Dear Fellow-American:

*This preamble is for the attention of the members of C.E.G.:*

Since the day we issued our "FEBRUARY SPECIAL LETTER" we have been deluged by replies from virtually all our members, all of them highly endorsing the PROJECTS and objectives contained in that "LETTER."

But interspersed among those replies came letters from a few heads of *presumably* PATRIOTIC ORGANIZATIONS, in which they take issue with me. They charge me with having *accused* ALL of the American people with apathy and a "don't care" attitude about what our "ENEMY WITHIN" is doing to destroy our Country . . . My answer to those who made, or will make, such charges is that they don't understand, or pretend they don't understand, the true intent of that "LETTER" . . . I say "*pretend they don't understand*" for a very significant reason: upon careful inspection, I find that every one of those (*critics*) writers maintains strange relationships with the CFR, the FORD FOUNDATION, the ADL and other organizations of that ilk. Therefore, you can understand why I won't dignify their charges with any explanations, particularly about that "don't care" charge. For those who know me, who know of my 25 years of dedicated fight for the salvation of our Country, I need no defense against such a charge.

However, it is true that I have frequently stated that it is the apathy of the "*great silent majority*" of our people that has been, *and still is*, our greatest handicap in our fight to save our Country, but at the same time I have always STRESSED that it is *not* a *willing* apathy—that it is an apathy created by the brainwashing by our treasonous Mass Communications Media, aided by highly placed public officials, by "*Leaders*" of Patriotic Societies masquerading under the cloak of "*Patriotism*"; by highly regarded "*National Council of Churches*" Pastors, masquerading under the cloak of religion and "*humanitarianism*," etc., etc., all to delude their naive (*but otherwise loyal-to-America*) followers into the belief that the "UNITED NATIONS" is the only hope for PEACE — that the "*Federal Reserve System*" (*a privately owned RACKET*) is a Federal Government-owned Agency created to safeguard and preserve our Nation's Economy — that the ILLUMINATI — CFR's One-world plot is a grand and noble plan to create harmony for all the people on earth.

*That was what I meant when, in my "February Special Letter,"*

I charged that "*apathy*" of the American people with being responsible for the *crafty* gradual take-over of our Nation by the ILLUMINATI — CFR's great Conspiracy . . . and that was why I stated that our only hope to torpedo that Conspiracy is a fearless and determined *nation-wide* attack on all those Conspirators who have taken over our Mass Communications Media, our Schools and our Churches, and who planted their tools and stooges into every Federal Government post from the White House down — *and into our Congress!!! . . . . THAT is the ultimate PROJECT for which I wrote that "February SPECIAL LETTER" !!!*

And now, in order to leave nothing to imagination of how and why our "*Great Silent Majority*" is directly to blame for the so-far successful progress of the "GREAT CONSPIRACY," I shall turn to Gen. P. A. del Valle's question: "*Is It Too Late To Save America?*"

In his speech, from which I have quoted his question, Gen. del Valle indicated very clearly that our nation is afflicted with a deadly CANCER that is destroying America. In the following pages I will review this CANCER — and *SHOW* how it was allowed to creep into the body of our nation by the *apathy* of our people. I shall have to use blunt words to do it. Some who will read these words, particularly those who have been asleep to this CANCER and may suddenly feel guilt conscious about their apathy, may consider my words harsh, and even offensive, but please believe me, I have absolutely no intent to offend — I simply have a deep reason for using the harsh words. There is only one way to cure a CANCER, and that is by the knife of a Surgeon — *if that CANCER can be caught in time!* Therefore, my following words are intended to be the knife of a Surgeon. They will hurt, but I will use this "*Surgeon's knife*" only for the purpose of alerting our "*patient*" (*the American people*) to *what* has been creating the CANCER (*our apathy*), and what all of us must do to isolate the CANCER and drive it out of our BODY . . . . So I appeal to you: no matter how blunt my words, no matter how harsh, no matter how much they may seem to be offensive, please understand that they are motivated by a deep love in my heart for our Country, with a prayerful hope that they will find a similar feeling in your heart — and that you will do your utmost to awaken the same kind of response in the hearts of *all* other loyal Americans . . . *THAT is the ONLY cure for the CANCER that is eating away our Country !!!*

## OUR TIME IS RUNNING OUT!

---

The above is the answer to Gen. del Valle's question: It is very, VERY late, but not TOO Late — *if the American people can be fully awakened to what the "ENEMY WITHIN" is doing to destroy our Nation!*

Actually, that same "answer" and the same WARNING to awaken was sounded in our "News-Bulletins" (No. 144, Part One, and No. 145, Part Two), entitled: "PLOT TO TRANSFORM USA INTO A POLICE STATE," and we fortified that warning with our "NOVEMBER (1969) SPECIAL REPORT," in which we published the DOCUMENTED revelations of the Methods employed by that "ENEMY WITHIN," *under our very eyes*, ever since 1913 to this very day, to enslave our beloved Country in their "UNITED NATIONS" one-World Dictatorship — methods which, now that they are so clearly pinpointed in the above named documents, should be obvious even to a high school boy.

---

At this point, *again to leave nothing to imagination*, let me properly identify the "ENEMY WITHIN" as the "ILLUMINATI-CFR."

---

Now, the great question is: How deeply will the American people heed the warnings in those two "News-Bulletins" and the "NOVEMBER SPECIAL REPORT"? At the moment the response is very encouraging — today there are many thousands of the "News-Bulletins" and many, MANY more thousands of the "REPORT" being circulated in all parts of the country. *But that is not enough!* To *fully* awaken *all* our people — to make them *fully aware* of the doom that is threatening our beloved Country — to get them to join in the fight to save our Country, we must get that terrifying story in those "News-Bulletins," and *especially* in the "NOVEMBER REPORT," to MANY MILLIONS of our people. And I humbly pray to God to inspire you and *all* loyal Americans to spread that story into every nook and cranny in our Land — and thus to *awaken every last one of our people* to join together in such a nation-wide outcry that our so-called "Leaders" in Washington, who have steadily been betraying us, will not DARE to ignore it.

