PREFACE

•

In our preceding issue ("News-Bulletin" No. 91), in which we published, *verbatim*, Kennedy's horrifying "Disarmament" plot, entitled "Dep't. of State Publication 7277," we frequently stressed that that entire "Disarmament" plot is in all intents and purposes exactly the same as the "United World Federalists" treasonous "RESOLUTION" which we (CEG) forced rescission by the California Legislature (and 24 additional states) in March 1950. We also referred to the "News-Bulletins" we issued at that time, which alerted the people in California to demand that rescission. Since we issued "News-Bulletin" No. 91, we have been deluged with requests for those early issues. Moreover, we have received a number of letters from various parts of the nation, in which the writers simply cannot believe that Kennedy would attempt to revive a plot which already had been exposed and officially denounced as "TREASON."

Obviously, those early "News-Bulletins," particularly the one containing the official announcement of the rescission, would serve as irrefutable proof. Unfortunately, all those old issues are now out of print. Therefore, this issue and the following one will be devoted to reprints of same. This issue is a reprint of the July-August 1949 "News-Bulletin," entitled "REDS BEHIND WORLD FEDERALISM."

•

In addition, the final pages of this issue will contain further *prima facie* evidence of John F. Kennedy's first marriage and divorce.

FOLLOWING IS THE REPRINT

•

On Monday, July 27 (1949), in Sacramento, I ran headlong into a scheme that out-Machiavellis Machiavelli, and which is beyond any doubt inspired and oriented by Moscow.

This nefarious scheme is camouflaged by the phony, *but very appealing*, promise of eternal World PEACE. Hatched in the State of California, if you please, and dubbed the "California Plan," this new scheme calls for a "ONE WORLD FEDERATED GOVERNMENT," in which our United States would become merely a unit with just about as much importance and potency in the world of nations as tiny Finland has in Europe's family of nations. If that scheme goes through, *dear God forbid*, we would have to give up

our Navy and our Army, retaining just enough to "*police*" our territory — in exactly the same proportions as a State Police Department . . . We would have to surrender our Atom Bomb — which is the ONE most important thing they are after . . . Our Stars and Stripes would become a mere State Emblem — and an International Flag would be hoisted above it . . . and our National Anthem would be replaced by an International Anthem.

In short, we would become merely 149 million voters — a 7 percent minority — in a world body of TWO BILLION voters . . . if there would be a vote at all!!!

This super-Machiavellian scheme was concocted — and RAIL-ROADED through the California Legislature — by a gang of would-be America-Wreckers who call themselves the "UNITED WORLD FEDERALISTS." The name of the man who devised "THE CALIFORNIA PLAN" and supervised its secret passage by the California Legislature is one ALAN CRANSTON, whose personal background is studded with pro-Communist proclivities. Before I am through I will PROVE that UWF was founded and created and (*behind a facade of so-called respectable names*) is being directed by a gang of known Reds and Pinks of all hues!

SHALL WE DIE IN OUR SLEEP

I first became aware of the existence — and the vicious objective — of the UWF in February 1947, when a motley crew of so-called Americans assembled in Asheville, North Carolina, for the brazenly avowed purpose of nullifying our CONSTITUTION and outlawing our DECLARATION OF INDEPENDENCE. However, I had at that time already dedicated myself to the job of awakening America to the Red Menace in Hollywood — *which I assure you is a full time job all by itself* — and I gave the UWF only a passing thought . . . I assumed that the very audacity of their intended treason would quickly bring about their destruction by other good and alert Americans. But — *apparently* — one hundred and forty-eight million and nine hundred and ninety thousand of our 149 million Americans are still soundly asleep at the switch. This fact was brought home to me by an Editorial by E. F. Tompkins in the "*Los Angeles Examiner*" on Sunday, April 10, 1949, which, while it practically repeats what I have stated above is worth repeating — if only to establish that I am not alone in my appraisal of the UWF plot . . . The Editorial reads, in part, as follows:

"SHOULD WE ABANDON OUR FREEDOM?"

"Hardly observed by the vast silent majority of the American people, a spreading and seductive movement is progressing across the country to REPEAL THE DECLARATION OF INDEPENDENCE and TO NULLIFY THE CONSTITUTION OF THE UNITED STATES.

"The UNDECLARED objective is to be accomplished by establishing a form of one-world government based upon the existing organization of the 'United Nations.' If the enterprise succeeds, this country would be required to abrogate its national sovereignty. Eventually, we would be compelled to MERGE OUR CITIZENSHIP WITH ALIEN AND DISTANT RACES, who do not share our language, our customs, our principles of law, our traditions of individual liberty or our ancestral experiences in the arts of qualifications of democracy.

"Obscure in its origin, the movement was initiated some years ago by Robert Lee Humber, a lawyer of Greenville, North Carolina, who formulated a proposal, for submission to State Legislatures, to 'declare that all people of the earth should be united in a world federation.' Since the formation of the 'United Nations,' the movement has been carried further by new organizations. One of the most active groups is the 'UNITED WORLD FEDERALISTS, INC.,' headed by Cord Meyer, Jr., which has a GLOBAL prospectus Another group is 'FEDERAL UNION, INC.,' which as a beginning would recombine the United States into the obsolete British Empire. . . . Still another group would start with an 'ATLANTIC UNION' and progressively include all of Europe, the Americas, Asia, Africa and Australasia. . . . Then there is the 'AMERICAN ASSOCIATION For the UNITED NATIONS,' of which former Under-Secretary of State Sumner Welles is honorary President.

"Since the movement was instituted by Mr. Humber — way back yonder and down in Dixie — the Legislatures of SEVENTEEN STATES have been deluded into adopting formal 'RESOLUTIONS' favoring 'limited world government!' . . . which is the basic idea. But developing this basic idea further, the UWF has devised a new 'model' RESOLUTION for the Legislatures DIRECTLY SEEKING A CHANGE IN OUR FEDERAL CONSTITUTION and calling upon Congress to summon a national constitutional convention for the purpose.

"Furthermore, the UWF has established local propoganda chapters in 600 communities and colleges; has won the support of the pretentious American Academy of Political and Social Science; and has under way a \$500,000 'expansion campaign' to 'transform the UNITED NATIONS into a limited world government.'

