISIONS and Legislation "based on the principles of the UN Charter"—that he will support full investigations of all forms of malfeasance in the office of our President, and of all heads of Federal Agencies, particularly the State and Defense Departments—that he will support all necessary Legislation to have Congress TAKE BACK its full control of our MONEY SYSTEM, thus nullifying (repealing) the illegal "Federal Reserve Act". . . . In short, that every aspirant for a seat in Congress will swear, not just "promise," to his constituents that he will use all his powers to restore our Constitution to its full status as the true Law of our Land, thus binding the Executive and Judiciary Branches of our Government with the chains of the Constitution.

And every aspirant for Congress should be definitely informed that the penalty for failing to fulfill those obligations will be an immediate RECALL from his office!

Fellow-Americans: THAT is the only way that we can save our Country—THAT will be the MIRACLE John T. Flynn prayed for.