---

Actually, to me, the great wonder of it all is that there should be such a desperate need to *awaken* the American people to see what

the "ENEMY WITHIN" has done, *and is doing*, to our once great America. The evidence of it is so apparent. *All they have to do is look around them and see for themselves the shambles our Country is in today . . . .* here is what they will SEE if they will read and DIGEST what they will find in the above named "NEWS-BULLETINS" and "REPORT":

---

## WHAT AMERICA WAS - AND WHAT IT IS!

---

There was a time within the memory of many of us when America was the most respected, most looked up to, most envied, the freest and the richest nation in the world. *But that is not so today!* Today any rag-tag so-called nation can shoot down our planes, capture our ships and their crews, confiscate American property, spit on our flag —and all this with brazen impunity . . . . *and our Government in Washington does nothing about it! . . . Today we are one of the most despised nations in the world! ! !*

How did all this come about? By the traitors (*tools of the "ENEMY WITHIN"*) to whom we have been entrusting the safety and security of our Country *deliberately* ignoring and flouting our sacred CONSTITUTION . . . . By their traitorous alliances (*at the behest of their "ENEMY WITHIN" masters*) with Godless Communist nations — *Russia in particular . . . .* By entering into treaty after treaty after treaty with those nations, *supposedly* to come to agreements with them, but which agreements were always to their advantage, as was the case at Yalta, at Teheran, at Potsdam, at Panmunjon, etc., etc., and in every case backing down before the Communist aggressor . . . . *By "entrusting" our national security and, by that token, our sovereignty to the "UNITED NATIONS" . . . .* By squandering untold BILLIONS of dollars on giveaway programs (*such as "FOREIGN AID"*) throughout the world, which haven't improved our image —and much of which was diverted to help underwrite the Communist cause in Korea, in CUBA, in the Congo, and now in Vietnam . . . . By undermining private enterprise and penalizing private initiative . . . . By subsidizing farmers to plant crops or not to plant crops, and thereby corrupting the farm population, which at one time was the backbone and moral background of the nation . . . . By providing "*Federal Aid*" to billions of unmarried mothers and their broods of illegitimate children . . . . By subsidizing pagan education, Fabian Socialism and even Communism in Schools, and supporting radical students whose only desire, *instilled in them by the "ENEMY WITHIN,"* is to tear down this nation by stirring up strife and anarchy . . . *By fighting "no-win"*

*wars at the behest of the UN, this once proud nation has really lost face! . . . No Country trusts us! Our nation and our fighting men have been, and are constantly being, betrayed. Our Federal Government throughout the past half-century has been crawling with traitors!*

---

## YET, IN ALL TRUTH, WHOSE FAULT IS IT ALL?

---

Throughout all the years, we, the people, have been told and told and told, warned and warned and warned, about all the corruption and treason that has been creeping into Washington — we have constantly been warned to beware of the brainwashings by our CFR-controlled treasonous Mass Communications Media. Just as Rome had its DEODORUS, who, in the Fifth Century, warned his people against the treason of their CAESARS and predicted the Fall of their Civilization, so have we had our own DEODORUSES in Henry Cabot Lodge (*not the phoney of today*), in Joe McCarthy, Martin Dies, John Rarick, Jim Utt, Otto Otepka, etc., all of whom have constantly been warning us of the Fall of *our* Civilization unless we, the people, would wrest our Destiny out of the hands of *our* "CAESARS," the Franklin Roosevelts, Trumans, Eisenhowers, Kennedys, Johnsons, and now Nixon, who, *to this very day*, continued to betray us to the "ENEMY WITHIN." They, our DEODORUSES, have *named* the "ENEMY WITHIN" — they have SHOWN us all the TREASONS, but we have been refusing to hear or to see — and "*there are none so blind as those who refuse to see.*" So, if like Rome, *our* Civilization will fall — *and, believe me, it WILL fall unless we can awaken and give sight to our people — we will have no one to blame but ourselves!*

---

## OUR EXCUSE?

---

Now, it is true that throughout the past half-century we have constantly been deceived and brainwashed by all of our *traitorous Mass Communications Media*; but that cannot serve as an "excuse" for our *continuing* to accept their deceit and brainwashings — certainly not since 1947 when a Congressional investigation fully revealed that Hollywood (*the Film Media*) had long been a completely controlled "instrument" of the Masterminds of the GREAT CONSPIRACY — certainly not since 1949-50 when it was revealed how the Press, TV and Radio had kept "hush-hush" the "UNITED

WORLD FEDERALISTS" plot to bribe and seduce all our State Legislatures into forcing Congress to transform the U.S. into a "province" of the Conspirators' "UNITED NATIONS" — certainly not since it was completely revealed how the PRESS, *led by the "New York TIMES,"* had collaborated with then President Kennedy and our State Department and the other traitors in Washington (*and the UN*) into establishing Castro and Cuba into a dread bastion for the ONE-WORLD Conspirators.

That is why, with heart breaking regret, I say that the present plight of our Country, *and the impending Fall of our Civilization,* is largely the fault of our own people. It is their fault, because they have been refusing to *see* and *believe* what our few loyal "prophets" have constantly been telling and showing us. If anybody still has any lingering doubt about it, let me *clinch* it with the following:

---

●

### LBJ SAID IT - AND HE KNOWS!

---

●

In a TV broadcast on December 27, 1969, Lyndon Johnson said in so many words: "*There are strange Forces in Washington with which no President (or the Loyal men in Washington) can cope.*"

He voiced that statement in a very casual way, and I am very sure that its true meaning escaped the vast majority of the people who heard him issue that warning — *and a warning is what it was* — because with that statement he *named* the CANCER that is destroying our Nation.

