(Organized to COMBAT the GREAT CONSPIRACY)

NOVEMBER 1968 NEWS-BULLETIN

The most important thing for all of us to always remember is that the salvation of our Country depends upon getting the TRUTH of the GREAT CONSPIRACY to all of the American people. When — and if — that will be accomplished our nation will again be FREE and SAFE. The Masterminds of the GREAT CONSPIRACY (the CFR) have complete and absolute control of ALL our MASS COMMUNICATIONS MEDIA, so we know that the PRESS, TV and RADIO won't tell the TRUTH to the people, thus it is up to YOU and me to do it USE OUR "ILLUMINATI-CFR CONSPIRACY" Records and "RED STARS OVER HOLLYWOOD, TV and RADIO" RECORDS to ALERT all of the American people.

A VITAL "FOREWORD"

For those who cannot believe that it is "*Treason Within*" that is destroying our *once great nation* — that it is the men to whom we have been entrusting the safety and security of our nation who are betraying us, I shall repeat a "*warning*" issued by CICERO many centuries ago — he said:

"A nation can survive its fools, and even the ambitious. But it cannot survive treason from within. An enemy at the gates is less formidable, for he is known and he carries his banners openly. But the traitor moves among those within the gate freely, his sly whispers rustling through all the alleys, heard in the very halls of government itself. For the traitor appears no traitor; he speaks in the accents familiar to his victims, and he wears their face and their garments, and he appeals to the baseness that lies deep in the hearts of all men. He rots the soul of a nation; he works secretly and unknown in the night to undermine the pillars of a city; he infects the body politic so that it can no longer resist. A murderer is less to be feared."

Think, *and keep thinking*, about this "*warning*" by Cicero as you read what follows — keep thinking of Woodrow Wilson, of Franklin Roosevelt, of Eisenhower, of Kennedy, of Johnson, of Earl Warren, of *all* the TRAITORS WITHIN!

WAKE UP, AMERICANS!!!

Is American Civilization dying? . . . Is the preservation of our once great nation a lost cause? Such a calamity IS inevitable unless the vast majority of our people wake up to the impending disaster. During the past half-century men such as Senator Henry Cabot Lodge (*not the phony of today*), John T. Flynn, Senator Joe McCarthy, Senator Bricker, Gen. Douglas MacArthur and others kept warning us, but the vast majority of us, wrapped in complacent slumber, and deluded and brainwashed by our treasonous Mass Communications Media, always dreamily retorted: "*That can't happen here!*"

Even today it is unthinkable to most Americans that our Civilization could pass into oblivion. Yet this is exactly what happened to all the great Civilizations of the past — Rome, Egypt, Athens, Persia and many others . . . simply because the peoples of those Civilizations refused to "*wake up.*" What citizen of Rome at its peak could have imagined that Rome would decline and fall? What Englishman of Queen Victoria's time would have believed if he had been told that by this time, the great British Empire would have become only a memory, and Great Britain reduced to only a second-rate power? Like the Americans of today, the Britishers of those years, the Romans of Caesar's days, the Macedonians of the great Alexander's time, would have retorted to such warnings with a scornful "*It Can't Happen Here.*" But it DID happen to them—it CAN happen to our civilization, *unless we, all of us, WAKE UP!!!*

At this point, let's get one thing very clear. This discussion is not concerned with our America as a geographical area, or the America of tremendous productive capacity. *I am concerned with the future of our Civilization!* A civilization in the sense discussed here is not composed of *material things*—it is a philosophy of life—a body of ideas. The "*philosophy*" of American Civilization is founded upon the premise that all men are free—that they are subject to no one's control, beholden only to God Himself, and accountable only to Him. Of course, if every man is to be truly free, each of us should do nothing to restrict the freedom of anybody else. Our conduct toward all others should be under the discipline of the Golden Rule, but because some are inclined to despoil their fellowmen, there must be some kind of government—*policing*—to protect the rest of us. Freedom did not *originate* in America, but it was here for the first time in the world's history that a people set up a gov-

ernment with strict limitations on its power. The great value of our CONSTITUTION is in those limitations. Discard them and we have left only a very ordinary set of so-called by-laws—in actuality, nothing to protect the ideals of American civilization and to perpetuate them.

To fully evaluate that last statement, let's ponder the wonders of the CONSTITUTION our Founding Fathers, in their great wisdom, set up for us. It calls for THREE separate Branches of Government, all to work together, yet each one to be separate and (*supposedly*) independent of the other two. The First Branch is the Executive Branch—the President and his Secretaries of State, of Defense, of Treasury and other Federal Agencies—it is the BUSINESS BRANCH to operate all our Foreign and Domestic affairs; the Second Branch is our Congress, intended to be the most powerful of the Three, composed of men elected by the people to guard the interests of the people—and to keep the First Branch (*Executive*) in its proper place and functions; the Third Branch is the Judiciary, the U. S. Supreme Court, whose sole duty is to interpret—and *only interpret*—the Laws of our Constitution and all the Legislation proposed by the Congress. This Third Branch has, *under our Constitution*, no other functions—it has no right or power to legislate, or to create Laws!

As long as each of those Branches of Government was kept in its proper confines we had a wonderful country—we had all the Liberty and the Freedoms our Founding Fathers intended us to have. And so it *was* during our first century. But, unfortunately, *because* we had all that during those years, we took them for granted and assumed that we would always have them—we *did nothing to guard them!* In our complacent enjoyment of the Liberty and Freedoms provided for us by our Constitution, we completely overlooked the fact that only we, *the people*, could keep the Constitution in force. In the early years of this century we began to permit usurpers (*traitors within*) to ignore those limitations of the Constitution. All those usurpers began to chant that the Constitution is outmoded, a relic of the horse-and-buggy days. If that be true then individual liberty is outmoded. *But that is NOT true!* Woodrow Wilson, hypocrite though he was, said that "*the history of Liberty is the history of the limitation of the power of government.*" We, the American people, must be made to understand that SOCIALISM, masquerading under various names, such as "*Liberals,*" "*One-Worlders,*" "*Communists,*" etc., is the deadly ENEMY of American Civilization, and has been and is taking away from us the Free-

stroy that ENEMY and to restore the Constitution that *was* — if we, *the people*, fight to restore it!
doms that made America great—it is up to US, the people, to de-