"The danger is growing imminent. The Legislatures of 36 states can compel Congress to call a constitutional convention for that purpose; and nearly half of the requisite number of states have already sanctioned, in effect, this procedure which would ultimately result in their own political extinction. . . . The old and defunct 'League of Nations' was an attempt at 'limited world government' which started in the travails of one global war and expired in the bloodshed and anarchy of another. Now the existing UNITED NATIONS, with its 200 or more commissions and councils, is developing into A SCHEME OF WORLD SOCIALISM, sustained chiefly by American tax-payers and providing notably a sheltered haven for foreign espionage and intrigue in this country.

"Experience thus proves that a 'LIMITED' system of world government must either dissolve itself in disappointing futility or else become UNLIMITED government over ALL the diverse people of the earth.

"Under such a system — the American people would no longer be permitted to write their own tariffs or immigration laws, or to regulate their own banking and currency practices, for the free movement of goods and persons across national boundaries is an essential idea of world government; International monetary controls have already been set up in the UNITED NATIONS; and Congress has already scuttled our protective tariff system and repealed the statutes prohibiting Asiatic immigration. . . . Under such a system — our natural resources, and the fruits of our productive free enterprise, could be exhaustively looted for the benefit of covetously less able and less industrious populations elsewhere. . . . Under such a system — American labor would have to compete at home and abroad with alien pauper labor and the American standard of living would vanish. . . . Under such a system — we would have to share our privileges of citizenship with the aborigines of Africa and the hordes of the Orient, and in the end be overwhelmed by their migrations

"We could maintain no national defense without the express consent of foreign powers . . . Our Flag would cease to command respect, our institutions would become degraded and an American would never again inherit the pride of our ancestors in being AN AMERICAN! !!"

(NOTE:—Mr. Tompkins made that prediction in April 1949 in his appraisal of the UWF treasonous RESOLUTION—NOW read Kennedy's "DISARMAMENT" plot in News-Bulletins Nos. 90 and 91. . . . what the UWF failed to achieve Kennedy is determined to accomplish! MCF.)

I SEE RED!

After reading the Tompkins startling disquieting article, I promptly began to dig deeper into the background of the "United World Federalists, Inc.," — *especially as to its founders*. I never accept these organizations at face value, because when the RED hue of a Founder or an Officer is exposed that individual promptly disappears from their letterheads and literature and is replaced by a "respectable" name. I will cite a *very recent* example of that technique:

In our April-May (1949) "News-Bulletin" we exposed that both Dr. J. Eugene Harley and Mary J. Workman, President and Secretary, respectively, of the Los Angeles Chapter of the "American Association for the United Nations" are notorious REDS. An "election" was promptly arranged and both Harley and Miss Workman were "replaced" by individuals who, on their "face," are not suspect to the unwary citizen. Hence, the *face value* of an organization means nothing to me. . . . I've heard skunks called wood-pussies, but I've noticed that both smell the same.

BACKGROUND OF UWF

The ill-omened birth of the UWF occurred in Asheville, North Carolina, on February 21, 1947. On that day all the groups in America that were organized to *clamor* for "world federalism" assembled in that city. This conference was called the "First National Congress of World Government Organization," the purpose being to merge all of them into one over-all organization. There were sixteen such groups under various names. Five of them were merged into one major organization, now known as: "UNITED WORLD FEDERALISTS" — and their *announced* objective is "World Government with Limited Powers Adequate to Prevent War." . . . SO THEY SAY !!!

In addition to the merger of the five groups, the general session of the convention coordinated the platform and interlocked the activities of all the world government organizations in America *so that all would drive at the same objective from different directions*.

The Executive Council of this newly organized over-all organization, (UWF), thirty in number, was elected at that Asheville conference. This Executive Council was empowered to elect officers, select an Advisory Board, appoint Honorary Directors, etc., etc. . . . *Chet Huntley, then a CBS News-Analyst in Los Angeles, was appointed Director of Radio!*

FORTY-TWO REDS ORGANIZED UWF

To remove even an infinitesimal doubt that the UWF is Communist inspired in its very inception, I will *name* the REDS who gathered in Asheville on that day to organize this *new approach to unwary Americans into surrendering to this obvious Communist plot*. There were over 300 "*delegates*" present, but I will name only the most notorious ones — we won't waste space on the *small fry*. All of these names have been — *most of them still are* — affiliated with UWF as Organizers, Sponsors and/or Directors:

Stringfellow Barr, Chas. G. Bolte, James B. Carey, Albert Einstein, Serge Koussevitsky, Vito Marcantonio, Jerry Voorhis, James P. Warburg, Byrl A. Whitney, Cass Canfield, Norman Cousins, Norman Corwin, Raymond Swing, Carl Van Doren, Mark Van Doren, Clifton Fadiman, Robert Sherwood, Sholem Asch, William Rose Benet, EMANUEL CELLER, Waldo Frank, Robert Lee Humber, Thomas Mann, Lewis Mumford, Robert St. John, Prof. Harlow Shapley, Senator Glen H. Taylor, Walter Wanger, A. Philip Randolph, Culbert L. Olsen, Van Wyck Brooks, Mary Ware Dennet, Upton Sinclair, Rex Stout, Rex Tugwell, Rev. David DeSola Pool, George S. Kaufman, Varian Fry, Bishop G. Ashton Oldham, Elmer Rice, Frederick L. Schuman, etc., etc.

Each of the above named has been an Organizer, Sponsor, Director and active worker in at least 5 to 50 other FLAMING RED FRONT ORGANIZATIONS — name ANY Red Front and you will find most of them in its Directorate and these are the individuals who used the word PEACE to organize the UWF !!!

It would be very illuminating if the FBI could be prevailed upon to show from their files how many of these UWF organizers are also secret members of the Communist Party!

THE TECHNIQUE OF THE REDS

At this point, a comparison of the methods or operations decided upon by the UWF with the Moscow official techniques becomes very significant!

NOTE:—Even in those early years I had become aware of the "COUNCIL ON FOREIGN RELATIONS," but I had not done an research of its true background and objectives. Thus I was only vaguely aware that the UWF and other "organizations" of that ilk were CFR FRONTS, and I

was "crediting" all such treason to Moscow. Of course, we now know that every such act is an integral feature of the over-all INTERNATIONALISTS-COMMUNIST ONE-WORLD CONSPIRACY. MCF.)