Personally, I believe that it was a twinge of conscience that forced Johnson to issue that "*warning.*" It may sound strange to ascribe a "*conscience*" to a Johnson, who throughout his entire life and political career has been utterly greedy, utterly unscrupulous, utterly ruthless and utterly unconscionable; nevertheless, I truly believe it finally was a twinge of conscience that forced him to *reveal "those strange Forces in Washington."*

Unfortunately that "*twinge*" was not quite strong enough. He could — *and should* — have named the "*ILLUMINATI-COUNCIL ON FOREIGN RELATIONS*" as the "*strange Forces in Washington*" who are Masterminding the "*GREAT CONSPIRACY*" to enslave our Nation in their "*UNITED NATIONS One-World Trap.*" . . . He could — *and should* — have named the "*Federal Reserve Act*" and the "*Federal Reserve Banking System,*" who through the years have been robbing us of Hundreds of Billions of dollars as deliberately as Jesse James ever robbed Banks and Railroads. . . .

He could — *and should* — have named ALL the tools of the ENEMY WITHIN. But, actually, his "*Strange Forces in Washington*" should be enough to confirm my *truly heartbreaking charge* that we, the people, largely have ourselves to blame for what has happened, is happening, and what may yet happen to our beloved Country. . . . we have ourselves to blame because we have been refusing to heed the warnings of our few loyal ones in Washington and the other wise men in our Nation. That is one incident, but, perhaps, turning to the Bible, the strongest indictment can be made using the words of the Lord in Jeremiah 2: 13, "*For my people have committed two evils — (1) they have forsaken me, the Fountain of living waters — (2) and hewed them out cisterns, broken cisterns, than can hold no water.*"

At the head of this "*cistern*" category we can put LIBERALISM first: "LIBERALISM" in the "*National Council of Churches*," with its denial of the true Christian Gospel (*upon which our Country was founded*), its espousal of the "*Social gospel*" of Karl Marx, and also its affinity with the Communist movement at home and abroad, *and its support of the war in the streets of all our cities!* Dr. J. B. Matthews, in one of his official releases, revealed that there were more than 6,000 Ministers in the "*National Council of Churches*" who were members of the Communist Party and Communist Fronts — *for which he was fired by then President Eisenhower at the demand of the "National Council of Churches."*

Secondly: the entire Socialist philosophy can be included. For one example, LBJ's "*Take from the haves and give to the have-nots*," most of whom won't work to *earn* their own way; Government ownership and control of natural resources, industry, etc., etc., and the equal distribution of wealth are part of this Socialist philosophy. Socialism is not Christian. Socialism has been a failure at all times. If our Federal Government's give away programs had not primed the pump of Socialist endeavor all through the past half-century, *all at the expense of the American TAX-payer*, Socialism would have died aborning.

Thirdly: Progressive education of John Dewey and George Counts, who advocated that schools (*our YOUTH*) lead in a revolution, *which the Universities, Colleges and Schools are certainly doing* — the text books coming out of Teachers College Columbia University, *endorsed and recommended by the NEA (National Education Ass'n.)* have served but one purpose: *to weaken our great nation and to advance One-World Government.* Now they have added "*Permissiveness*," "*Sensitivity Training*" and SIECUS. Our Universities and Colleges, and now even our High Schools, have been denying the Bible story of man's creation and, *without proof*,

have been teaching students that they are only highly developed apes — they have blasted the moral code of the Bible and encouraged our YOUTH to live like apes, which quite a few (*the Hippies and the Yippies*) are doing, and now those “apes” have turned on their corruptors and are tearing down those Colleges and Universities, in which for years many thousands of instructors (*confirmed by statistics*) have been not only members of the Communist Party and Red Fronts, but actually teaching Communism to the students. Our Universities and Colleges have been, *and are*, the corruptors of the YOUTH of our nation, and, as a result, many of our YOUTH are open avowed enemies of the Capitalistic system and the original American Way of Life. Needless to remind, the very same charge can be made against the pro-RED “*National Council of Churches*” which bilks its gullible members to finance Marxian Socialism.

All of the aforesaid explains the plight our nation is in today, but there is another distinct reason for all of the subversion by our Government (*Federal and State*), by the “*National Council of Churches*,” and by our Universities and Colleges: *that reason is the U.S. Supreme Court!* Our entire plight is largely due to the U.S. Supreme Court rulings (*DECISIONS*), which have undermined the Constitution, our entire society, and been the greatest stimulus of all kinds of evil in our Land, *including outright treason!* Instead of defending the Constitution from all enemies, the Supreme Court has shielded and protected the Communists, the Criminals, and those who defile our Flag, *and all those who plot the overthrow of the nation!* The Court has tied the hands of the Police and the lower Courts, *all their “DECISIONS” convict the members of that Court as being traitors to God, traitors to their Country, to the Constitution and to Law, Order and Decency, and as being the Enemies of the Word of God, of Country, and of the Christian faith!* In short, God’s *true* Church and the nation have had no greater Enemy among our people than the U.S. Supreme Court . . . all the members of that Court, *at least since 1954*, should have been impeached, and had meted out to them the proper punishments to fit their crimes.

---

**“KNOW THE TRUTH AND THE TRUTH SHALL  
MAKE YOU FREE.”**

---

Now, as I stated at the outset, I fully realize that some who will read this “*News-Bulletin*,” particularly those who are not familiar with the efforts of CEG and other great Patriots, such as Gen. P. A. del Valle, to alert the American people to the doom plotted for

our nation by the "ENEMY WITHIN," will indignantly assume that all the statements in the preceding pages constitute a harsh accusation that *all* of the American people are guilty of having collaborated with that plot of the "ENEMY WITHIN" to deliver our Country into their ONE-WORLD Conspiracy.