THIS IS NOT JUST A "GLORIFICATION" OF AMERICA

To the reader, the foregoing, and a few paragraphs that will follow, may sound like just a "glorification" of the one time greatness of our Constitution and of our Country. It is not. It is a vitally needed prelude to expose the Evils that have crept into what started out to be a PERFECT CIVILIZATION . . . an expose to show how *to destroy those EVILS and restore the PERFECT CIVILIZATION our Constitution provides!*

We cannot understand our great American Civilization unless we understand the reason for the Revolution of 1776—and, *God forbid*, a renewal of that Revolution. For many, many years there has been a false "slogan" that the cause of that Revolutionary War of 1776 was "taxation without representation." That has always been a complete misconception, because the Colonists had been taxed without representation from the time that the Colonies had come into being—and the people had not rebelled. Therefore we must "dig" for the *real* reasons of that Revolutionary War. The real reason for that revolt was the *exploitation* of the Colonists by the BIG GOVERNMENT of England for the financial benefit of the English financial powers, centered principally in the House of Rothschild, who controlled the English Parliament. The Colonists were restricted in where they could buy the goods that had to be imported—where they could sell their own goods that were available for export—and what they, *the Colonists*, could not manufacture. Just to cite one seemingly trivial example: the Colonists were practically forbidden to manufacture their own nails—they had to buy them from English manufacturers.

Now, the Colonists were a hardy people. They built homes and farms and businesses and churches out of a wilderness, and they resented the restrictions placed upon them. Acts of resistance cropped up here and there, perhaps the best remembered of them was the "Boston Tea Party." That "Party" was not because the Colonists objected to the really paltry tax on the tea—it was intended to be a "warning" to the BIG GOVERNMENT. But England did not heed that "warning." That "Party" and the other similar acts of "warning" brought further and further repressions from the "BIG GOVERNMENT." When the British sent their army of "Redcoats" to Lexing-

to "*teach*" the Leaders of the rebellion "*a lesson*," the shot was fired that was heard around the world—and it was followed by the Declaration of Independence. *In that DOCUMENT there was set forth the essence of our American Civilization!* God was the Creator, and He made all men equal. There were to be no Kings, no Princes, no Dukes, no Earls, no Lords. God endowed men with certain unalienable rights, among which were life, liberty and the pursuit of happiness. The pursuit of happiness was meant to be the right to choose and seek one's own goals and to keep the fruits of one's own labor and ingenuity. In short, the very essence of American Civilization is the primacy of the individual—the concept that God is a personal God who made each individual different from all others in the whole world, *even to his fingerprints*. It was a concept that God gave each person the free choice to do good or evil and to take the benefits or the consequences thereof. Man was to be free to work out his own destiny, but if each person had that God-given right, *as proclaimed by our Constitution*, there had to be some kind of government, or anarchy would prevail. Government must be the collective force that would prevent predators from despoiling the rest of us.

However, a war had been fought to rid the American Colonists of the scourge of BIG GOVERNMENT. Therefore the new government must be *controlled* to make sure that it would not itself engage in despotism and plunder. George Washington said: "*Government is like fire, a dangerous servant and a fearsome master.*" Thus, with deep understanding, our Founding Fathers created a CONSTITUTION, whose one great feature, *upon which its fame rests*, is its provisions for a Central Government that was always to be strictly limited in powers. First of all, it provided for a separation of powers between its three great departments, but next, *and most important*, it retained for the States *and the people* all powers that were not *expressly* granted to the Central Government. In a way, it is unfortunate that such a provision has come to be called "*States' Rights*," because it is not so important that the States have such powers, as it is that *the Central Government shall NOT have them!*

The new idea expressed by our Constitution of restraining Government from dominating and restricting the lives of its citizens had a terrific impact upon the people, for it meant a release of the energies of men, and they went to work to build America into a land of plenty and luxury such as Emperors and Kings had never dreamed of. It caught up the spirits of men and women throughout the world, and many millions of them, of many nationalities, left their homes, their relatives, their friends, and rushed to the "*new*

country," where they would be free from the ages-old tyranny of BIG GOVERNMENTS. America became the greatest and most prosperous Country of all time, not just because of its natural resources, but because of its guarantee of individual freedom.

Our America became great because *only free men* can create all that they are capable of. No "government" produces anything—that is done only by individuals. No "government" can FORCE an individual to invent an automobile, an aeroplane, a telephone. The only thing a "government" can do is restrict people from the full use of their energies and their inventive genius—and, believe it or not, *that is exactly what our "government" has been doing during the past half century!* . . . The monster (*treasonous BIG GOVERNMENT*) emerged when Woodrow Wilson stepped into the White House—but *our people failed to sense it!*

WE HAVE OURSELVES TO BLAME

As I have previously indicated, with freedom from BIG GOVERNMENT as a result of the Revolutionary War, came great prosperity and great happiness, but the Colonists were a generous and unselfish people—they welcomed *all* newcomers to participate in their new-found happiness and prosperity. And that was the great mistake of the Colonists—they did not realize, *and guard against*, the fact that the money-mad men, particularly the House of Rothschild, who controlled the BIG GOVERNMENT of England, had intention to let a "*Declaration of Independence*" or a "*Constitution*" prevent their continued bleeding us of our own hard-earned wealth. Even as the Treaty ending the war was being signed, they were scheming how to retain control of our money system . . . even then they had their Alexander Hamiltons and Robert Morris planted right amongst our Founding Fathers. And in the years that followed, it was our generous and warm-hearted welcome to all who wanted to come here to become "*Americans*" that enabled them to send their "*agents*" over here, some as "*immigrants*," some as "*refugees*," to carry on their plot to enslave and re-enslave us—such "*agents*" as Judah Benjamin in the late 1850s, to help foment the Civil War, then the Jacob Schiffs, the Warburgs, the Lehmans, etc., etc., to steal our entire Money System, and to scheme and plot to enslave us in a "*One-World (UN) Government*."