We cannot do better than cite the structure of the "American Association for the United Nations" as a pattern.

"Local Chapters are to be set up under the jurisdiction of City and State branches wherever possible, otherwise directly under the National Central Headquarters. Provision is to be made for Members-at-Large in communities where there are no organized Chapters. Each Chapter is to develop and train speakers and make them available for Women's Clubs, College and University Fraternities and Sororities, PTA groups, Men's Service Clubs, etc. All Chapters are to organize "Study Groups" within, and whenever possible, under the sponsorship of these various Clubs and Organizations. The Speakers are to arrange special study meetings in their homes, and/or in the homes of influential Social and Civic leaders."

Now let's examine the UWF's Bag of Tricks — as taken *verbatim* from their Charter and By-Laws.

TECHNIQUE OF THE UWF

"Local Chapters are to be set up under the jurisdiction of State Branches, wherever possible, otherwise directly under the corporation itself. Provision is made for members-at-large in communities where there are no organized chapters. The governing body of the United World Federalists is to be the General Assembly; a representative assembly of all members is to meet at least once each year. In between meetings of the Assembly, the corporation is to be governed by the Executive Council.

"Each chapter is to create and train a corps of effective speakers and make them available to Women's Clubs, Church organizations, University, College and High School Clubs and Societies, Men's groups, Parent-Teacher groups, etc. Special efforts to be directed at all Church groups, stressing the word Peace as our motive. Wherever possible, induce Ministers to lend their names to chapter boards."

(Note:—In other words, their theory is that if they succeed in deluding and hypnotizing your pastor, he, in turn, will anesthetize you and all the members of his congregation.)

"All chapters are to create Study Groups within the various Church and Civic organizations, and, wherever possible, under the sponsorships of the Churches and the various Organizations. In addition, the speakers are

to hold home meetings in their own homes, or the homes of Community leaders."

Close examination of the structures of "*The League of Women Shoppers*," "*the American League for Peace and Democracy*," "*The American Peace Crusade*," "*American Peace Mobilization*," "*American Youth Congress*" — all blazing Red Fronts, discloses a startlingly striking similarity . . . ditto the "*Christian and Jewish Brotherhood*" hoax!

"GIVE ME THE YOUTH OF A NATION" . . . Stalin!

The UWF further decided that *student* chapters are to be organized and are to have the status of local chapters, to be under the immediate direction of a National Student Council — *but, the Executive Council would make all decisions in the student field and control all student chapter activities*. In other words, the National Student Council is the taskmaster set up *by the Reds behind the Executive Council* . . . the Student Chapters are the stooges — and the student members just so many "*knuckle-headed*" pigeons. This Student Council consists of 35 members — 10 from Colleges; 6 from High Schools; 4 from *preparatory schools*, and 15 unspecified. Bearing in mind Stalin's orders to "*capture the Youth of the Nation*," it will not be surprising to find some of those "*unspecified*" 15 assigned to the Kindergartens — and nurseries . . . No Red Front organization, with the possible exception of Gene Kelly's "*Youth Section of the Communist Progressive Party of America*," is making as determined an effort to capture "*Young America*" as the UWF . . . and they are meeting with great success !!!

THE PLOT

A statement of policy was drafted at the Asheville Convention. Boiled down, it declared for a One-World Government with so-called "*limited powers adequate to prevent war*," expressing the theory that "PEACE" is not merely the absence of war, but the presence of justice, law and order; that world peace can be created and maintained only under *world law* sufficiently strong to prevent armed conflict between nations; that, while endorsing the efforts of the "*United Nations*" to bring about a world community favorable to peace, the UWF will work to *transform the UN into a One-World Government*.

Thus, the UWF brazenly declares itself an anti-Nationalist organization — and, in particular, *anti-United States Nationalist*. It would surrender our Armed Forces and our Sovereignty to the UN. *This was actually acknowledged by an OFFICIAL of the UWF at the hearing before the Senate Judiciary Committee in Sacramento on June 27!*

Their “policy” further states: “This Federal (UN) World Government (in which we would be a 149 million voice against TWO BILLION!) will make laws relating to natural resources; international trade; transportation; currency and many similar matters. For it is quarrels between nations about these bread-and-butter questions which will go on causing wars forever, unless you and all other world citizens give a law-making body higher than any national government the power to settle them.”

To give you a clear idea of what kind of power they intend to achieve, I will quote from a book entitled “PEACE OR ANARCHY,” authored by Cord Meyer, Jr., President and Co-Founder of the UWF. After he outlines how the UWF will *disarm* and transform the United States into a province within their Federated World Government, *under complete control of that government*, he states on page 171 of that book, that “*once having joined the One-World Federated Government no nation could secede OR REVOLT. . . . because with the Atom Bomb in its possession the Federal Government police would blow that nation off the face of the earth!*”

This is a statement IN PRINT by the man who is using the word PEACE to induce us to give up our Sovereignty, our Freedom, our Army, our Navy—AND OUR ATOM BOMB . . . and in the same breath he, *the official voice of UWF*, bluntly informs us that if we fall for their scheme *and then discover our mistake* we could never secede — and if we would try to revolt we would be blown off the face of the earth *by our own surrendered Atom Bomb!*

—————●—————

Note:—Now read Kennedy’s present “DISARMAMENT” plot in “News-Bulletin No. 91 — and see for yourself how it parallels the UWF’s “RESOLUTION” plot in 1949. MCF.

—————●—————

THEY SEDUCE CALIFORNIA LEGISLATURE

—————●—————

On March 24, 1949, a “RESOLUTION” prepared by the UWF, known as “Resolution 26”, was passed UNANIMOUSLY by the California Assembly — and, *after strenuous opposition*, was approv-

ed by the Senate 23 to 9. Only one word can describe the method employed to get that "RESOLUTION" passed — that word is: "RAILROADED! The UWFers themselves acknowledged that fact with gleeful chortles and statements that "Resolution 26" was rushed through the California Legislature before anybody knew "*what it was all about*" But that was a slight exaggeration. What they should have said was: "*Before anybody outside of the California Legislature knew what it was all about.*"

Now to describe the method they employed to railroad "RESOLUTION 26" through the Legislature: Under the supervision of Alan Cranston, the UWF's "BIG WHEEL" in Northern California, they canvassed all the members of the Legislature. The answer was *unanimously* an emphatic NO! The dismayed Cranston scurried to Paul Smith, Editor of the San Francisco Chronicle, and laid his problem before him. Smith hied himself to Sacramento for "*a few words*" with one Artie Samish.