To a degree, that assumption is correct—to a degree, the preceding pages *do* constitute an accusation that the American people have been collaborating with the plottings of the "ILLUMINATI-CFR," but here I wish to *stress* that that collaboration, insofar as the vast majority of our people are concerned, is, and always has been, unconscious. The *conscious* collaboration is, *and always has been*, committed by "*the Strange Forces in Washington*" mentioned by LBJ — by the men we have been electing into their high offices in which they serve as *willing* tools of the Conspirators — *by the men in our Congress* who are fully aware of the plottings, but who, *for reasons of their own*, refuse to use their Constitutional powers to smash the entire Conspiracy . . . . *Those are the men against whom the actual accusations in the preceding pages are directed!*

Nevertheless, we, the people, must share in the guilt of those men — because we, the people, have the power to remove those traitors from their high offices. We can do it by Recalls, by Impeachments, by EXECUTIONS when and if they are proven guilty of the treason that is destroying our Nation. We *know* we have that power. I repeat: it was proven to us in 1946 when our nation-wide outcry forced Congress to haul into Washington *hundreds* of top Film Stars, Writers, Directors and Producers for an official investigation that exposed the *Red Conspiracy in Hollywood* . . . . it was proven again in 1949 when a similar nation-wide outcry forced 26 State Legislatures to reveal and *torpedo* the "*United World Federalists*" plot to transform the USA into a unit of the "UNITED NATIONS" *One-World Dictatorship* . . . it was proven again in 1959 when we (CEG) exposed the Eisenhower-Nixon plot (*at the behest of the CFR and the UN*) to repeal the "*Connally Amendment*," and thus caused a nation-wide outcry that FORCED Eisenhower and Nixon and their 70-odd Senators—collaborators to hastily abandon that plot.

---

*Do we need any more proof that a fully awakened and aroused American people has the power to smash the entire Conspiracy to destroy our nation?*

---

It proves beyond all question and doubt that the same PEOPLE

have the power to FORCE Congress to fully investigate the UN. Such an investigation would completely unmask the UN, and reveal it to be the crux of the CFR's GREAT CONSPIRACY—it would automatically take the U.S. out of the UN and drive the UN out of the U.S. — it would also automatically expose the CFR — it would also unmask the "*Federal Reserve*" fraud . . . . *and that would instantaneously save our Nation!!!*

But here is the great tragedy of it all: after smashing each of those above named three plots, the people assumed that each of those great victories was a "WATERLOO" that brought our "WAR" with the Conspirators to an end — and, again brainwashed, hypnotized and bemused by the CFR *still controlled* Mass Communications Media, *they went right back into slumberland!* Even though they were warned and warned that those above named plots were only individual steps in the over-all Conspiracy to destroy our nation, and that the Conspirators would replace them with similar and even more dastardly plots, they, the people, brushed off all those warnings as the "*Wolf, wolf*" cries of "*Alarmists.*" When told that the UN is the chief instrument and "*housing*" for the "GREAT CONSPIRACY," the "*Great Silent Majority*" of our people refused to believe it, and continued to idealize and idolize the UN as "*our only means of keeping the World in PEACE.*" Despite all the clear evidence of how the UN had lured us into the Korean War, which murdered and maimed hundreds of thousands of our young sons — despite the UN's atrocities in the Congo — despite the UN's Vietnam War into which our traitorous "*Leaders*" in Washington have for years been hurling millions of our sons and all our wealth, a vast number of our naive people still cling to the belief that this murderously perfidious UN is our only hope for the PEACE of the World — they still refuse to believe that the UN is our greatest MENACE, which leads me to wonder if there is *any* thing that will ever bring all of our people to their senses — if *any* thing will bring them to revolt against this gradual surrender of our great nation to the ILLUMINATI-CFR's UN Conspiracy — it almost makes me join in Gen. del Valle's question of "*Is it too late to save America?*" As a matter of fact, I asked myself that very same question way back in 1959. It came to me at the time that we (CEG) had launched the fight to prevent the *Eisenhower-Nixon* plot to repeal the "*Connally Amendment.*" Here let me tell you *why* that question came into my mind:

---

We had launched that fight to save the "Connally Amendment" with a "SPECIAL BULLETIN" in which I revealed *with documentary evidence* that A Repeal of the "*Connally Amendment*" would

automatically *destry* our Constitution and replace it with the UN CHARTER — that it would place our nation under the control of the UN's "World Court" — that no American citizen could appeal to our U.S. Supreme Court against any "World Court" "DECISION." In short, we established that that "Repeal" was a CFR-UN plot to finally transform the UN into a One-World Dictatorship — and that it was intended to be the final GIANT step that would lead to the end of the United States as a free and independent Nation!

To my vast and joyous amazement that "Special Bulletin" spread like wild fire throughout the nation. Various Patriotic Organizations joined in the fight, many of them denouncing Nixon's "eloquent" speech as an act of rank treason. And, as we know, the panicked Senate refused to even submit the BILL for consideration. It was a great victory for the salvation of our Nation!

But that very victory revealed the one great weakness of our people, as the following will show — it will show how the "ENEMY WITHIN" has been swaying our people into the "apathy" which has been enabling the Conspirators to keep perfecting their conspiracy for their final takeover of our nation.