The great Enemy of American Civilization is called many names, but whatever the name may have been at any given time, it always was the despotism of BIG GOVERNMENT, the very thing our

Founding Fathers fought the Revolutionary War to free us of. The Enemy and their tools always gave it a "cover" name—they called it "*Planned Economy*." Franklin Roosevelt called it "*The New Deal*." Harry Truman called it the "*Fair Deal*," Kennedy called it "*The New Frontier*," Johnson calls it "*The Great Society*." They all proclaimed it in the name of "*a welfare State*," but the right word for it is just plain "*Socialism*." They stole the word "*Liberal*" in their attempts to hide their true objectives. Originally the *Liberal* was one who loved Liberty and fought to retain it. Franklin Roosevelt, Eleanor Roosevelt, the Kennedys, the Johnsons called themselves "*Liberals*" in order to conceal the fact that they were *Socialists*. Everything they did, all their self-described "*humanitarianism*" for the "*poor*" was—and is—raw Socialism. To fully understand the meaning of that word, "*Socialism*" is to understand the use of the force that is BIG GOVERNMENT to achieve social ends by taking from some that which belongs to them and giving it to others to whom it does not belong. Lyndon Johnson unconsciously let the cat out of the bag when he said: "*We will take away from the haves and give it to the have-nots.*"

Stop for a moment and study that statement: properly defined, it means "*legalized plunder*" by BIG GOVERNMENT, which if done by an individual would be a crime and punished as such. We have seen different stages of such "*legalized plundering*" in the "*Fascism*" of the self-proclaimed *Socialist* Mussolini, in the Nazism of Hitler's *National "Socialist" Party*, of Moscow's Soviet "*Socialist*" Republics. They all were, as Russia still is, despotic *Socialist* BIG GOVERNMENTS, engaged in plunder of their peoples. Now, here in our America, during the past several decades, we have been steadily sliding into that same stage of "*BIG GOVERNMENT*" Socialism, despite the fact that our Founding Fathers provided us with a *Constitution* to prevent that very BIG GOVERNMENT happening. We have been "*sucked*" into it by the "*NEW DEAL*," "*NEW FRONTIER*," "*GREAT SOCIETY*" false promises of our "*Traitors Within*," who have been the willing tools of those who have always used "*BIG GOVERNMENT*" to enslave the so-called "*little people*."

To completely clarify the entire BIG GOVERNMENT Conspiracy for you, I will ask you one question: Who enabled Mussolini to become the BIG GOVERNMENT in Italy?—the answer is: *the tools of the House of Rothschild in Italy* . . . Who financed and aided Hitler to become the BIG GOVERNMENT in Germany?—the answer is: *the House of Rothschild, the Warburgs, Joe Kennedy et al.*, . . . Who financed the Trotsky-Lenin-Stalin "*Socialist*" BIG GOVERNMENT in Russia?—the answer is: *Jacob Schiff, the Lehmans, the Warburgs, the House of Rothschild* . . . all for the purpose of

plundering the "little people" of those countries. Now, only the blind and the thoughtless ones among us don't realize that today, despite our Constitution, BIG GOVERNMENT is in control of our once great and beautiful America. Who created that BIG GOVERNMENT in our Country? The same House of Rothschild, Schiff, Lehmans, Warburgs gang who have organized themselves into what they call "*The Council on Foreign Relations.*" The "*spring-board*" for the BIG GOVERNMENT in our Country was that secret meeting at Jekyl Island in 1909, which I have previously described, which gave birth to that vicious "FEDERAL RESERVE ACT." But it was Franklin Roosevelt, the tool of the CFR gang, who actually transformed the Executive Branch of our Government into what has become virtually a DICTATORSHIP—and who *anchored* the "*United Nations*" on our soil to become the housing for the dictatorship of the world—then Eisenhower gave the plot a big "*push*" when he planted the bloated Earl Warren as Chief Justice of our Supreme Court, in order to emasculate our sacred Constitution by proclaiming DECISIONS "*based on the principles of the United Nations Charter,*" thus launching that illegal "*Charter*" into becoming the Law of our Land.

"GREAT CONSPIRACY" WAS REVEALED IN 1945

The "GREAT CONSPIRACY" was first revealed late in 1945 at a meeting in Senator Vandenburg's office in Washington, D. C. It was revealed by Microfilms and Recordings of the secret meetings in Yalta at which all the details of the Conspiracy to destroy the Sovereignty of the United States and the setting up of the "*United Nations*" to be a "*housing*" for a One-World Dictatorship were discussed by Franklin Roosevelt, Alger Hiss and Harry Hopkins acting for the U.S. and Stalin, Molotov and Vishinsky acting for Moscow, with Chip Bohlen serving as the interpreter. *Certainly, those Microfilms and Recordings were documentary prima facie evidence of that horrifying plot . . . certainly, if all of the American people were told of it by the Press and Radio, they would have arisen and torpedoed that entire plot—and smashed the "United Nations Organization."* But, as I have explained, by then all of our Mass Communications Media were completely controlled by the Masterminds of the Great Conspiracy, "*The Council on Foreign Relation*"—and the people were NOT told.

In our various "*News-Bulletins*" I repeatedly told how both Senator Vandenburg and Congressman Martin Dies tried to get the

Press, Radio and Hollywood to "report" the entire story to the American people—and how they were rebuffed. I told how every Legitimate Theatre producer had been terrorized into refusing to tell the story, *documented by the Microfilms and Recordings*, in a play. I told how, finally, I revealed the entire horrifying plot in two plays, "RED RAINBOW" and "THIEVES' PARADISE," in which I NAMED the traitors, plays which I personally directed and produced despite tremendous opposition, pressures and threats. I also told how all Drama Critics had, on orders, deliberately distorted and torn to shreds both plays, both of which were, perhaps, the best of the more than 40 plays I'd written up to that time. In short, I revealed time after time how that plot to destroy our nation had been kept from the people by all of our treasonous Mass Communications Media.

And all through the years that followed, to this very day, our Press-brainwashed people continued to send to the White House (Cicero-described) "Traitors Within," who, in turn, filled all Federal Agencies and the U.S. Supreme Court with similar "Traitors Within."

But the most tragic note of all is that we, the people, have been sending men to represent our interests in both Houses of Congress who have failed us and betrayed us just as much as the "Traitors Within" in the Executive Branch. Not all our Representatives and Senators are deliberate "Traitors Within." Actually, most of them are best described as "neutrals," whose primary objectives are personal political aggrandizement by "playing the game" of the Man in the White House in return for the "Federal Largesse" and other "favors" at his command. In short, they vote for or against BILLS and Congressional Legislation as desired and required by the Man in the White House—but the Man in the White House is not really the "last word" of our present BIG GOVERNMENT that is now in full control of both the Executive and Judiciary Branches of our Federal Government—the "last word" is the ILLUMINATI-CFR ("Council on Foreign Relation"), exactly as described in the ILLUMINATI-CFR Recordings. In other words, the Man in the White House is actually nothing more nor less than the "Voice" of the Masterminds of the Great Conspiracy, but, tragically, he has the power to bribe and seduce enough of the men in both Houses of Congress to carry out the ORDERS of those MASTERMINDS.