•

CZAR OF CALIFORNIA

•

Artie Samish is a behemoth of a man. Outwardly exuding great good nature, his hugely fat body shakes like a vat of jello when he laughs. Artie is a professional Lobbyist, but the mere word "*Lobbyist*" in the case of Artie is as great an understatement as saying that Toscanini is an orchestra leader. Artie is the Master of the Master-Lobbyists. Artie openly boasts that he can *pass* a Bill or a Resolution, or KILL it, before you can say abracadabra — *and THAT is no understatement.* He has publicly boasted that he "*carries the California Legislature around in his small change pocket.*" Artie's pet "*client*" is the Liquor Industry — and his "*slush fund*" from that "*client*" is *positively* without limit. He also Lobbies for Bus Companies, Oil Companies, the Motion Picture industry, Race Tracks — and for anybody who can pay \$25,000.00 — *but no less than* \$25,000.00 — to a million he also is the ANTI-DEFAMATION LEAGUE's official "*Hatchet-Man*" in Sacramento. His power in Sacramento is far greater than the power of any Governor in the past decades, and has been so acknowledged by Governor Warren — but it is best exemplified by a statement made by Artie himself: "*To hell with the Governor of California, I'm the Governor of the Legislature!*" This is the man Paul Smith turned to when Cranston informed him that the UWF RESOLUTION had been pronounced "*a dead duck*" by every Legislator he had buttonholed.

"Artie," said Smith, "I need a favor. I've got a little Resolution I want put through, but the boys are playing hard to get — can you help me out?"

"What's the little Resolution, baby?" "Baby" is Artie's pet name for those he likes.

"It's to support a World Federated Government," replied Smith.

"What's a World Federated Government?" asked the puzzled Czar of California.

"Here," Smith proffered a copy, "read it and you'll know."

"Never mind," hastily assured Artie, eyeing the document warily — Smith uses big words and Artie's education has been a limited one, not much beyond kindergarten. "If you want it passed, baby, it'll be passed — but it'll take some *do re mi*."

Smith assured him that he'd get all the "*do re mi*" he'd need — and on March 24 it was passed UNANIMOUSLY by the Assembly — *many of whose members had previously shied away from it with holy horror!!!*

By March 31 a few members of the Senate became aware of the heinous intent of "RESOLUTION 26" and put up a strenuous opposition, but with Samish cracking the whip, it was approved by the Senate 23 to 9.

Gravely alarmed, the 9 who voted *against* the "Resolution" took steps toward reconsidering it. That was brought up on April 6 — *and was defeated 22 to 13*. Thereupon a new RESOLUTION, known as RESOLUTION 36, was introduced by Senator Hugh Donnelly to *rescind* RESOLUTION 26 — *and was defeated!*

In a *confidential* Special Bulletin to their members, the UWF gloatingly described the blackjacking methods they employed to defeat RESOLUTION 36. Lack of space in this issue prevents a detailed analysis of their methods — it will be given special attention in our next issue but in their boasting they reveal how closely they hew to the Moscow-directed Commie techniques. Their description of one particular method they employed to "*pressure*" wavering Legislators into supporting their treason-packed "RESOLUTION" is definitely *criminal* under our laws and may prove to be the very boomerang that will alert the entire nation. *Action is now being taken to bring that out into the open before our next issue goes to press!*

THE VALIANT!

•

When the fight against Communism in America is finally won, and the valiant ones who made the victory possible will be count-

ed, the name of Jack B. Tenney will ride high on the list.

Armed with a vast knowledge of Red objectives and Red methods, Senator Jack B. Tenney used up a lot of midnight oil during 1948 preparing several anti-Communist Bills which, *had they been enacted into Laws, would have cleaned Communism out of California — AND HOLLYWOOD — with the effectiveness of an Atom Bomb* and made the State of California the symbol for all America. By the same token, there would have been no UWF "Resolution 26." When first submitted, early in 1949, the Senate passed all those Bills unanimously and practically all the Assemblymen assured Tenney that they would vote *for* those Bills. Well, then Tenney went to Honolulu, so he wasn't in Sacramento when the Federalists *railroaded* their "Resolution 26" through both Houses. But when Senator Donnelly and his Co-Americans launched their fight against that "*give away America*" Resolution Tenney promptly jumped in with them. When he did that he signed a personal political death-warrant with every one of those "*give away America*" Senators and Assemblymen — *and, of course, with Artie Samish!* When his anti-Communist Bills came before the Assembly *sixty-seven* out of the *total eighty* who had promised an "*aye*" vote voted against them! At the same time the cry went up "*Get Tenney! ! !*" "*Drive Tenney out of politics! ! !*"

•

LEADERS OF THE PACK

•

The leaders in the attack on Tenney in the upper house were: Senators Gerald J. O'Gara, George Miller, Jr., H. E. Dillinger, and Harry E. Drobish. In the Assembly, Sam Collins, Speaker, took the lead, with John B. Cooke, Ernest R. Geddes, George Collins, Jr., Lester A. McMillan, and Thomas A. Maloney, *sponsor of "Resolution 26,"* promptly swinging into line behind him. *But the real knifer-in-the-back was Sam Yorty!* The chief reason they gave for their gang-up on Tenney was that he had used the funds allotted to the Committee to "*build himself*" up with the public. This was proved false very quickly. The second *given* reason was that Tenney had committed rank heresy by exposing a Red taint in several of his colleagues. Well, now, let's analyze the latter reason — *and go beyond it.*

•

IN THE SPIRIT OF JUDAS!