As I have told you, our "SPECIAL BULLETIN" to arouse the people to fight that "REPEAL" plot brought to our support many "Patriotic Groups." Their Leaders brought their members (and non-members) into meetings at which they could be told the entire truth about the plot and show how to apply their pressures on their Senators to prevent the passage of that "BILL." I was requested to speak at various of such meetings. Now I will tell you what happened at one of those meetings in Oakland, California, to show you why it is so difficult to convince our people that the UN is our greatest MENACE! It will show you the techniques and the methods employed by the ILLUMINATI-CFR to maintain a "holy image" for the UN in the minds of our "great silent majority" . . . . it will show you how easily the people can be swayed into their so-called "apathy" by the "eloquence" of a highly respected, but false "patriot," planted within an otherwise loyal "Patriotic Organization."

In my speech at the above mentioned meeting, I bluntly charged that the UN (and the CFR) were the Masterminds of the plot to repeal the "CONNALLY AMENDMENT" — and I clearly outlined the objectives of the UN, once the "AMENDMENT" would be out of their way:

No. 1) It would automatically place our nation under the jurisdiction of the UN WORLD COURT — and thus deprive every American citizen of the protection of all our own Constitutional Laws . . . . No. 2) It would enable the UN to transform all Ameri-

can citizens into UN ONE-WORLD citizenship . . . . No. 3) It would enable the UN to levy direct TAXES on the American people to whatever degree they would decree . . . . No. 4) It would enable the UN to transform all of our U.S. Military forces into their (UN) control.

In short, I made it very clear that once the "CONNALLY AMENDMENT" would be repealed and we would come under the jurisdiction of the UN WORLD COURT, it would mean *complete surrender* of our Country to the dictatorship (*and enslavement*) of the UN.

That speech had a profound impact on virtually all the people gathered at that meeting — just as our "SPECIAL BULLETIN", which contained the exact same revelations, had had on everybody who had read it. Everybody in that audience gave the speech a standing ovation — everybody then indicated an enthusiastic intention to join in the fight to prevent the repeal of the "Amendment".

*Now comes the great shock:* During the "question and answer" period that followed my speech, a man in Clerical garb (*I later learned he was a member of the "National Council of Churches"*) stood up and took issue with me . . . . actually, he did not direct any questions to me — he delivered an "oration" to the audience: While he did not VOICE disapproval of my exhortations against the repeal of the "AMENDMENT," he "*chided*" me for charging Nixon and Eisenhower with treason for their frantic efforts on behalf of that repeal — and by the "*chiding*" he revealed that he was there as a spokesman for a few others in that audience, undoubtedly members of his congregation (*also undoubtedly "plants"*), who promptly applauded his "*chidings*." He then denounced me for my "*outrageously false*" charges against the UN.

"I KNOW the United Nations," he expounded; "I attended its birth in San Francisco in 1945. I spoke with all the delegates and I found them to be sincere humanitarians who had gathered there SPONTANEOUSLY from all over the world on behalf of all the war-weary people of the whole world, searching unitedly for some kind of an instrument that would ensure PEACE for the Universe — and that was how the UN came into being. That's why I can say that I KNOW all the objectives of the UNITED NATIONS. That's why I can assure you that, despite our speaker's (meaning me) wild charges, the UNITED NATIONS is a deeply sincere and holy organization completely dedicated to the cause of PEACE — that it is the only instrument for the preservation of PEACE for the whole World."

The room rocked with applause. It was apparent that, swayed by

the Reverend's "*eloquent*" defense of the UN, many other naive and *unthinking* Americans in the audience had actually forgotten what I had told them just a few moments earlier, and had joined the Reverend's followers in eulogy of that "*defense*."

Thereupon I proceeded to demolish that Reverend's defense of the UN. What I mean is that *I exposed all his lies!* I reminded the audience that the original "UN," under the name of the "*League of Nations*," was created at the end of World War One exactly in the same way and for exactly the same purpose that the present UN was "*created*" in 1945. . . . I reminded that the "*League of Nations*" was created by Woodrow Wilson and other stooges of the Rothschild — Jacob Schiff gang of Internationalist Bankers for the purpose of enslaving the whole world in a One-World Dictatorship. . . . I reminded how several of our then loyal Senators had seen through the plot — how our then *uncontrolled* Press had alerted the people — and how they kept the U.S. out of that "*League of Nations*," and thus torpedoed that plot. Then I outlined how that same gang of Internationalist Bankers promptly began to lay the groundwork for a new "*League of Nations*," to be called "UNITED NATIONS," how they had created the "COUNCIL ON FOREIGN RELATIONS" (CFR), how the CFR obtained full control of our PRESS and all other Mass Communications Media in order to keep our people unaware of their new plot — how they obtained control of both of our political Parties — how they obtained control of the White House, of Congress, of our entire Federal Government — and how during all that time they continued to plan how to drag us into their new "*League of Nations*" (the UN). I concluded with a *documented* step-by-step preparation by the CFR of the UN CHARTER long before that so-called "*spontaneous gathering of humanitarians*" in San Francisco to "*found a PEACE organization*". . . . Following are the FACTS I laid before the people at that meeting:

The "*United Nations*" actually was born two weeks after the PEARL HARBOR attack in the office of Secretary of State Cordell Hull, a *long time stooge of the CFR*. . . . In a letter to then President Franklin Roosevelt, dated December 22, 1941, Hull "*recommended*" the founding of a "*Presidential Advisory Committee on Post-War Foreign Policy*." This was approximately four years before the end of the war, and as we can readily see, that "*Committee*" was in actuality the "*Planning Commission for the UN Charter*."

The purpose of that Committee, said Hull (and I quoted from his letter) "**would be to prepare for effective participation in the solution of vast and complicated problems of international relations which will confront the United States and the whole world after final defeat of the forces of aggression. This Committee (Hull further stated) will work in the inseparable**

interrelated fields of general security, limitation of armaments, sound international economic relationships, and other phases of international cooperation, the implementation of which is essential to enduring world peace and to economic progress."