To prove that point beyond any possible question or doubt, I will cite one particular case: During the past several years Congressman James B. Utt has year after year submitted a BILL to take the U.S. out of the UN. Each and every time, that Utt BILL was "killed" by Emmanuel Celler, Chairman of the Judiciary Com-

mittee of the House of Representatives. Several other Representatives and Senators have tried to submit similar Bills—and all of them were “killed”—*on orders from the BIG GOVERNMENT in the White House!*

Now, it would be ridiculous for any member in either House of Congress to pretend that he is unaware of what the UN is, or what its objectives are. It would be equally ridiculous for any such member to pretend that he is unaware that from its very inception, the UN, *aided by the White House, by the State Department, the Defense Department, by the U.S. Supreme Court*, has gradually, step by step, taken over all powers in our Country, until today it (*the UN*) is the real governing power of our Nation . . . Bear in mind, every member of both Houses of Congress has a Set of the “ILLUMINATI-CFR” Recordings which recites the complete story of the GREAT CONSPIRACY in plain and concise language, NAMING the Conspirators—*yet not one of the Conspirators has denied one word of it!* In addition, every member of both Houses of Congress has a copy of our (CEG) “News-Bulletin,” No. 133, entitled “UN IS U.S. CANCER,” which (*as expressed by one of our loyal Congressmen, a noted lawyer*) placed the UN on TRIAL, and by their own testimony, *in the form of their own written Articles and Resolutions*, they (*the UN*) confessed that they have seized and usurped our nation—that today they are the real government of our nation—that they have directly caused the murder of many thousands of our sons in Korea, in Vietnam, in all the “wars” they (*the UN*) brought about—that they are directly responsible for the looting of hundreds of Billions of dollars of our money.

No, no member of Congress, no man in our Federal Government, no U.S. Supreme Court Justice, nobody in our Mass Communications Media can deny that the UN is truly a CANCER that is destroying our Nation. Yet, the moment a Jim Utt or a John Rarick, or a Strom Thurmond suggests that Congress take the U.S. out of the UN, all our Mass Communications Media begin to scream that they are trying to destroy “*the one hope of PEACE for the world*”—and our BIG GOVERNMENT in Washington, the Man in the White House, promptly arm-twists all the other members of Congress to refuse their support of such a BILL.

That is why, I repeat, the most tragic note in the present deplorable state of our nation is that we, the people, have been sending men to represent our interests in both Houses of Congress who have been failing us and betraying us just as much as the “*Traitors Within*” in the Executive Branch. The *tragedy* is that our Founding Fathers created our Congress to do the very job of protecting us from both the Executive and Judicial Branches of our Govern-

ment—it is right there in the Constitution—but, and that is the great tragedy, we, the people, during the past four decades have done nothing to enforce that Constitutional “protection”—we have been allowing the men we elect to Congress to abdicate their Constitutional rights and powers to both of the other Branches of our Government, with the result that we now are at least 90% within the kind of BIG GOVERNMENT our Founding Fathers fought the Revolutionary War to free us of—the BIG GOVERNMENT of the House of Rothschild gang and its stooges in Washington.

THE BIG QUESTION

The one thing that through the years has puzzled me the most, and baffled me, is the apathy and the seeming indifference of the American people to the steady erosion of the Liberty and the Freedoms handed down to us by our Founding Fathers, our (*the people's*) failure to resort to the safeguards provided for us by our Constitution . . . why they are so blind to the *obvious* step-by-step Conspiracy to destroy our nation.

True, the Press, Radio, TV, all our Mass Communications Media, have consistently brainwashed, deluded and deceived us, but there are so many acts of treason and destruction all around us that are very plain to see, yet we, the few of us who are fighting for the salvation of our nation, seem to be unable to *shock* the people as a whole into taking the truly simple measures to FORCE our Congress to use its Constitutional powers to smash the entire Conspiracy . . . *just the unmasking of the “United Nations” and its Masterminds, via a Congressional investigation of the UN Charter, would spark a chain reaction that would be just as effective as the Revolutionary War was in 1776!*

Frequently, I have had seemingly intelligent people, and seemingly loyal Americans, say: “SHOW me that there is a GREAT CONSPIRACY to destroy the United States—SHOW me the acts of TREASON.” My answer to all those “SHOW ME” people is that “none are so blind as those who (refuse to) will not see.” So, in the following pages I will submit just one or two of many acts of shamelessly brazen treason which, despite all the efforts of our treasonous Mass Communications Media and the traitors in Washington to “sweep under the rug,” have long been revealed to the people. Unfortunately, the people are so prone to *forget*, hence the following “reminders.”

In the wake of the assassination of Robert Kennedy and the previous assassinations of public figures, Americans everywhere are now beginning to ask: *"Is the U.S. on the road to anarchy? What is needed to restore law and order in our nation?"*

Suddenly the American people are shocked into the realization that during the past dozen or more years there has been loosed on the streets in city after city a wave of violent crime, murder, rape, assault. Racial violence accompanied by arson and looting on a huge scale has been and is sweeping urban areas as police stand by helpless—*disarmed, muzzled and handcuffed by the very men to whom we have entrusted the safety and security of our nation: the Supreme Court Justices and our "Leaders" in Washington.* On once-peaceful campuses, small minorities of students, claiming to represent *"peace" and "justice,"* fight pitched battles with authorities in efforts to seize control of the Universities, and they are treated as *"naughty children."*

In an editorial in one of its June issues, the *"U.S. News and World Report"* stated: *"Some of the present-day disrespect for law really can be said to have its origins in the racial issue that has come to a head since 1954"*—when Warren issued his (based on the principles of the UN Charter) DESEGREGATION DECISION.