•

Brutus achieved his particular ill-fame when he stabbed the

mortally wounded Caesar in the back of his neck. Caesar had been his great friend and patron. Well, right in our own Sacramento we have a Brutus or two — plus a Judas! Assemblyman Sam Yorty had been a very close friend and political associate of Jack B. Tenney. When the Tenney Bills came through the Senate with flying colors, Yorty told Tenney that it would give him great happiness to sponsor those Bills in the Assembly. Came the day before those Bills were to be submitted. In the interim the Sacramento wolves had howled their howl of “*get Tenney*” and Yorty solicitously advised Tenney to choose somebody else to sponsor his Bills — *on the theory that it would be political strategy to have someone not identified as a close buddy do the sponsoring!* That, earnestly assured Yorty, would give *him* greater freedom in doing *the more important job* of all-out support on the floor. Harold K. Levering took over the sponsorship — *and he did a great job!* Then came Yorty’s “*once-in-a-lifetime*” opportunity. I will describe it in the words of one of the Reporters present at this historic session: “*Sam Yorty, Tenney’s friend, whipped out his trusty blade—and sank it deep into Tenney’s back!*”

Now, knowing what is at stake, why did this Sammy Yorty stab Tenney in the back? — *actually, however, he sank his dagger into the collective back of his constituents! ! !* What was his objective? . . . What was his gain?

Mussolini stabbed dying France in the back to achieve an empire . . . Brutus stabbed dying Caesar in the neck in the hope that he would inherit Caesar’s power . . . Judas betrayed Christ for thirty pieces of silver. Yorty stabbed Tenney—AND AMERICA—in the back . . . FOR WHAT? . . . and FOR WHOM? *That* is something for his AMERICAN constituents to find out.

(Note:—We all know the story behind Kennedy’s firing of Gen. Edwin Walker. Shorn of all phony reasons, Walker was fired because he had banned the “*Over-Seas Weekly*,” more commonly known as the “*Over-Sex Weekly*,” from circulation in U. S. Military installations in West Germany. He banned it after it was established that this pornographic sheet was pro-Communist and was deliberately undermining the morale of the American soldiers — also after it was established that key officials and reporters of the sheet had pro-Communists affiliations. Shortly after Gen. Walker was fired, the Pentagon ordered the ban lifted — it did so after Sam Yorty, at that time a Congressman, applied some kind of mysterious pressures. Why did he do that? I presume, for the same reasons that he knifed Tenney in the back —

and KILLED HIS ANTI-COMMUNIST BILLS IN 1949 . . . Today Sam Yorty is Mayor of Los Angeles — the voters in Los Angeles should know all that. MCF.)

BY THEIR DEEDS SHALL THEY BE KNOWN

Another gentleman who plunged his blade deep into the collective back of his AMERICAN constituents — *and of his State and of his Country* — is Assemblyman Sam Collins. Collins is Speaker of the House. He fancies himself a very important BIG FISH in his little pond. He would resent being told that he is disloyal to the land he lives in — but, then, so did Frederic March and Eddie Robinson scream when *they* were *exposed*. I *won't* say that Collins is a Communist or a Fellow Traveler . . . I don't know. I can only judge him by his deeds . . . and by his deeds he has convicted himself of at least giving plenty of comfort to the REDS. All his attacks on and smears of Tenney were motivated by one overwhelming desire: to abolish the California Un-American Investigating Committee! *The Reds of Hollywood organized "The Committee for the First Amendment" for that very identical objective!* To my distinct knowledge, Sam Collins, and his particular pals in the Assembly, have for years fought tooth and toenail to abolish the "California Un-American Investigating Committee." He . . . *and his pals* . . . couldn't very well *dare* protest against the objectives and the purposes for which the Committee was set up, so they invoked phony charges and a smear campaign against the man who *headed* the Committee — obviously in the hope that by destroying the head they would destroy the body. *And they were grandly supported in their attack by the Communist "DAILY PEOPLE'S WORLD."* By that very token, Sam Collins . . . *and his pals* . . . have for years *been violently opposing the investigation of Communism in the State of California — and thus AIDING the Communist Conspiracy!* This is amply corroborated in that previously mentioned Communist sheet, "*Daily People's World*," which burst forth on Monday, March 31, 1947, with the following blazing *front page* headline:

"GOP LEADER REFUSES FUNDS FOR TENNEY

"By Doug Ward

"Daily People's World Political Editor

"Sacramento, March 30—Opposition to Senator Jack B. Tenney's State Un-American Committee hit a new high in the legislature today, when Sam

Collins, conservative Republican Assembly Speaker declared emphatically he "will not vote one red cent" for continuing the Committee."

The story goes on in typical Commie style, accusing Senator Tenney of having used the funds of the Committee to "*build himself up politically by smearing . . . or threatening . . . all those who stood in the way of his ambitions.*"

Two weeks later, on April 12, 1947, this same Red sheet came out with another blazing headline:

"GOP LEADER: 'NO FUNDS FOR TENNEY' "

"SACRAMENTO, April 11, — Another influential Republican legislator today joined the ranks of those who will oppose any appropriation for the Tenney State Un-American Committee. Assemblyman Ernest R. Geddes (R. Pomona) said he was in agreement with Republican Speaker of the Assembly Sam Collins that the Committee should not be given 'one red cent.' "

As in the previous article, "*People's Daily World*" quotes Geddes along *exactly* the same line as they had quoted Collins. In both cases the same motive stood out like a beacon . . . "*abolish the California State Un-American Committee.*"

It may be just a co-incidence, but those two stories in the "*Daily People's World*" remind me of the high praise Al Capone used to accord certain political figures in Illinois — *who were on his secret payroll.*

On that same front page of the "*Daily People's World*" — right alongside the eulogy accorded Sam Collins for his vituperation of the Tenney Committee — we find a huge four-column headline glowingly praising Communist Eugene Dennis for denouncing our *Congressional Un-American Investigating Committee*. Is that just another coincidence? . . . *or is there something significant in the fact that these two articles are twin in their support of Communism?*

That was early in 1947. Collins . . . *and his pals . . .* were unable to destroy Tenney and/or the Committee *at that time*. But they did not give up. They bided their time — for an opportunity which would enable them to line up *overwhelming odds*. That came with "*Resolution 26.*" In March 1949 few people knew very much about the UWF. Nobody had gone to the trouble of investigating and exposing the fact that it (*UWF*) had been *founded, created and organized by a gang of the most notorious and crafty Reds in America*. Employing their wily Red technique, they railroaded their viciously traitorous "*Resolution 26*" through the California Legislature and — *to our everlasting shame* — brazenly announced it to the world as

the "California Plan." Then, as previously stated, Senator Donnelly and a pitifully few other wide-awake Americans set up "Resolution 36" to rescind the *give-away America* "Resolution 26." Jack B. Tenney roared in to their support. Ah'h! ! ! ! That was the opportunity Collins, Geddes and Yorty had been waiting for! And this time they had the UWF-Samish "captive" Assembly and Senate ready to say "Uncle" — and roll over on command.