The above mentioned One-World Government objectives, I stressed, were identically the same as the objectives of the "*Foreign Policy Association*," a sub-agency of the "*Council on Foreign Relations*," published in 1943, and those objectives, word for word, were later found in the *Charter of the "United Nations Organization,"* thus establishing it as a "*One-World Government Constitution*"!!!

... All research, interdepartmental Government Agency Coordination, and international cooperation concerning the "*United Nations Planning Commission*" was set up *within the U.S. State Department.*

... In addition to himself as Chairman of the Committee, Cordell Hull named the following members for his UNITED NATIONS "*brain trust*": Norman H. Davis, *President*, "*Council on Foreign Relations*" . . . Sumner Welles, Under Secretary of State — Vice Chairman . . . Myron C. Taylor . . . Dean Acheson, Assistant Secretary of State . . . Hamilton Fish Armstrong, Editor "*FOREIGN AFFAIRS*," *official CFR publication!* . . . Adolf A. Berle, Jr., Assistant Secretary of State . . . Asaiah Bowman, President John Hopkins University . . . Benjamin V. Cohen, General Counsel, National Power Policy Commission . . . Herbert Feis, Department of State Advisor on International Relations . . . Green N. Hackworth, Department of State Legal Advisor . . . Harry Hopkins, Chief of Department of State Division of Commercial Policy . . . Leo Pasvolsky, Special Assistant to the Secretary of State . . . *Alger Hiss, Chief of the State Department's Division of Special Research.* . . .

Now bear in mind, Cordell Hull wrote that letter on December 22, 1941, almost four years before that UN gathering in San Francisco. Six days later, on December 28, Roosevelt wrote on Hull's letter: "*I heartily approve. FDR*" — and he endorsed Hull's choice of the men who were to serve on that COMMITTEE.

AND ALL THOSE MEN WERE KEY MEMBERS OF THE "*COUNCIL ON FOREIGN RELATIONS*"!!!

And all these men were the "humanitarians," so defined by my Reverend critic, who had assured and "convinced" him four years later in San Francisco that they were just then creating the UN to be a "*holy instrument*" dedicated to the preservation of everlasting PEACE for all on earth.

In other words, that Reverend would have had us believe that the entire CHARTER had been written and completed in those few days of the Conference in San Francisco, but the records, confirmed

by an article in "TIME MAGAZINE," in May 1953, established that the entire "*Presidential Advisory Committee on Post-War Foreign Policy*" worked continuously on the drafting of the CHARTER throughout the four years between December 28, 1941 and the San Francisco Conference in 1945 — that it was approved by President Truman on June 26, 1945, and that on July 28 our Senate signed us into membership of the "UNITED NATIONS" by a vote of 89 to 2. And by that deed of the U.S. Senate, the UN Charter became "*the supreme Law of the Land,*" and the Constitution of the United States of America passed into history!!!

At the time of the signing of that Constitutionally illegal "*Treaty,*" Senator William Langer, one of the two dissenting Senators, said: "*I feel from the bottom of my heart, that the adoption of the Charter will mean perpetuating war. . . . I feel that it will mean the enslavement of millions of people from Poland to India, from Korea to Java, as well as people in many other places on this earth.*"

Senator Langer's prediction has been fully confirmed in blood and agony in all the years since — *with frightful consequences for the American people still to come!!!*

Thus, the preceding picture of history of the UN has established beyond all questions the following evidence:

1) Every officer of the "*Presidential Advisory Committee on Post-War Foreign Policy*" was a member of the "*Council on Foreign Relations*" (CFR) — and that our Senate at the time of the signing of the UN Charter was under the control of the CFR. . . . 2) All national and international research and coordination for the "*Committee on Post-War Foreign Policy*" was set up in the U.S. Department of State, or under its control. . . . 3) The end product of the work of that COMMITTEE was the "*United Nations Charter,*" resulting in the transfer, by subterfuge and outright deceit, of powers of government to the UN.

These *documented* facts of records clearly established: . . . A) The CFR, its membership comprising about 1400 leading Financiers, Industrialists, politicians, Mass Communications Media directors, Educators, officials of the "*National Council of Churches,*" and Militarists in America, has as its long range goal the establishment of a One-World Dictatorship which they intend to control and command. . . . B) The CFR, through its (*controlled*) State Department agency, foisted upon the American people the UN Charter, a *One-World Government Constitution,* in violation of the prohibitions of the Constitution of the United States of America. . . . C) The CFR is the invisible government of the United States and

its members, secretly but brazenly, and to their personal advantage; that they direct all foreign and domestic matters concerning the United States and its citizens. . . . As I have clearly shown in our "News-Bulletin" No. 110, entitled "Our Invisible Government made Visible." The CFR is the greatest MENACE to the safety and security of our Country, and it is our clear and most urgent responsibility to FORCE our Congress to fully investigate the treasonous "COUNCIL ON FOREIGN RELATIONS" and unmask the Masterminds who manipulate its membership *and its bribed officials in Washington* for cabalistic purposes — and to restore the CONSTITUTION of the United States as the Supreme Law of our Land. . . . . Nothing less than the survival of our American Civilization is at stake! ! !

Upon concluding the above as my response to that Reverend's false "oration" about the UN, I turned to him and said: "Reverend, I have just one question I would like you to answer: Are you a member of the National Council of Churches, or of the CFR, or of both, and did you come here at their behest to brainwash and deceive everybody here into the belief that the UN is a God-inspired instrument for PEACE instead of the diabolical One-World Dictatorship Plot that it is?"

Without a "Yes" or a "No," without any attempt to refute my challenge, that "holy" man slinked out of that Auditorium amid boos and jeers, and even imprecations, from the people who only a few minutes earlier had vociferously cheered his "defense" of the UN. . . . that ignominious exit proved conclusively that he had come there as an emissary of our "ENEMY WITHIN" to use his "holy garb" to deceive all the people assembled there — to drive them deeper than ever into the "apathy" that has become the chief instrument for the "take-over" of our Country.