The Report continued: *"Southern Whites set their faces against the Supreme Court ruling on desegregation, and openly defied the law. Then 'so-called' Civil Rights people took up the idea of disobedience with 'sit-ins' and 'freedom marches.' Then the idea spread violently into the ghettos of Northern cities . . . This steady lowering of inhibitions is dangerous because there is a beast that lies sleeping in all of us, and when constraints are removed, the beast is awakened. In time it could lead to authoritarianism in this country, because anarchy produces a tremendous desire among people for order and authority."*

Now, to one who reads as he runs, all of the above philosophization may *"sound"* good. That *"Report"* would make it appear that all of the upheaval in our Country is a *"spontaneous revolt"* of those people (*the Negroes*) who feel that they have been constantly persecuted and deprived of their *"rights."* But I am very sure that the publishers of the *"U.S. News and World Report"* are fully aware that their *"explanations"* are far from the truth. They *correctly* point to the fact that our present crime and lawlessness was prompted by the *"Desegregation DECISION"* of 1954, *but THAT was only the spark for a long-planned plot to destroy the unity of the American people!*

In one of our earliest "*News-Bulletins*," at the time that we unmasked the UN to be the prime instrument of the ILLUMINATI-CFR Conspiracy for the take-over of our Nation, I established with *documentary* evidence that that Conspiracy had been in existence for *many* years, even before our Civil War of 1861. I established that that very Civil War had been created by the Conspirators with the expectation that it would split our nation into two separate Republics—a Republic of the North and a Republic of the South—and thus lead to a complete One-World "*take-over*," as *originally* planned by the ILLUMINATI-House of Rothschild conspirators. When that plot failed and the Union was saved by Abraham Lincoln, the conspirators had to devise a new way to destroy the unity of the American people. That "*way*" was by breaking us up into fractions that would constantly fight each other until it would result in complete anarchy that would finally make us an easy victim for a "One-World" *take-over*.

Their first objective was to acquire absolute control of all of our Mass Communications Media in order to brainwash, delude and deceive all of the American people—to set the Negroes against the Whites and the Whites against the Negroes—to sow and create dissensions between the Minority and Ethnic Groups and the body of the American people.

MY FIRST "REMINDER"

In one of our early "*News-Bulletins*" I briefly spoke about a play that was produced in the first decade of the present century. The play was called "THE MELTING POT." It was written by one Israel Zangwill, who was one of the founders of the Socialist "*Fabian Society*" in London. Among his co-founders were George Bernard Shaw and Israel Cohen, another English-Jewish writer, *who was a known Communist functionary*. Zangwill eulogized America because, in his words, it was a "*Melting Pot*" for all the persecuted peoples of Europe who fled to our Country for the Liberty and the Freedoms they could find here. It was a skilfully put together play, and all the Critics went into ecstasies over it. However, the most important feature of the play, *which was overlooked by everybody, including the critics*, was that under the cover of his eulogies for America Zangwill highlighted the supposed "*discrimination*" the Christian White Americans practised against Jews and Negroes. Zangwill did not do that "*highlighting*" with words, he did it by *innuendoes*—by the characters and the action in the play. Hence, it

aroused no suspicions of the real intent of the play. But the seeds were sown—and the ground was laid for a more effective, *and far more brazen*, instrument to create a beginning for Racial upheavals of the present years—as you shall see:

About two years after *"The Melting Pot"* made its appearance, the above mentioned Israel Cohen wrote a book, which he called: "A RACIAL PROGRAM FOR THE 20th CENTURY." The following is an excerpt from that book:

"We must realize that our Party's most powerful weapon is racial tension. By propounding into the consciousness of the dark races that for centuries they have been oppressed by the Whites, we can mould them to the program of the Communist Party. We will aim for subtle victory. While inflaming the Negro Minority against the Whites, we will instill in the Whites a guilt complex for their exploitation of the Negroes. We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports and entertainment. With this prestige the Negro will be able to intermarry with the Whites and thus begin a process which will deliver America to our Cause."

While Cohen was working on his book in England, the conspirators over here were perfecting the machinery for the planned racial upheavals. In 1909 they set up the NAACP, and, *significantly*, from its inception the Presidents of the NAACP have been White Men—Jews; the legal staffs were White men—principally Jews. In 1913 they set up the (ADL) "*Anti-Defamation League*," which throughout the years has served as the "*guide*" for the NAACP. In addition, they organized other "*Groups*," such as "*The Urban League*," "*CORE*," "*SCLC*," etc., etc., all to incite the Negroes to "*protest*" against "*segregation*," against "*Jim Crow*" laws, to demand so-called "*equality*."

Here I wish to stress a very significant similarity in the techniques the Conspirators employed in the 1850s to create the Civil War and the techniques they have been employing during the past 20-odd years to create our present anarchy: In the 1850s the ILLUMINATI-House of Rothschild employed *trained "bleeding-heart"* agitators, known as "*Abolitionists*," to create hatred against the South by clamoring for "*freedom*" for the "*poor Negro slaves*." In the 1940s the ILLUMINATI-CFR began to train so-called Negro "*Leaders*," such as Martin Luther King, the Carmichaels and Rap Browns, *aided by the Communist Party*, to create the very same kind of agitation to destroy the unity of the American people.

However, at first, the job of fomenting the Racial upheaval was not as easy a job as the plotters had hoped it would be. The American Negroes, as a whole, generally speaking, were a contented lot. And even such "Leaders" as *Martin Lucifer King* were not able to inflame them. True, in some isolated communities in the South, small groups of Negroes, *usually outsiders hired for the jobs*, tried to force their way into White restaurants, White motels, White swimming pools. But the White (*Southern*) owners of such establishments resisted the "invasions." Some of the inflamed Negroes resorted to lawless violence. But in the 1940s the Police throughout the South rigorously applied "*The Law*" in all such cases of lawlessness. That kept the vast mass of Negroes "*in line*." They had a wholesome respect for a fully armed "LAW," and they turned deaf ears to the agitators. The Masterminds of the Conspiracy realized that, if they were to succeed with their "*Racial Upheaval*" plot, they'd have to find some way to remove "*fear of the Law*" from the minds of the Negroes. In 1954 they accomplished that objective—they got the CFR stooge, Chief Justice Earl Warren, to issue his infamous "DESEGREGATION DECISION" . . . a DECISION "*based on the principles of the the UN Charter,*" *not on our Constitution!* That bloated traitor followed that up with a number of similar "DECISIONS," which disarmed, muzzled and handcuffed our Police—"DECISIONS" which made assaults, rapings, arson, even murder, virtually minor and unpunishable "*misdemeanors*"—"DECISIONS" which branded the police with "*brutality*" when they tried to prevent crime . . . *according to those "DECISIONS" it's not the law-breakers but the law-abiding who are guilty.*