As previously said, the American people didn't know that that "Resolution 26" was treason-packed. *But Sam Collins knew . . . Sam Yorty knew . . . all those other Assemblymen and Senators, who fought against rescinding "Resolution 26," knew* — and before I am through I will *prove* that they knew. I will prove that every individual in the California Legislature who voted *against* rescinding "Resolution 26" was guilty of an act that would have meant death without a trial behind the Iron Curtain.

Anyway, *that* was the opportunity Collins and his particular henchmen had been waiting for . . . "Resolution 26" would enable them to kill two birds with one stone: Tenney, the fighter against the "Give-Away America" conspiracy — Tenney, the exposé of Reds and their activities in California. They used that act of treason ("Resolution 26") as their springboard for an all-out attack on Tenney. *Once again they demanded that the Tenney Committee be abolished!* And — *again* — they charged that Tenney had misused Committee funds for personal objectives. *This time they made the specific charge that Tenney had subsidized — with Committee funds — a News-letter publication called "Alert," and its Editor, Ed Gibbon, to smear those Assemblymen and Senators who opposed his (Tenney's) political ambitions.*

That charge was an utter and complete lie. Those who made the charge knew it was a deliberate lie. Its only purpose was to confuse the public. That lie was the "Iron Curtain" behind which they could scheme and plot and conspire how to kill . . . not only Tenney — but the California Un-American Investigating Committee — or at least, make it innocuous.

On Tenney's insistence a Committee was appointed to investigate that charge. *It was quickly proved false — AND SO ANNOUNCED IN THE PRESS! ! !* But the two Sammys and their co-workers shrewdly continued to use that treason-loaded "Resolution 26" as their bludgeon to KILL THE ANTI-COMMUNIST BILLS — and prevent the rescinding of Resolution 26. *And they succeeded! ! !*

And now I will again show who wanted those anti-Red Bills killed—by a direct quote from the official mouthpiece of the Communist Party — the "Daily People's World":

“ ‘WORLD’ LAUDED FOR ROLE IN DEFEATING TENNEY BILLS.”

“Los Angeles, July 6, 1949 — The Daily People’s World was praised today for its ‘excellent coverage’ of the campaign which aided in dumping the Tenney bills in the state legislature The praise came in the final report of the Emergency Coordinating Committee to Defeat the Tenney Bills, and was drafted by Philip M. Connelly . . . Connelly directed the campaign for the Committee . . . The report was approved by the Committee’s steering committee, consisting of Robert W. Kenney, Daniel G. Marshall, Hugh Macbeth, Sr., Ignacio Lopez, Averill Berman, William B. Elconin and Paul Major . . . After outlining activities of the Committee, which included placing ads in various papers, the report said.

“ ‘Aside from excellent coverage given by the Daily People’s World, both to the Los Angeles campaign and to information out of Sacramento . . . the Press was of little assistance in promoting the campaign.

“ ‘The Tenney Bills went down the legislative drain pipe mainly because enough assemblymen were inundated with telephone calls, telegrams and letters to the point where they were convinced that a vote for the Tenney program would be an emphatically unhealthy act — politically, that is.’

“The report noted that the Committee didn’t worry too much about delegations to Sacramento, or appearance at legislative hearings on the Bills, but instead urged the people to utilize their time, energies and money in mobilizing the ‘voice from home.’ ”

The UWF employed identically the same Commie method of the “*voice from home*” to make the members of the Legislature “*sit up and say ‘Uncle.’*” That method will be exposed in detail in our September issue — *and it will show a criminal exploitation of the United States Mail ! !*

Does that show whom Collins, Yorty, O’Gara and all those others were working for?

Friends, if we, the people of the State of California, allow those men to go back into our Legislature in 1950 we will have no one but ourselves to blame if we finally find ourselves and our children in Communist Prison-Labor Camps — *or worse!* Those men must never be re-elected! *We* must see to that! The Reds admit they succeeded only because we were asleep. The UWF gleefully chortled that *they* succeeded because we were asleep. But finally we are awake! Anything they can do we can do . . . anything they can achieve we can achieve! We are going to get those anti-Red Bills passed and enacted into laws — *and we are going to get “Resolution 26” rescinded!*

On Friday, June 17, Tenney called me on the phone: "Mr. Fagan," said he, "*we need help. The Reds have ganged up in Sacramento to kill all the anti-Communist Bills and to prevent the rescinding of Resolution 26.*"

Within eight hours we (CEG) sent out *two thousand* telegrams and letters by air-mail and special-delivery to our members here and in the San Francisco-Oakland area, in which we gave them a clear and concise picture of the entire situation, and urged them to *wire* and *telephone* their Assemblymen and State Senators and demand their support of the anti-Red Bills and "*Resolution 36*" to rescind "*Resolution 26.*" And all our members fully carried out our request—thousands of telegrams and special delivery letters poured into Sacramento during the next three days. So, if your Senator or Assemblyman will tell you that he did not know the importance of the Tenney Bills, or the significance of "*Resolution 26,*" you can tell him he lies. As further proof that each and every one of them *knew* all the facts *in advance,* I will cite, in part, two statements made in the Assembly Room by Assemblyman Don Levering and in the Senate Chamber by State Senator Donnelly.

Mr. Levering was speaking on behalf of the Tenney Bills; after Sammy Yorty had *decreed their death* by sending them to the Rule's Committee — Yorty's Press-quoted words were: "*I am sending them to the Rules Committee to be killed . . . without a further hearing.*" Sam Yorty should have paraphrased Marc Antony with "*Friends, Fellow-Americans, Countrymen, I am here today not to praise anti-Communism but to bury it.*" At least, it would have sounded less hypocritical!

Yorty smashed to smithereens all Assembly rules of procedure with that act. In an eloquent plea, Levering made that all very clear on that day especially in his concluding statement:

In conclusion, he said; "**Let me point out that the name of every member of the House is under a shadow because of our failure to stand up and be counted on this subject. We are being called traitors and cowards because of the honest mistake we have made. You can, and should, correct this mistake by withdrawing these bills from the Rules Committee and placing them before this House for further consideration.**"

Despite that plea the Tenney Bills remained killed! ! !