And that poses a very important point — *rather a word of warning* — I wish to impress on every loyal American. As a matter of fact, I cited the above incident of that "Reverend's" oration on behalf of the UN as a concrete example of what they may encounter at many of the Patriotic Rallies and Meetings they attend. To IMPRESS my warning, let me tell you that that incident at the Oakland meeting was by no means my only experience of that kind. I encountered such men, not only "Reverend's," but other "famous" speakers, who, solicited by Patriotic Groups to deliver *patriotic* speeches, *sounded* very patriotic, but who glibly and craftily slipped in eulogies for the UN and other features of the ILLUMINATI-CFR Conspiracy.

Thus my warning is: Don't believe what you hear — don't believe what you SEE on TV and in Films and Plays — don't believe what you read in the Press. . . . *until you have fully analyzed*

and appraised the TRUTH and the LIES in all those Media and in the words of all so-called Patriotic Speakers. For example: That incident in Oakland revealed three phases which, if properly analyzed and appraised, can be a sure CURE for the "apathy" of the American people — and the salvation of our Country!

Phase No. 1) The people who attended that Patriotic Rally, although actually deep in "slumberland" when they came there, were willing and ready to be "awakened" — and what I told them did awaken them into a determination to fight the attempted repeal of the "Connally Amendment". . . . Phase No. 2) They were hurled right back into that "slumberland" by that Reverend's false defense for the UN and his denunciation of my "outrageously false" charges that Eisenhower and Nixon had committed treason by attempting to repeal the "Amendment" — they proved their return into "slumberland" and "apathy" by their tumultuous acclaim for his (*The Reverend's*) phoney oration. . . . Phase No. 3) They quickly came out of that Reverend's "brainwashing" when I presented my *documented* evidence of the TRUTH about the UN — they proved that by their reactions which drove that unmasked "holy man" into his ignominious flight.

Those three phases tell the whole story of what is destroying our Country — and they tell us how we can still save our Country! They tell us that down deep in their hearts the vast majority of our people are truly loyal to their Country, and they show us exactly how our "ENEMY WITHIN" uses the gullibility of our people to get them to *virtually collaborate* with the GREAT CONSPIRACY — but that third "phase" shows us how we can still salvage our Country, which is by simply showing the TRUTH to the people exactly as I did at that Oakland Meeting. It was that "third phase" that caused all the people, who had first succumbed to that Reverend's lies, to immediately turn around and join in the fight to prevent the repeal of the "Connally Amendment" — it was by using that "third phase" all over the Country, by confronting the Press, TV, and Radio, and speakers of that Oakland "Reverend" ilk, with PROOF of their lies, that we succeeded in torpedoing that Eisenhower-Nixon plot. . . . it was that same "third phase" that enabled us to torpedo that "United World Federalists" plot in 1949-50 . . . . it was that same "third phase" that enabled us to unmask the "Red Conspiracy in Hollywood" in 1945-47.

In view of all that, one might well ask: why don't we use that "third phase" as our overall weapon to smash the entire "Great Conspiracy?"

The answer is very simple: *the tragically short memory of our*

people! After each of the victories I described above, the people thought they had won the whole War — and promptly went back to their own affairs, leaving the field to the ENEMY — and to their controlled Mass Communications Media to *re-brainwash* all the people back into their “*apathy*” all over again. . . . Whereas we, the few of us who are constantly endeavoring to *unbrainwash* and get the TRUTH to the people, have no means of *direct communication* with the people. It is to overcome that terrific handicap that I issued in February (1970) our “A VERY IMPORTANT LETTER,” in which we urged every member of CEG (*and non-members*) to: “**CREATE A CEG CHAPTER IN YOUR COMMUNITY**” to serve as a means of direct communication with all the truly loyal Americans in your Community — to alert them how to pierce through the Lies of the ILLUMINATI-CFR’s controlled MEDIA — and to get them to join in the project to torpedo the entire GREAT CONSPIRACY.

You, if you are a member of CEG, have a copy of that “LETTER.” Please re-read it to refresh your memory of the vital need for such a “CEG CHAPTER” in EVERY Community. If you have mislaid your copy, write us for another copy, and copies for your friends whom you will be trying to enlist to join your “CHAPTER”. (*Please enclose 15 cents per copy to cover costs of postage and labor.*)

However, to save time, because “*time*” is of the essence in our fight to save our country, the following is a reprint of that section in that “LETTER” devoted to:

---

**“CREATE A “CEG CHAPTER IN YOUR COMMUNITY !!!”**

---

“Here is why such a “CHAPTER” is so crucially necessary in EVERY Community in our Land: As you are aware, there are hundreds, perhaps thousands of Patriotic Organizations in our Country. Some few of such “*organizations*” and “*Societies*” were organized and/or financed by the various Masterminds of the ILLUMINATI-CFR to further brainwash and confuse its *loyal* American members, but, *in the main*, most of them have the same objective: *the salvation of our Country*. Actually, if all of them would work in unison, that objective, speaking in the vernacular, would be “*a lead pipe cinch*.” Working in unison, such GROUPS could FORCE Congressional legislation to investigate and TORPEDO the entire GREAT CONSPIRACY. . . . Working in unison the “*Patriotic Groups*” could accomplish that because no Representative or Senator would DARE to reject or ignore such a demand from united

GROUPS of his own constituents. Just THINK how easily the James B. Utt BILLS to get the U.S. out of the UN would have been achieved if every "Patriotic Group" in our nation would have served a MUST OR ELSE demand on their Congressional Representatives to back those Utt BILLS, *and any similarly vital BILLS. . . .* Unfortunately, however, nobody has ever been able to get ALL the "Patriot Groups" to work in unison. For years I have been trying to get all of them to work in unison for the one supreme objective: to FORCE Congress to do the job of getting our Country out of the clutches of our ENEMY WITHIN (*the CFR*). I succeeded in getting the support of most of them for the three objectives I named earlier, but after each of those great victories they (*the Patriot Groups*) all went back to their own particular pet projects."