It isn't necessary for me to stress what followed. We all know how, *with the Negroes freed of all fear of the Law*, the Racial Anarchy went into full gear—we have seen the riotings, lootings, rapings, arson spread into city after city throughout the Land; we have seen the Law, police and military, *all disarmed by orders from their Superiors in Washington, State Capitals and cities*, stand by helplessly, and look on as the Negroes burned down cities and brazenly carted off their loot. In short, we have seen, *and continue to see*, how the "*Traitors Within*," the Eisenhowers, the Kennedys, the Johnsons, the Warrens, the McNamaras, the Rusks, etc., etc., have been delivering our Country to the deliberate Anarchy that is to be the prelude to the surrender of our nation to the ILLUMINATI-CFR One-World (UN) plot. And to the everlasting shame of our Congress, they, too, apparently have joined in that surrender—instead of using their power to enforce the Law in their own Capital City, they employ "*bodyguards*" to protect their Secretaries on their travels from and to their homes—they employ bodyguards to protect their wives and families in their homes. In short, the very men

to whom we have entrusted the safety and security of our nation are the *"Traitors Within"* so startlingly described by Cicero many centuries ago. To provide you with more vivid proof of that charge than *my words can describe*, I will now repeat an address to Congress delivered by Congressman John R. Rarick, of Louisiana, in May of this year:

DEMANDS INVESTIGATION OF RIOT PROTECTORS

"Earl Warren's dream has now departed from lofty platitudes and sugar-coated force laws to become a nightmare for all Americans," said Mr. Rarick, in his speech to the entire House of Representatives. "All about us is Earl Warren's dream come true. Forced equality, Court decreed laws favoring Communism, minority pressure control, reapportionment, handcuffing of law enforcement officers and destruction of all States' rights—have now centralized all power in the hands of a few who have demonstrated their incapability or lack of courage to protect their country and people. America's cities are ravished by hordes of revolutionaries, sacking our Land. While the nation's capital burned the President again proclaimed 'We shall overcome,'" Rarick pointed out. "His (Johnson's) behavior raises the question: Do we have a President of all the people or a Commander-in-Chief of the Revolution in the White House? Millions of Americans want to know why some 20 hours elapsed in Washington, D.C., before the Federal troops were called in to offer an image of concern over the wholesale burning and looting . . . I feel strongly that the House (Congress) owes a duty to every American citizen to ascertain why, in the Federal District of Columbia, the headquarters of the government of all our people, immediate effective action was not taken to protect life and property . . . For this reason, I am introducing today a RESOLUTION calling for a special investigation of this matter by a Select Committee to be composed of members of both parties appointed by the Speaker."

The RESOLUTION he submitted is known as H. RES 1129. To this date Congress has ignored that RESOLUTION, just as for years it has ignored the James B. Utt BILL to get the U.S. out of the UN—just as it has ignored all other BILLS and RESOLUTIONS with salvation of our Country as their objectives.

Actually, the Rarick RESOLUTION was intended to go beyond the reason for the *"no action"* of the Military when Washington was being burned down—its real objective was to unmask the reason for ALL the Anarchy, Lawlessness and Racial upheaval that is destroying our nation. Rarick knows the *"answer"* for all that is going on. So do many other fully alerted American patriots. We, the

alerted ones, know that the answer is the collaboration of the "Traitors Within" with the One-World Conspirators. But the American people do *not* know that real answer, and Rarick felt that an open-to-the-public Congressional investigation would reveal that "answer"—and *it would*—if Congress would decide to be loyal to their Constituents. But the "Traitors Within" have their ways and means to keep our Congress "muzzed."

JOHNSON'S "RIOT COMMISSION REPORT" A REVELATION!

As a matter of fact, however, the American people are *beginning* to awaken. They are still confused and bewildered, but they are beginning to awaken—and that has Johnson and his co-"Traitors Within" scared to death. So, last April the Texas Hill-Billy tried a new technique to further confuse the people. He appointed eleven Left-wing "Liberals" to make up a "Commission" to "find" the cause of all our Civil Disorder. That "Commission" was composed of the then Governor of Illinois, Otto Kerner; Negro Roy Wilkins; "Liberal" New York Mayor Lindsay; Sen. Edward Brook, a negro; Cleveland's Negro Mayor Carl Stokes and others of that ilk. What was their "findings?" "It is all caused by 'White Racists'" declared that "Commission" . . . Do we need any greater proof of the "Treason Within?"

I BLAME AND CHALLENGE CONGRESS!

While a *truly honest* investigation of the cause of "CIVIL DISORDER" in our Land by the President of the United States would have been perfectly proper and laudable, actually such an investigation is properly the duty and obligation of our Congress. So, at this point I wish to stress why I blame and CHALLENGE Congress:

I challenge Congress, because I charge, *with absolutely no reservations*, that every member of both Houses of Congress is, and has been at least since 1957, fully aware of the plot to destroy our Country by *racial* upheaval. Here is why I make this charge: In May of 1957 we (CEG) issued a "News-Bulletin" and a "Tract" in

which we published, *verbatim*, that “*excerpt*” from the Israel Cohen book “A RACIAL PROGRAM FOR THE 20th CENTURY.” (*which we reprinted in an earlier page of this “News-Bulletin.”*) That Israel Cohen book was published in 1913, but, for further *documentary* proof of the plot, we added that in 1935 the Communist Party’s “*Workers Library Publishers*” had issued a pamphlet entitled “THE NEGROES IN A SOVIET AMERICA”—that pamphlet urged the Negroes of the South to rise up, form a Soviet State, and apply for admission to the Soviet Union . . . it contained implicit assurance that the “*revolt*” would be supported by all American Reds *and men in high places in the U.S. Government* . . . on page 38 it promised that a Soviet government would confer greater benefits on Negroes than upon Whites, and that—“*Any act of discrimination or prejudice against a Negro will become a crime under the Revolutionary law . . .*”

As we now know, Warren’s “*DESEGREGATION DECISION*” and other “*DECISIONS*” transformed all those *Directives* in the Cohen book and the Communist Party’s “*pamphlets*” into *RIGID LAWS OF OUR LAND!*