Now, as to "*Resolution 26*"; On March 24, the Assembly . . . *whipped into line by Artie Samish* . . . passed it unanimously 68 to 0. On March 31 it came up before the Senate. As proof that every individual in the Senate Chamber was made fully aware of the treason in that Resolution *on that day* I quote — in part —

from Senator Donnelly's plea for its defeat:

"This resolution would apply to the California delegation in Washington to ratify United States entry into a world government that would take away United States' sovereignty and permit a world army to exist stronger than the army of the United States. This resolution would take away from the United States its sovereign right to maintain an army, navy or air force. . . . How do we know that the power we entrust to this world court (Federal World Government) will not be used against us? . . . There are worse things than war. Slavery is worse. We are speaking for the people of California. I urge you to turn this resolution down."

Despite this eloquent plea — *and knowing what this treason-loaded "Resolution" meant* — the vote was 23 FOR the "RESOLUTION" to give our Country away, 9 AGAINST it. Following are the 9 gallant and true Americans: Senators Abshire, Crittenden, Desmond, Donnelly, Hatfield, Hulse, Mayo, Rich and Sutton.

Following are the 23 Weasel Americans who favor giving up our Sovereignty, our Flag and our Country: Senators Breed, Brown, Hugh Burns, Busch, Coombs, Cunningham, Dillinger, Dorbish, Gibson, Johnson, Judah, Keating, Miller, O'Gara, Parkman, Powers, Regan, Salsman, Swing, Ward, Watson, Weybret and Williams.

On April 6 there was another debate in the Senate to reconsider "Resolution 26," at which time Senator Donnelly again appealed to the patriotism of his Colleagues:

"I'm not foolish enough to believe the legislature in Sacramento can give up our sovereignty. . . . But Article 5 of the Constitution of the United States gives us the power to call a constitutional convention. Do you know that the purpose here is to call a convention to give up our sovereignty?"

He then *emphasized* the fact that this movement to *surrender* all our rights and powers is *Moscow inspired and directed!*

"I can remember the time when nobody would have dared to offer a resolution of this kind. . . . The reason our foes would have us give up our sovereign powers is — we've got the Atom Bomb. I'm glad we have it. It would be better a thousand times that the bomb destroy the world than that we be bound in chains by giving up our liberty and our sovereignty. . . . If we give up our sovereignty, we give up our right to defend ourselves. Already the Communists control not only all the land and peoples behind the Iron Curtain, but almost control France, Italy and many other nations. Would you favor turning over our sovereignty to them? . . . You will say this resolution merely calls for a convention. I'm fearful if you start here, you'll end by giving up our sovereignty to other nations!"

On this occasion Senators Brown, Hugh M. Burns, Dilworth,

Jespersion and Williams joined the original gallant 9. But 22 of our other *great* American State Senators again voted to give our Country away.

Note:—In order to reserve space for our further prima facie evidence of JFK's first marriage and divorce, we will conclude the re-print of the 1949 "News-Bulletin" in our next issue.

MORE ABOUT JFK'S FIRST MARRIAGE

Publication in our "*News-Bulletin No. 90*" of the item in "*The Blauvelt Family Geneology*," which revealed John F. Kennedy's (*first*) marriage to Durie (Kerr) Malcolm, apparently hit the entire nation like a typhoon. From all parts of the country a wide variety of reactions have constantly been pouring in on us. Many persons, while expressing amazement, accept the revelation without question — only asking for dates and places of the marriage and the divorce; others express doubts due to the lack of dates and places; some refuse to believe the entire story — the more naive ones even insisting that the "*Geneology*" was written after Kennedy was elected, merely to "*smear*" him. That latter contention is, of course, stupid: Louis Blauvelt, the author of record, spent 30 years on his research and compilation. He began in 1926 and completed the job in 1956. It was registered and copyrighted in 1957, and bears the U. S. Library of Congress Catalog No. 56-10936. All that was long before John F. Kennedy was even remotely a candidate for the Presidency of the United States.

As further concrete evidence that there was no ulterior motive for that item, one of Louis Blauvelt's collaborators recalls that Durie's background was compiled in 1943, at which time young Kennedy had no distinctions of his own, that was why he was "*identified*" merely as a son of Joseph P. Kennedy, U. S. Ambassador to Great Britain *and now for even more concrete confirmation of the marriage:*

We received a number of letters from old friends of the Kennedy family in Massachusetts and Cape Cod. Several of the letters distinctly verified the marriage, all of them stating that it made Rose (*Jack's mother*) very unhappy. However, she (Rose) looked upon the marriage as just "*one of Jack's youthful escapades*," which she was sure "*wouldn't last long*" — and it didn't.

From Illinois (*the Chicago area*), where Durie was born and lived through her teen years, came more confirmation. It was there that she married her first husband, F. John Bersbach, then President of the Manz Engraving Company. That marriage was a very brief one—from April 1937 to July 1938. Several months later, on January 2, 1939, she married Firmin Desloge IV, a St. Louis resident. That marriage was dissolved one year later—in January 1940. There is some confusion about the date of this divorce—some say it was January 24, 1947, but it has been fully established that the year was 1940. Moreover, Durie was back in her Chicago haunts — *alone* — in February 1940. As added proof, in conversation with a close friend, John Bersbach, Durie's first husband, now living in Winnetka, Illinois, expressed full knowledge of her marriage with Kennedy — but could not recall the actual *dates* of the marriage or of the divorce.

Even more interesting — *and confirming* — are statements made by various of Durie's intimate friends of those years. Pieced together, get the following story:

Durie was born and grew to young womanhood in Lake Forest, Illinois, a Chicago suburb. She worked as a hostess in the Ambassador West Hotel, also in the Drake Hotel, both in Chicago, where she found opportunities to mingle with the Cafe Society and the playboys of the Windy City. She "*went over big*" with the playboys and quickly became a well-known figure at all the Chicago gay night spots. Durie was a very ambitious gal — it was no secret that she was after "*big game*." Whether she decided that her first two husbands weren't "*big*" enough, or broke with them for other reasons is not important. When she married Jack Kennedy, he was just an inconsequential 22 year-old wild-Irish playboy, but he was a son of the fabulously wealthy Joe Kennedy, owner of the Chicago Merchandise Mart. That made him "*big game*." The date of the marriage is vague. Some say it was March 1940, some say it was a later month in that year, but most concur that the knot was tied by a Justice of the Peace. After the break-up with Kennedy, Durie married Tom Shevlin, her present husband, and moved to Long Island, N. Y. . . . we will skip the next few years.