---

NOTE:—To get a completely clear picture of why it is so seemingly impossible to get all Patriot Groups to work together I suggest you read pages 20, 21 and 22 in our "News-Bulletin" No. 145. MCF.)

---

Now let me tell you concisely what a nation-wide chain of "CEG CHAPTERS" can do to answer Gen. del Valle's question that it is not yet "TOO LATE TO SAVE AMERICA":

This is an Election year. Every Representative, and one-third of all Senators, will be seeking your votes for re-election. EVERY CEG CHAPTER can serve a NOTICE to every candidate for re-election (*or election*) that he will have to submit a BILL, and to support all BILLS, that will call for *rigid* investigations of the UN, of the "Federal Reserve Act and Banking System," of the CFR, of the ADL, of *every* feature of the Great Conspiracy to destroy the Sovereignty and Freedom of our Nation. . . . to investigate all the acts of the Executive Branch of our Federal Government, and the backgrounds of its various officials, such as Kissinger, Yost, Beam, Burns and, yes, *even of the President!* And if found guilty of present and past acts of subversion and/or disloyalty to our Country, that they be fired out of their posts — *and punished to the limit of our Constitutional Laws*. The same to be applied to our Judicial Branch of Government.

Also, and this is MOST IMPORTANT: they, the candidates, must PLEDGE themselves to work zealously to fully restore our Constitution to its rightful state as the Law of our Land — *and to completely OUTLAW the UN CHARTER!*

If any candidate will refuse to agree to such pledges, the CEG

CHAPTER should then go "*all-out*" to prevent his election. But even more important: should any candidate be elected by reason of agreeing to such pledges, and then, once elected, proceed to renege his *pledges*, as most of our Congressmen have been accustomed to "*forget*" all their campaign "*promises*," he shall immediately be subject to a RECALL punishment initiated by the CEG CHAPTER.

That very same procedure will be employed in the case of every man seeking a public office, whether it be the Presidency, a Governorship, a Mayoralty, a State Legislator, Judiciary, etc., etc.

Now can you see what such a network of Chapters, properly linked together can do for our Country? *It can restore Law and Order* — it can wipe out all "*militant*" gangs — it can wipe out disorder and crime in the streets of all our Communities — it can restore our Universities, Colleges and Schools to institutions for education instead of nests for Hippies, Yippies, narcotics addicts and would-be Revolutionaries. In short, *it can restore America to what our Founding Fathers intended it to be!!!*

It can do still another vital job not mentioned in the above: We all know that the greatest EVIL in our Land is, and has been for the past several decades, engendered and nurtured by our CFR-controlled treasonous Mass Communications Media, all for the purpose of creating the kind of anarchy and chaos that is intended to bring about the surrender of our Country to a UN One-World Dictatorship . . . Furthermore, we all know that of all the Media, TV is the most destructive and the most vicious. It is TV, right in your Living Room, that has taken possession of the minds of your children with its "*shows*" of Sex perversion, glamorization of crime, etc., etc. Well, in a "*SPECIAL BULLETIN*," I will later show you how your CEG Chapters, working in unison, will be able to easily — *and I do mean EASILY* — destroy all the evil and the MENACE of TV . . . and in the same way transform Radio and the Press into servants of the people in place of the DESTROYERS they are today.

Now think, my friend, THINK! Isn't all that worth every effort you will have to make to create a CEG CHAPTER in your Community, and make it strong enough so that, in unison with all the other "*Chapters*," it will restore our Country into what was once called "*God's Country*"? . . . *Isn't that what God would want you to do?*

I have given 25 years of my life, my career in the theatre, all I have, to fight for the salvation of our Country — and I plan to give the rest of my life for it. . . . My son, Bruce, has given 25 years of

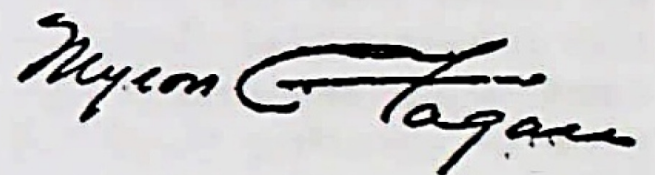

his life for the same objective — and is fully prepared to give the rest of his life for it. Do you think it is asking too much of you to do everything you possibly can to help create this nation-wide network of “Chapters” to save America?

In conclusion: please bear in mind that the life of our Country is at stake — and that this (ELECTION) year is all the time we have left in which to do this job. Therefore, please read again my February “A VERY IMPORTANT LETTER,” DIGEST it, note all its requests and directives, then tell me if you approve and will cooperate to the best of your ability. Please write me by RETURN MAIL .Don’t put it off to tomorrow — because “tomorrow” you may forget — and we do not have many tomorrws left.

Also please get and distribute copies of this “News-Bulletin” and the “LETTER” to all your friends and neighbors. . . . Your Country and the futures of your children may depend on it!

Yours For God and Country

---

*A very important suggestion:*—As you know, one of our most vital needs is to rid our nation of the “FEDERAL RESERVE” plot. Congressman John R. Rarick has sunbmitted a BILL “House Resolution 17140” to have our Federal Government to buy out the holdings of the CFR International Bankers in the “Federal Reserve” Corporation. Please, *please* write and/or wire your Representative *immediately* to *fully* support this Rarick IIR 17140 BILL. MCF.