Now, I sent copies of the “*News-Bulletin*” and “*Tract*” which contained those reprinted “*Communist Directives*” to every member of both Houses of that 1957 Congress—and to the Congresses of later years! But let’s assume that many of those Congressmen may claim that they dismissed, or refused to read those *warnings* because they came from a “*rabble-rousing*” anti-Communist—as I was *branded by Thomas Kuchel*. Very well, I’ll torpedo that “*excuse*” by stressing that in that same month of May 1957 the “*Washington (D.C.) Evening Star*” and several other newspapers published that very same Israel Cohen “*excerpt*.” Still not authoritative? Very well. But on June 7, 1957, Congressman Thos. G. Abernathy entered that very same Israel Cohen “*excerpt*” in the Congressional Library. Congressman Abernathy derived that “*excerpt*” not from *our* (CEG) publications, *not from the Washington Star*, but directly from the Israel Cohen book. *And that made it an OFFICIAL warning!* . . . In view of that *OFFICIAL* warning, why, in the face of the already rapid spread of Racial violence in 1957, didn’t Congress ever take any action? The answer is simple—and *significant*: Several Congressmen *did* submit *BILLS* to investigate—on each occasion every *BILL* was “*killed*”—*by orders from the White House, the State Department, the Supreme Court and other “Traitors Within!”*

Now let me repeat one very significant “*directive*” in that Israel Cohen book: That “*directive*” was: “**We will aid the Negroes to rise to prominence in every walk of life, in the professions and in the world of sports AND**

ENTERTAINMENT. With that prestige the Negro will be able to intermarry with the Whites and thus begin a process which will deliver America to our Cause."

At the time that Cohen wrote that book (1912-13), except for a few prize-fighters, there were no negroes in any of the sports, such as Baseball, Football, Basketball, etc. And to my distinct knowledge there was only one prominent Negro in the Entertainment world—Bert Williams, a comedian employed by Florenz Ziegfeld. *But look at the picture we have today!* Today we have many Negroes in Baseball, Basketball and Football, all of them eulogized and publicised by Press, TV and Radio far more than the Whites. *And they are even more prevalent in the Entertainment World!* Every Hollywood Film, every TV Show, even practically all the Commercials *flaunt Negroes—not one in a Show, but many!* In its May 23 issue the "Los Angeles Herald-Examiner" devoted almost a full page to point that up. It proclaimed, in so many words, that early in the 1960s both the Hollywood Films and TV became "*nigger heavens.*" It pointed out that in one period in 1966 there were 13 feature films started with 18 Negro actors; in another similar period in 1967 there were launched 30 Movies with 93 Negroes; in 1968 that went UP. It further stated: "**Any Television viewer realizes that more and more Negroes now appear even in Commercials, usually with White performers. These Negro (so-called) players plug deodorants, mouth wash, tooth paste, facial creams, (which Negroes seldom, if ever, use) Airlines, toys, beer, cigarettes, cameras, etc., etc.**"

Even the "trade" papers have stressed the above point. The "Hollywood Reporter" headlined: "**Dramatic upsurge in hiring Negroes in Films and TV . . .**" The "Daily Variety" proclaimed: "**TV is truly now Black and White . . . Negroes rapidly becoming fixtures in all Series—15 CBS Series cast Negroes.**"

Now, I will grant that a few, *very few*, Negro performers have some talent—such Negroes as Lena Horne, Ethel Waters, Diahann Carrol, Sidney Poitier—but the "*talent*" of the vast, VAST majority of Negroes in the World of Entertainment is nothing but a "*black skin.*"

Thus that Israel Cohen "*directive*" to elevate the Negroes and provide them with the "*prestige*" that will enable them to intermarry with Whites was fulfilled. Just to cite two highly publicised cases: **the daughter of our Secretary of State, Dean Rusk, recently married a Negro, and the daughter of Negro, Sen. Brooke, married a White man!**

There have been many thousands of such marriages during the past two decades—there are many, *many* such marriages going on

at this very time. That 1909 plot to mongrelize our American White Nation is going forward in leaps and bounds. Congress, the body of men we White Americans have been electing to safeguard our nation, was officially *warned* of that plot in 1957 by their own *official* RECORD, but they have done nothing to unmask that entire overall GREAT CONSPIRACY. *It is time we MADE them do what is necessary to save our Nation!*

That is why I have stated and reiterated that every American voter (*man and woman*) who loves his country and his children must demand a PLEDGE from his Representative and Senator to institute and support BILLS to investigate AND UNMASK all the Conspirators, the CFR, the UN CHARTER, the ADL, the NAACP and all organizations that are deliberately working to destroy our Country and our sacred Constitution—they must be PLEDGED to use all their powers of impeachment to unmask all the “TRAITORS WITHIN” in the White House, the Supreme Court and all Federal Agencies—and if these men we elect to Congress fail to fulfill their pledges, it is up to us, *the Voters*, to use all our powers to RECALL them—*RECALL is our supreme weapon, and we MUST use it!* It is *that*, my fellow Americans, or our once-great America, our CIVILIZATION, will be destroyed as the CIVILIZATIONS of Rome, Egypt, Persia and the British Empire were destroyed.

YOUR VOTE SHOULD BE SACRED

One of our greatest evils is that none of us realize what a gift we have in our votes. We place less value on our votes than a small boy places on an outworn toy. We vote for a man because he *looks* good, or *talks* good, or *promises* to give you what you think you want—or you vote for a man because your “*Party*” picks him for you. Since 1932 hardly any voter *really* thought of the good of his country when he *voted*.

Parkinson, a great British author and historian wrote an Article which he called “CAN DEMOCRACY SURVIVE?” In that article he stated:

“The basic weakness of democracy has always been what the Greeks called ‘*stasis*.’ Given political equality, the lower classes, which in all times past have been the most numerous, have sooner or later used their ‘votes’ to despoil the rich. They voted, in effect, for economic equality—actually Socialism. The effect of this has always been disastrous for ‘democracy.’ In

the stresses and strains brought about by the legalized plunder, there are bound to develop all sorts of treasons, stratagems and spoils (loot). From the conflicts which have ensued, one man, usually a leader of the winning side, has emerged as a dictator. Whatever the result of the battle, freedom has always been the first casualty."