As we know, Joe Kennedy's chief driving ambition was to transform the Presidency of the United States into a Kennedy dynasty. He had centered all his hopes for that objective on Joe, Jr. But young Joe was killed in the early years of World War II. That placed Jack next in line. It was 1946 before he (Jack) took his first step toward the White House; via the House of Representatives. Then came the Senate. And that was when his "*youthful escapades*" with Durie became a grave problem. It was a foregone

conclusion that if that ever came out it would spell FINIS for all of the Kennedy political ambitions. Once Catholics would know that Jack Kennedy is NOT the good Catholic he pretends to be, *that he pulled the wool over the eyes of his Church*, the entire Catholic community would vote for anyone who was running against him. *Yes, sir, that "youthful escapade" had to be erased.* True, quite a few Chicagoans knew about it, but by the time Jack was a candidate for the Senate it was a pretty much forgotten incident. The one great danger was Durie: if she *"talked"* the fat would be in the fire. They had to find a way to keep her silent . . . *the "way" was found.*

One bright and sunny day West Palm Beach cafe society acquired three new members: Tom and Durie Shevlin and Durie's daughter. And where do you think the Shevlins made their home? In a lovely house right on Joe Kennedy's opulent estate . . . indeed, cheek-by-jowl with Kennedy's own lush mansion.

Now, all that happened before the "Blauvelt Family Geneology" came off the press early in 1957. At \$40.00 per copy, this thousand-plus page book was hardly a candidate for the "best-seller" lists. Actually, it (*ostensibly*) had no interest for anybody other than a Blauvelt descendant. Thus the Kennedys didn't even know of its existence — until they heard the vague rumor that it contained an item revealing his marriage to Durie. And that rumor didn't really begin to gain ground until after Kennedy won the nomination. The dismayed Kennedys promptly went into frantic action. They canvassed every important book store in the nation — *such as would carry a \$40.00 book of this type* — and bought every copy they could locate. All records and documents of the marriage and the divorce they were able to locate were destroyed. The compilers of the book were silenced. Ditto the publishers. Nobody was permitted to bring up the question at any of the Kennedy press conferences. According to Congressman H. R. Gross: *"Richard Nixon knew of this divorce before the campaign, but refused to use it."* Other Congressmen made similar statements. Then it became rumored that some newspapers and other publications, including the *"Saturday Evening Post"* were about to publish the story. None of the Kennedys issued any statements, but Pete Salinger, the White House press agent, did. First of all, he warned:

"This is for guidance, but not for publication. The listing of Durie Malcolm's husbands is in incorrect order."

He concluded his warning with an arrogant and angry threat that *he* would promptly enter a million dollar suit against any publication that would print even one word about the story . . .

How stupid can Salinger be? Even amateur-lawyer Bobby Kennedy can tell him that only the principals, either JFK or Durie, could file a suit.

Then came their next step: Even if all the copies of the "*Blauvelt Family Geneology*" were destroyed, the file copy in the Library of Congress was bound (by law) to be available for anyone who would want to see the item. Well, according to one publication, on or about May 22 of this year, Bobby Kennedy ordered FBI agents to the Library of Congress with instructions to remove that copy from its files. That would have been a criminal act, whether committed by the order of the U. S. Attorney General or even the President. Therefore, we investigated — and found the story to be somewhat in error . . . the Kennedys had "*rigged*" the files of the Library, so as to make it appear that the book was no longer available, to wit:

Originally, the book was on file in the "*Library of Congress — Annex, Room 5009-A, Geneology Division.*" Therefore, one would expect to find the book indexed under B in that room. But after searching through not only all the Blauvelts, but the Hendricksons and Coopers (*other direct ancestors*), and not finding it, she was about to give up the search, when she was "*tipped off*" and directed to the Index Box marked "*from DR - DZ*", and there she found an Index Card marked CS71. B6476 . . . 1957. "*Durie Family and Blauvelt Family Geneology*".

The clerk at the desk, when our investigator made her request for the book, was astounded — and momentarily speechless. She finally produced the book, but would not permit it to be taken out of the room — nor would she permit any photos or photostats of any parts of the book . . . *obviously, she had been "INSTRUCTED!"*

DURIE EVADES ALL QUESTIONS

Durie has been contacted numerous times by phone by reporters and other researchers. She refused to admit or deny the marriage and divorce story. That, of course, is also the case with all the Kennedys. They apparently feel that if they can maintain silence, along with the White House enforced press control, the entire story will eventually die out.

However, I discovered a more effective approach to the lady: I found that she and her present husband have friends in the theatrical profession — particularly Hollywood Stars, Bob Mitchum

among them. I suggested to two or three such individuals that when in Palm Beach they visit with Durie and see what they could learn. Well, as one of them expressed it, she responds to all such questions with "a *Mona Lisa*" smile — then murmurs that famous line from the old song: "*She wouldn't say 'Yes' and she couldn't say 'No'.*"

However, the pressure evidently became a little too much for her — she finally decided to take a vacation in Switzerland from all requests for interviews about the matter. *She will be in Switzerland for an indefinite period of time.*

And now I will submit a significant thought for the skeptics to ponder: if that item in the "Geneology" is false, one doesn't have to be the President of the U. S. to be able to legally force the compilers of the book to retract — ditto the publishers. Just one joint official statement by JFK and Durie would do it — IF the item is false! Why haven't they done so? Instead they are employing threats and intimidations to suppress the story. **WHY!**

I will conclude with just one remark with which nobody can take issue — and that is: there is far too much smoke in all this without there being a lot of fire. Sooner or later, the full truth, including the times and places of both the marriage and the divorce will come out.

—————●—————

P.S. Is it true that Joe Kennedy's stroke was brought on by the revelation of that secret marriage and divorce? . . . Both the revelation and the stroke came virtually simultaneously.