Now let me clarify what Parkinson meant when he wrote that article: Rome was a great Civilization. In its early days, the Romans were a hardy people who worked hard to create their Civilization. Then certain men, best known as the Caesars and their stooges, (*politicians of those days*) became over-ambitious—they wanted to gain personal control of the Roman Empire and of the world. They craftily realized that they could accomplish their objective by pandering to the masses, *the lower classes*. They did that by providing them with "Free Circuses" and "Free Bread." They also created huge Armies for conquest of other nations. To provide the "Free Circuses" and "Free Bread" for the lazy masses and for the creation of the ever-increasing Roman Legions (*Armies*) the Caesars taxed and taxed and taxed the higher classes of Romans who kept working hard to preserve their "Civilization," until they (*the loyal Romans*) were taxed out of all their possessions—and *that great Roman Civilization died!* The same thing happened in Egypt, in Greece, in all the great Civilizations of the past . . . *and that is exactly what is happening to our great American Civilization right now!*

As I have previously established, the plot to destroy our Nation was launched many years ago by the "ILLUMINATI-HOUSE OF ROTHSCHILD" gang. The first great step was the "FEDERAL RESERVE ACT" foisted upon us by Woodrow Wilson and the renegade Senators in 1913. They followed it up with "Amendments" 16 and 17, which "legalized" unlimited taxation. Then came the *planned* Stock Market Crash of 1929 and the Depression, which gave Franklin Roosevelt, our most unscrupulous charlatan in the White House, and the Eisenhowers, the Kennedys and the Johnsons who followed him, the excuses to launch the "Free Circuses" and "Free Bread" gimmicks that have been tearing our nation to shreds ever since. Do I have to go through all the "steps" they employed?—the WPA, the various FEDERAL AID and FOREIGN AID schemes, the billions handed out to unmarried Negro women with hordes of illegitimate children, the billions poured into the "Ghettos," the phony "Poverty" programs, the billions provided to the Martin Lucifer Kings for their "marches" of "the poor" and the resultant rioting and lootings and burnings of our cities?

It is needless for me to stress that all of those "Free Circuses" and "Free Bread" have had just one objective: *the votes of the Negroes*

and the Minority Groups (particularly one certain Minority Group); which enabled the Conspirators to gain control of all "Authority" in our land.

Through all this our "Leaders" in Washington, and our CFR "Intellectuals" have been telling us that it has been all for the good of the nation—that we must go forward in order to achieve "progress." Well, progress can be good, or it can be *very bad*. Paddling a canoe across the Niagra River may be making progress, but it is disastrous "progress," if the canoe is swept over the Falls. A step backward to the recovery of our American Civilization with its Freedoms for the individual, may be progress toward a better life for all of us, but such giant steps backward, as determined by the "do-gooders" and the "Civil Rights" promoters, are steps backward to the despotism of BIG GOVERNMENT—they are steps into the Dark Ages, when the "little people" were chattels of "The Lord of the Manor."

The history of all previous Civilizations which espoused Freedom, and which prospered thereby, has been that when the people became tired of the *responsibilities of Freedom*, they turned their "responsibilities" over to some so-called authorities to take care of it for them—to rule over them. That's exactly what happened to us—we stopped guarding our Constitution—we turned that job over to the men we elected to do the job—and then we stopped appraising the men we elected to the job,—and that includes the men in our Congress—we let the CFR conspirators pick the men (*charlatans "Traitors Within"*) to do the job. The most baffling question to me is why the descendants of the Colonists and of American White Christian immigrants, as most of us are, should have continued during the past forty-odd years to keep voting to saddle our Nation with the very thing from which their ancestors fled—BIG GOVERNMENT.

The battle between the two major political Parties during the past forty-odd years has been clear-cut. There have been, and there still are (*a few*) proponents of American Civilization, as well as opponents, in both Parties. The battle, actually, is spiritual. To clarify that last statement, I will borrow from the Bible: When the Israelites became tired of the responsibilities of Freedom, they asked Samuel to provide them with a King. When Samuel, according to the Bible, asked God about it, the Lord said: "*They have not rejected thee; they have rejected me that I should not rule over them.*" It is a basic objective of Socialism to bring the Kingdom of Heaven through the enactment of LAWS, the substituting of GOVERNMENT for God. That is the denial of the essence of American

CIVILIZATION—unconsciously a denial of our **CONSTITUTION**—a denial of the premise that God meant for all men to be free—a denial even of the God of our fathers. When we, the American people, permitted the Warren Supreme Court to issue **DECISIONS** “based on the principles of the *UN Charter*,” thus “rejecting” our Constitution, we “rejected” the God of our Fathers, because our Constitution is the God our Founding Fathers gave us. William Penn said that if we are not to be ruled by God, we will be ruled by tyrants. That is why I say the entire issue is spiritual. Will we, the American people, rise to the challenge, or shall American **CIVILIZATION** sink into the oblivion that has engulfed all other great **CIVILIZATIONS** of the past?

There is only one way to do the challenging and to achieve victory. We *know* that the men now seeking election to the White House are all tools of the Great Conspiracy. Ditto the men in our U.S. Supreme Court. Our only recourse is to the men in our Congress—*both Houses of Congress!* You, *every American voter*, must demand a **PLEDGE** from every man you send to represent you in Congress that he will submit and support **BILLS** and **LEGISLATION** that will *unmask* the “*United Nations*” and its “*Charter*”—that will unmask the Masterminds of the Great Conspiracy, the CFR—they (*Congress*) **MUST** investigate the CFR and every organization that is agitating for actions expressly prohibited by our Constitution. We (CEG) forced the California Legislation to do that kind of a job on the “*United World Federalists*” in 1949-50—and it killed that *UWF plot!* We can **FORCE** Congress to do the same kind of a job on the over-all **GREAT CONSPIRACY**.

And, remember, my fellow-Americans, you have the power to RECALL any Member of Congress who fails to fulfill his oath of office—that RECALL is our most potent instrument to restore our Constitution, to restore our Nation to the Liberty and Freedoms our Founding Fathers provided for us!

Also bear in mind that each and every one of our 50 States, under our Constitution, is a Free and Sovereign State. Your State Legislature can *outlaw* all Supreme Court “*Decisions*” they based on “*the principles of the (illegal) UN Charter*”—it can completely outlaw the UN within your State even before Congress does the job. *Make them do it!*
